Nature Of Chinese Politics:

The Nature of Chinese Politics: From Mao to Jiang Jonathan Unger, 2016-09-16 This book describes and analyzes how politics among the Chinese leadership has operated and evolved from the period of Mao's court up to the present day. Part I explores politics under Mao and Deng. For this section, the five leading western analysts of elite Chinese politics: Lowell Dittmer, Lucian Pye, Frederick Teiwes, Andrew Nathan, and Tsou Tang, have contributed major papers that measure the empirical evidence against political science theory, recent Chinese history, and Chinese political culture. Part II explores and analyzes the ongoing changes in Chinese politics during Jiang's tenure and includes analyses by almost all the leading English language scholars in the field. *Chinese Politics and Government* Sujian Guo, 2012 Over the past two decades, China's political reforms, open door policy, dramatic economic growth, and increasingly assertive foreign policy have had an unprecedented regional and global impact. This introductory textbook provides students with a fundamental understanding of government and politics in China, as well as the conceptual ability to explore the general patterns, impacts, and nature of continuities and changes in Chinese politics. Further, it equips students with analytical frameworks by which they can understand, analyse, and evaluate the major issues in Chinese politics, including the basic methodologies and theoretical controversies in the study of Chinese politics. The major dimensions, structures, processes, functions, and characteristics of the Chinese political system, such as ideology, politics, law, society, economy, and foreign policy. The impact of power, ideology, and organization on different spheres of Chinese society. The structure, process, and factors in Chinese foreign policy making. Whether China is a strategic partner or potential threat to the United States. By examining contending theoretical models in the study of Chinese politics, this book combines an essentialist approach that keeps focus on the fundamental, unique, and defining features of Chinese politics and government with other theoretical approaches or analytical models which reveal and explore the complexities inherent in the Chinese political system. Extensively illustrated, the textbook includes maps, photographs, and diagrams, as well as providing questions for class discussions and suggestions for further reading. Written by an experienced academic with working knowledge of the Chinese Government, this textbook will provide students with a comprehensive introduction to all aspects of Chinese Politics. Hegemony with Chinese Characteristics Asım Doğan, 2021-05-20 *Hegemony with Chinese Characteristics* compares the historical relationship of China with its neighbours to the developing trajectory of the Belt and Road Initiative and asks what this tells us about the kind of hegemon China is likely to become. China is going to play a more active and decisive role in the international community and there is much uncertainty about how China will handle its responsibilities and interests. The ambiguous and assertive Belt and Road Initiative is a matter of special concern in this aspect. The Tributary System, which provides concrete evidence of how Chinese dynasties handled relations with foreigners, is a useful reference point in trying to understand its twenty-first century developments. This is particularly true because after the turbulence of the Century of Humiliation and the Maoist Era, China

seems to be explicitly re embracing its history and its pre revolutionary identity Confucius one of the biggest targets of the Cultural Revolution is being rehabilitated alongside Confucianism Taoism Buddhism and other ideologies and philosophies suppressed in the Mao era Do an analyzes the extent to which China s current approach to foreign relations resembles its earlier models Grounded in hegemony as an analytic lens this book provides an innovative study of the power generated by the global rise in China It will be a valuable resource for scholars and students of Chinese foreign policy and international relations and serve as a benchmark for further studies

The Logical Deduction of Chinese Traditional Political Philosophy Shiwei Zhang, 2021-11-16 This book presents a panoramic and extensive exploration of Chinese political philosophy examining key political problems of the past and the thinkers who addressed them As the reader will discover China s traditional political philosophy is one with distinctive national characteristics and ideals Therefore the book helps to clarify the evolution of Chinese political thought while also investigating fundamental political issues throughout the country s history The book offers a unique resource for researchers and graduate students in the fields of political science philosophy and history as well as ordinary readers who are interested in China s traditional and political culture

