A School for Sorcery E Rose Sabin, 2020-07-10 Is the school on which Tria Tesserell has pinned her dreams merely a scam That s what Tria concludes when she arrives at the Lesley Simonton School for the Magically Gifted and finds its buildings run down and its small faculty oddly ineffectual Despite that conclusion Tria soon learns that her fellow students have real and dangerous magical abilities She must discover her own powers and wield them to cope with her amoral shape changing roommate and to defeat Oryon Brew a highly gifted student who aims to take over the school Tria accepts the challenge to rescue those whom Oryon in his greed for dominance sends into the dread Dire Realms Oryon s willingness to draw on evil sources to increase his power gives him an advantage over Tria who struggles with the question of how to apply ethical and moral standards to the life or death situations into which she is cast Her inadvertent creation of alternate selves further complicates that effort until she and her duplicates discover that death can prove an unexpected ally In A School for Sorcery you will thrill to the lethal perils Tria faces in her conflict with Oryon and with her you will discover the truth about the school

Journeys Luke West, 2023-04-11 A year and a half of adventure battle love and betrayal has all come down to this final encounter The GM is playing epic music The pizza is going cold and you can hear a ceremonial slurp of soda before every dice roll Your character

was raised by a great wizard of a father and a priest like sage of a mother You grew up around books and magic yet because you picked up a sword spells have been forever blocked from your path Why Because your class just doesn't work that way Too bad you can't use that life saving scroll your party has kept in your bag all campaign Time to throw off the shackles Journeys Role Playing Game is designed to be balanced filled with options and yet nothing about your character's life choices prevents him from trying something new In this system the character's journey is truly yours Your every action will determine how you grow Want to cast magic Everyone starts somewhere It may blow up in your face but you will have learned something about how to not make the magical mistake again Want to be warrior Then you better start picking up some steel and training with it over some poor monster's skull The rules of Journeys provide your GM with a strong referee system to make the world solidly realistic yet open enough to be wildly fantastic When you create your character you may start as anything you can image No combination of skills is beyond the light of the rules here But choose carefully what you decide to specialize in because changing your mind later will mean having to work from ground zero on up Your journey starts here
