Schmoozing The Private Conversations Of American Jews:

Schmoozing Joshua Halberstam, 1997-10 Jews talk about sex and money intermarriage and Israel gender and gentiles like having a funny intimate and intelligent conversation with one of the most astute observers of the American Jewish scene Alan Dershowitz author of Chutzpah **Acting Jewish** Henry Bial, 2005 Publisher Description [The Jewish Phenomenon](#) Steven Silbiger, 2009-11-16 Spielberg Brin Dell Seinfeld phenomenally successful and Jewish Why have Jews risen to the top of the business and professional world in numbers staggeringly out of proportion to their percentage of the American population Steven Silbiger has the answer Based on the author s synthesis of wide reading and research The Jewish Phenomenon sets forth seven principles that form the bedrock of Jewish financial success With startling statistics a wealth of anecdotes and the fascinating details behind some of America s biggest business success stories Silbiger convincingly shows how these seven keys have helped the Jews historically and how they continue to ensure Jewish success today More important the author makes clear that these principles are equally at the disposal of Jews and non Jews alike The amazing success of the Jews simply proves that they work The Jewish Phenomenon pays tribute not merely to the success of a people but to the commonsense wisdom and enduring values that can enrich us all [Jewish Ethics as Dialogue](#) M. Pava, 2009-09-28 Blending the deep traditions of Jewish humanism with modern philosophical expressions this book argues that Jewish values are not fixed propositions embedded in written form that can be easily handed off from one generation to the next **Jewish Ireland in the Age of Joyce** Cormac Ó Gráda, 2016-06-28 James Joyce s Leopold Bloom the atheistic Everyman of Ulysses son of a Hungarian Jewish father and an Irish Protestant mother may have turned the world s literary eyes on Dublin but those who look to him for history should think again He could hardly have been a product of the city s bona fide Jewish community where intermarriage with outsiders was rare and piety was pronounced In Jewish Ireland in the Age of Joyce a leading economic historian tells the real story of how Jewish Ireland and Dublin s Little Jerusalem in particular made ends meet from the 1870s when the first Lithuanian Jewish immigrants landed in Dublin to the late 1940s just before the community began its dramatic decline In 1866 the year Bloom was born Dublin s Jewish population hardly existed and on the eve of World War I it numbered barely three thousand But this small group of people quickly found an economic niche in an era of depression and developed a surprisingly vibrant web of institutions In a richly detailed elegantly written blend of historical economic and demographic analysis Cormac Gr da examines the challenges this community faced He asks how its patterns of child rearing schooling and cultural and religious behavior influenced its marital fertility and infant mortality rates He argues that the community s small size shaped its occupational profile and influenced its acculturation it also compromised its viability in the long run Jewish Ireland in the Age of Joyce presents a fascinating portrait of a group of people in an unlikely location who though small in number comprised Ireland s most resilient immigrant community until the Celtic Tiger s immigration surge of the 1990s [Jewhooing the Sixties](#) David Kaufman, 2012-11-13 A lively look at four major

Jewish celebrities of early 1960s America who together made their mark on both American culture and Jewish identity

The Shabbat Elevator and other Sabbath Subterfuges Alan Dundes, 2002-01-21 There are literally hundreds if not thousands of books written about Judaism and Jews but this book is unlike any previously published It focuses on the topic of circumventing custom with special emphasis on the ingenious ways Orthodox and other Jews have devised to avoid breaking the extensive list of activities forbidden on the Sabbath After examining the sources of Sabbath observance as set forth in the Old Testament the New Testament and rabbinical writings some of the most salient forms of circumvention are described These include riding a special Shabbat elevator unscrewing the lightbulb in the refrigerator constructing an eruv a space extending one's domicile so that objects may be carried outside the home and relying on the services of the so called Shabbos Goy among others Dundes respectfully analyzes such facets of Jewish characteristics as an undue concern with purity and a long established tradition of indulging in nit picking and argumentation The resultant picture of Jewish character is drawn from an unusual mixture of religious written texts and oral tradition jokes and proverbs The sources range from ancient Israel to works from the twenty first century In many ways it is an authentic and striking Jewish self portrait that is painted for the very first time in this fascinating volume