Contemporary Chinese Political Thought Fred Dallmayr, Zhao Tingyang, 2012-07-27 Westerners seem united in the belief that China has emerged as a major economic power and that this success will most likely continue indefinitely But they are less certain about the future of China s political system China s steps toward free market capitalism have led many outsiders to expect increased democratization and a more Western political system The Chinese however have developed their own version of capitalism Westerners view Chinese politics through the lens of their own ideologies preventing them from understanding Chinese goals and policies In Contemporary Chinese Political Thought Debates and Perspectives Fred Dallmayr and Zhao Tingyang bring together leading Chinese intellectuals to debate the main political ideas shaping the rapidly changing nation Investigating such topics as the popular China Model the resurgence of Chinese Confucianism and its applications to the modern world and liberal socialism the contributors move beyond usual analytical frameworks toward what Dallmayr and Zhao call a dismantling of ideological straitjackets Comprising a broad range of opinions and perspectives Contemporary Chinese Political Thought is the most up to date examination in English of modern Chinese political attitudes and discourse Features contributions from Ji Wenshun Zhou Lian Zhao Tingyang Zhang Feng Liu Shuxian Chen Ming He Baogang Ni Peimin Ci Jiwei Cui Zhiyuan Frank Fang Wang Shaoguang and Cheng Guangyun

The Historical Dynamics of Chinese Politics Guangbin Yang, 2022-07-02 This book puts forward a new perspective the historical dynamics of Chinese politics for better understanding China s politics which is from the vertical history of China and the dimension of horizontal world politics combining the historical analysis of how Chinese politics has come along the way and the comparative analysis of China s governance achievements in world politics Based on this premise this book attempts to explain the democratic discourse of contemporary Chinese political logic The historical dynamics of Chinese politics comes from long term

communication between the author and Western scholars which may help the global audience to understand China's politics from all angles

The History and Logic of Modern Chinese Politics Mingsheng Wang, 2021-08-24 This book explores the history and development of modern Chinese politics. Written by Dr Mingsheng Wang, a renowned Chinese political scientist, it presents a truly groundbreaking and thought-provoking study of the sociopolitical forces behind China's gradual emergence as a new global power in the 20th century and its rapid rise as the world's second largest economy over the past 40 years. The author's argument is illuminated by comparative theoretical analyses based on meticulously detailed empirical research functions as a lens through which readers can better understand China's remarkable accomplishments as well as consider broader issues that have perplexed many. Is there a China Path to sociopolitical progress? What is socialism with Chinese characteristics? Can China redefine its niche and maintain its growing momentum in an increasingly multilateral world? And finally, what lessons can we draw from China's continuing progress in the post-COVID era? As the author argues eloquently and with persuasive evidence, China's ongoing progress has followed neither the mode of Russian-style socialism nor that of Western prototypical capitalism. Rather, it represents a distinctively different model of progress and a continuous search for a viable alternative route to modernity that is permeated with Chinese realities. By identifying an alternative system described as the China Path, the author demonstrates convincingly that there exist ample options for different types of modernity and that economic growth means not only industrialization but also the development of political democratization and the realization of the rule of law. In this sense, this book significantly enriches our understanding of modern China. The 33 carefully selected essays in the anthology provide a much-needed opportunity for scholars, policy makers, and all interested readers to obtain an insider's view of the history and prospect of China's political development.

Confucianism in Contemporary Chinese Politics Shanruo Ning Zhang, 2016-03-29 This book examines the ways in which Confucian political culture operates in contemporary Chinese politics and influences its development. The author argues that the authoritarian political culture performs functions similar to the democratic political culture, drawing on a wide range of data, surveys, interviews, archives, Public Hearing Meeting records, and the Party Congress Reports of the Chinese Communist Party to substantiate and illustrate these arguments. In an authoritarian political system, the legitimating values of the authoritarian political culture persuade the public of their government's legitimacy, and the engaging values equip individuals with a set of cultural dispositions, resources, and skills to acquire political resources and services from the state. In the context of Chinese politics, personal connections infused with affection and trust, the Social Capital in the Confucian culture, facilitate political engagement. Despite the country's continuous advocacy for the rule of law, state and public perceptions of legal professionals and legal practices such as mediation and lawyer-judge relations are fundamentally moralized. A new people ideology, which originated in the Confucian political culture, has been re-appropriated to legitimate the Party's hegemonic governing position and policies.

Chinese Politics Peter Gries, Daniel Lynch, Stanley Rosen, 2010-01-28 Written by a team of leading China

scholars this text interrogates the dynamics of state power and legitimation in 21st Century China Despite the continuing economic successes and rising international prestige of China there has been increasing social protests over corruption land seizures environmental concerns and homeowner movements Such political contestation presents an opportunity to explore the changes occurring in China today what are the goals of political contestation how are Chinese Communist Party leaders legitimizing their rule who are the specific actors involved in contesting state legitimacy today and what are the implications of changing state society relations for the future viability of the People s Republic Key subjects covered include the legitimacy of the Communist Party internet censorship ethnic resistance rural and urban contention nationalism youth culture labour relations Chinese Politics is an essential read for all students and scholars of contemporary China as well as those interested in the dynamics of political and social change

Political Science and Chinese Political Studies Sujian Guo,2012-07-25 We have witnessed the substantial transformation of China studies particularly Chinese political studies in the past 30 years due to changes in China and its rising status in the world as well as changes in our ways of conducting research As area studies specialists we are no longer isolated from the larger disciplines of Political Science and International Relations IR but an integral part of them This book contains theoretically innovative contributions by distinguished political scientists from inside and outside China who together offer up to date overviews of the state of the field of Chinese political studies combines empirical and normative researches as well as theoretical exploration and case studies explore the relationship between Western political science scholarship and contemporary Chinese political studies examine the logic and methods of political science and their scholarly application and most recent developments in the study of Chinese politics and discuss the hotly contested and debated issues in Chinese political studies such as universality and particularity regularity and diversity scientification and indigenization main problems challenges opportunities and directions for the disciplinary and intellectual development of Chinese political studies in the context of rising China

The Quest for Legitimacy in Chinese Politics Lanxin Xiang,2019-09-03 Xiang explains the nature and depth of the legitimacy crisis facing the government of China and why it is so frequently misunderstood in the West Arguing that it is more helpful to understand the quest for legitimacy in China as an eternally dynamic process rather than to seek resolutions in constitutionalism Xiang examines the understanding of legitimacy in Chinese political philosophy He posits that the current crisis is a consequence of the incompatibility of Confucian Republicanism and Soviet inspired Bolshevism The discourse on Chinese political reform tends to polarize between total westernization on the one hand or the rejection of western influence in all forms on the other Xiang points to a third solution meeting western democratic theories halfway avoiding another round of violent revolution This book provides valuable insights for scholars and students of China s politics and political history

A History of Chinese Political Thought Youngmin Kim,2017-12-01 China s rapid rise as a regional and global power is one of the most important political developments of the twenty first century Yet the West still largely overlooks or oversimplifies the complex

ideas and ideals that have shaped the country's national and international transformation from antiquity to the present day In this beautifully written introductory text Youngmin Kim offers a uniquely incisive survey of the major themes in Chinese political thought from customary community to empire exploring their theoretical importance and the different historical contexts in which they arose Challenging traditional assumptions about Chinese nationalism and Marxist history Kim shows that China does not have a fixed single identity but rather is a constantly moving target His probing interdisciplinary approach traces the long and nuanced history of Chinese thought as a true tradition anchored in certain key themes many of which began in the early dynasties and still resonate in China today Only by appreciating this rich history he argues can we begin to understand the intricacies and contradictions of contemporary Chinese politics economy and society

Contemporary Chinese Politics Allen Carlson, Mary E. Gallagher, Kenneth Lieberthal, Melanie Manion, 2010-07-29

Contemporary Chinese Politics Sources Methods and Field Strategies considers how new and diverse sources and methods are changing the study of Chinese politics Contributors spanning three generations in China studies place their distinct qualitative and quantitative methodological approaches in the framework of the discipline and point to challenges or opportunities or both of adapting new sources and methods to the study of contemporary China How can we more effectively use new sources and methods of data collection How can we better integrate the study of Chinese politics into the discipline of political science to the betterment of both This comprehensive methodological survey will be of immense interest to graduate students heading into the field for the first time and experienced scholars looking to keep abreast of the state of the art in the study of Chinese politics

Chinese Political Culture Shiping Hua, Andrew J. Nathan, 2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace

Chinese Politics in the Era of Xi Jinping Willy Wo-Lap Lam, 2015-03-12 Renowned for his coverage of China's elite politics and leadership transitions veteran Sinologist Willy Lam has produced the first book length study in English of the rise of Xi Jinping General Secretary of the Chinese Communist Party CCP since November 2012 With rare insight Lam describes Xi's personal history and his fascination with quasi Maoist values the factional politics through which he ascended the configuration of power of the Fifth Generation leadership and the country's likely future directions under the charismatic princeling Despite an undistinguished career as a provincial administrator Xi has rapidly amassed more power than his predecessors He has overawed his rivals and shaken up the party state hierarchy by launching large scale anti corruption and rectification campaigns With a strong power base in the People's Liberation Army and a vision

of China as an awakening lion Xi has been flexing China's military muscle in sovereignty rows with countries including Japan Vietnam and the Philippines while trying to undermine the influence of the United States in the Asia Pacific region While Xi is still fine tuning his art of governance his zero tolerance for dissent and his preoccupation with upholding the privileges of the red aristocracy and the CCP's status as perennial ruling party do not bode well for economic political or cultural reforms Lam takes a close look at Xi's ideological and political profile and considers how his conservative outlook might shape what the new strongman calls the Great Renaissance of the Chinese race

