Commentary on Matthew (Commentary on the New Testament Book #1) Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers The Gospel of Matthew highlights Jesus messiahship and divine sonship Matthew defines faithfulness in terms of Christian behavior and verbal testimony and warns against unfaithfulness by accenting its eternal consequences Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's *Commentary on the New Testament*

Employment Class and Collective Actions David Sherwyn, 2009-01-15 Long regarded as a powerful means to seek individual damages against a corporate defendant class actions have become a staple of the U S litigation system In recent years however several highly significant Supreme Court decisions have weakened the commonality claims of defendants particularly in workplace discrimination actions In light of this background the trends and prospects of employment class actions were the theme of the 56th annual proceedings of the prestigious New York University Conference on Labor held in May 2003 This important volume reprints the papers presented at that conference as well as some additional contributions Among the considerable expertise brought to bear on this controversial subject readers will find insightful analysis of such issues as the following Effect of class actions on losing companies Importance of class actions to Title VII enforcement Obstacles to class litigation Compliance and internal enforcement challenges for large employers Opt in vs opt out alternatives for class members Value and effectiveness of pattern or practice test cases Legal limits of group identity Shifting of the burden of proof Authority of arbitrators to proceed on a class wide basis and Countering statistical claims of expert witnesses Because class actions are based on tension that between commonality and individuation they tend to accumulate precedent along a spectrum from disconnected disparity to meaningful resolution In this deeply informed and thought provoking book lawyers and academics concerned with both the

interests of employers and of employees will proceed with increased awareness as they work on reconciling the practical and theoretical constraints of class litigation

Enslaved Mirjam Van Reisen, 2023-01-21 Eritrean refugees are being trafficked and enslaved in Libya where they are tortured to force relatives to pay a ransom for their release Labelled with a digital code they are moved along in the possession of the traffickers through a series of black holes in which their access to digital technologies and connectivity is highly controlled They are tortured abused extorted and subjected to sexual violence Many die along the way If they make it to the Mediterranean Sea they risk being intercepted and returned to Libya or dying at sea Over the period of this study 2017-21 it is conservatively estimated that at least 200 000 men women and children have fallen victim to human trafficking for ransom in Libya and the cumulative value of this trade for that period is estimated at over 1 billion USD This detailed ethnographic study identifies the routes modus operandi organisation and key actors involved in the human trafficking for ransom of refugees and migrants who are desperately in need of protection The book is part of the GAIC Research Network and African studies series published by Langaa RPCIG and makes an important contribution to the literature on human trafficking migration studies African studies modern slavery social protection and governance

Divided Libraries T.D. Webb, 2012-09-12 Given the highly trained library workforce now available and the vast and growing array of packaging information and knowledge libraries have the capacity to become pre eminent places of learning research and teaching Yet despite this potential libraries remain divided from their constituencies and their governing bodies be they students faculties university administrations municipal governments or ordinary citizens Indeed many modern university administrators viewing librarians as ancillary citizens in academe have allowed their libraries to wither under the burden of shrinking budgets staffing inadequacies and deteriorating facilities This thought provoking volume by a 35 year veteran of academic libraries identifies diagnoses and provides remedies to the damaging divisions in and between libraries and librarianship arguing that the processes of teaching constitute the genuine context in which to steer librarianship into the future

Scholarship and Partisanship Reinhard Bendix, Guenther Roth, 2023-04-28 Today Max Weber appears to many younger academic rebels as the patron saint of value neutral social science yet he too engaged in a furious generational rebellion of his own and in the end chose science as a vocation These essays deal with Weber's substantive and methodological contribution and the relation of his life to his place in intellectual and political history They examine the influences on Weber as well as his similarities to and differences from Marx Burckhardt Nietzsche Durkheim and others The authors also give attention to the ideological background of the modern attack upon the university and to comparative study of values authority and legitimation Bendix's Presidential Address to the 1970 meeting of the American Sociological Association is included This title

is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1971 *The Scholar's Companion* Rufus William Bailey, 1871 *THE SABBATH SCHOLARS' TREASURY AND JUVENILE* Thomas Pat ton, 1865 *A History of the University of Cambridge* James Bass Mullinger, 1888
