Friends at Thrush Green Miss Read, 2002-11-07 Old and new friends find a warm welcome in the cozy English village of Thrush Green Miss Read's novels are sheer delight Chicago Tribune There had been general dismay when Miss Watson and Miss Fogerty retired to Barton on Sea after many years of devoted service teaching the children of Thrush Green so their visit to see old friends in the village brings great pleasure The new headmaster Alan Lester is cautiously accepted but rumor is rife about his wife's health Meanwhile farmer Percy Hodge is also the subject of local speculation Is his strange behavior the result of an infatuation with the young Doreen Lilly As for affairs at the Lovelocks house it is increasingly apparent that Bertha Lovelock is now in her dotage and a new and most unfortunate habit is the cause of considerable embarrassment to the good people of Lulling All these matters and more are faced by our old friends against the familiar background and changing seasons of the Cotswolds A rambling gently humorous novel Heartwarming simplicity Publishers Weekly

Battles at Thrush Green Miss Read, 2018-10-09 A new season brings changes and hope to the little English village of Thrush Green from the beloved author of the Fairacre series Nestled in the heart of the Cotswolds Thrush Green is normally a peaceful place But as autumn turns to winter feelings are running high in the village Miss Fogerty a respected teacher at the village school for over thirty years is troubled by the methods of the new young teacher Dotty Harmer takes up driving much to the concern of others and it isn't long before she is involved in an accident and a threatening court case And when the good rector innocently suggests the neglected churchyard should be tidied up Thrush Green is outraged It seems

wherever you look there are difficulties and changes but as spring arrives there is renewed hope that all will end well Thrush Green is a village somewhere on the road between Lulling and Nod Nonetheless there is nothing sleepy about the place No indeed In this delicious installment there are battles erupting all over Miss Read has plenty of grist here for the village mill You can't get farther away from the front page than this The New York Times [Village School](#) Miss Read,1955 Miss Read a teacher describes the course of one school year in the rural English community of Tyler's Row **Celebrations at Thrush Green** Miss Read,John S.