History of Chinese Political Thought, Volume 1

Kung-chuan Hsiao, 2015-03-08 This volume launches the translation of a work that describes the development of Chinese political thought from the time of Confucius in the late Chou era into the twentieth century The author systematically treats leading thinkers schools and movements displaying a consummate mastery of traditional Chinese learning and of Western analytical and comparative methods This first complete translation includes prefatory remarks by Kung chuan Hsiao and notes prepared by the translator to assist the Western reader Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Constructing Political Economy with Chinese Characteristics Fang Cai, Xiaojing Zhang, 2022-10-10 This book analyzes the characteristics of China's economic operation in the new era and explores Xi's thought on China's development The book consists of six parts The first part puts forward the guiding principles and main contents of political economy of socialism with Chinese characteristics in the new era the second part conducts the epistemology and methodology the third part reveals the big logic of the new normal of economic development from the time and space dimension and the fourth part examines the purpose motivation necessary conditions and measurement scale of development according to the new development concept the fifth part discusses the path of building a modern economic system the sixth part focuses on what China Wisdom and China solution could contribute to the global governance and promoting global development

Chinese Politics: The death of Mao (1976) to the fall of Hua Kuo-feng (1980) James T. Myers, Jürgen Domes, Erik von Groeling, 1986

Political power struggles in mainland China after Mao's death

The Yijing and Chinese Politics Tze-ki Hon, 2012-02-01

This book is the first comprehensive study of Yijing Book of Changes commentary during the Northern Song period showing how it reflects a coming to terms with major political and social changes Seen as a transitional period in China's history the Northern Song 960-1127 is often described as the midpoint in the Tang Song transition or as the beginning of Song Ming Neo Confucianism Challenging this traditional view Tze-ki Hon demonstrates the complexity of the Northern Song by breaking it into three periods characterized by alternately the reestablishment of civil governance large scale reforms and a

descent into factional rivalry To illustrate the distinct characteristics of these three periods Hon compares commentaries by Hu Yuan Zhang Zai and Cheng Yi with five other Yijing commentaries highlighting the broad parameters as well as the specific content of an extremely important world of discourse the debate on literati activism These differing views on the literati s role in civil governance prove how lively diverse and intense Northern Song intellectual life was while also reminding us how important it is to understand the history of the period on its own terms

Challenges Facing Chinese Political Development Sujian Guo,Baogang Guo,2007-01-01 Examining the challenges of Chinese political development from a holistic perspective each of the authors emphasizes a particular dimension of political culture political economy foreign policy and environmental and social challenges

This book delves into Nature Of Chinese Politics. Nature Of Chinese Politics is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Nature Of Chinese Politics, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Nature Of Chinese Politics
- Chapter 2: Essential Elements of Nature Of Chinese Politics
- Chapter 3: Nature Of Chinese Politics in Everyday Life
- Chapter 4: Nature Of Chinese Politics in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Nature Of Chinese Politics. The first chapter will explore what Nature Of Chinese Politics is, why Nature Of Chinese Politics is vital, and how to effectively learn about Nature Of Chinese Politics.
3. In chapter 2, the author will delve into the foundational concepts of Nature Of Chinese Politics. The second chapter will elucidate the essential principles that need to be understood to grasp Nature Of Chinese Politics in its entirety.
4. In chapter 3, this book will examine the practical applications of Nature Of Chinese Politics in daily life. This chapter will showcase real-world examples of how Nature Of Chinese Politics can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Nature Of Chinese Politics in specific contexts. The fourth chapter will explore how Nature Of Chinese Politics is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Nature Of Chinese Politics. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Nature Of Chinese Politics.

Nature Of Chinese Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nature Of Chinese Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nature Of Chinese Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nature Of Chinese Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nature Of Chinese Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nature Of Chinese Politics is one of the best book in our library for free trial. We provide copy of Nature Of Chinese Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nature Of Chinese Politics. Where to download Nature Of Chinese Politics online for free? Are you looking for Nature Of Chinese Politics PDF? This is definitely going to save you time and cash in something you should think about.
