Conversations With Seth: Book One Susan M. Watkins, 2005-04-15 In 1963 Jane Roberts met a spiritual entity named Seth. He spoke through her and the lessons he taught proved timeless and crucial. From 1968 to 1975 Roberts held an ESP class during which she channeled Seth. Susan Watkins was a member of that class. The knowledge gained from Seth helped Watkins and her classmates face serious illness, painful relationships, financial hardship, and natural catastrophe. It also changed their lives. In addition to being a well-written, highly entertaining historical account of the late Jane Roberts and her class, *Conversations with Seth* reveals the profound insights discovered by class members: insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness. Roberts' Seth material is consistently one of the top two most visited collections at the Yale University Archives. The story that launched the New Age movement.

Acorns: Windows High-Tide Foghat Joshua Morris, 2013-01-23 *Acorns* delineates the future of humanity as a reunification of intellect with the Deep Self. Having chosen to focus upon ego established securely by the time of Christ, much more beta brain wave development will destroy our species and others, which process has already begun. We create our own realities through beliefs, intents, and desires, and we were in and out of probabilities constantly. Feelings follow beliefs, not the other way around.

Spirit Guide Contact Through Hypnosis Bruce Goldberg, 2005-05-15 Contacting spirit guides is as old as civilization itself. Shamans dating back to at least 50,000 B.C. ritualistically contacted nonphysical entities. The Mystery Schools of Ancient Egypt, Greece, Persia, Rome, and India also dealt with contacting spirit guides. Every major religion acknowledges the reality of discarnate entities or spirits, whether they are called saints, angels, the Holy Spirit, and so on. One of the purposes of this book is to demystify this process. The media's depiction of spirit contact has led to the false assumption that anyone who establishes this contact must be in great danger. In reality, this communication is natural, relatively simple, and a wonderful growth experience. Spirit communication removes the fear of death and bereavement and results in a form of spiritual empowerment. Contacting your spirit guides can help us: Develop your intuition and other psychic abilities; Increase your ability to love yourself and others; Become more aware of the workings of the universe; Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution; Protect you from negative entities and/or other forces in the universe; Access the wisdom of the ancients; Establish and maintain your own physical, mental, emotional, and spiritual health; Overcome bad habits and fears; Eliminate the fear of death; See into the future; Master the art of out-of-body experiences; Learn your true karmic purpose. *Spirit Guide Contact Through Hypnosis* includes free audio companion downloads.

Spirit Guide Contact Through Hypnosis (Volume 2 of 2) (EasyRead Super Large 20pt Edition), **Transpersonal Hypnosis** Eric D. Leskowitz, 2019-05-23 *Transpersonal Hypnosis* presents a multidimensional, energy-based view of human awareness that integrates disparate biological, psychological, and spiritual therapeutic techniques. Each of the chapters, all from world-renowned contributors, includes both a historical overview and the theory behind the development of each technique. The authors emphasize experimental studies that examine the validity

of using hypnotically accessed transpersonal states of consciousness to heal the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine
