

NATURE'S MEDICINES

A guide to herbal medicines and what they can do for you

A collage featuring a woman smiling while holding a white cup of tea. Surrounding her are various herbs: a large orange flower (likely calendula) in the top left, a bunch of purple flowers (possibly lavender) in the bottom left, a sprig of rosemary in the bottom right, and a bunch of green basil leaves in the bottom center. In the top right, there are dried herbs, including what appears to be ginger root and garlic bulbs. The background is a light cream color with faint, repeating text of various herb names such as 'GARNICA', 'BASTI', 'BAY LAUREL', 'BAY', 'RY', 'ON', 'S CL', 'OIL', 'LIC', 'GINGER', 'DIAN', 'FRAN', 'INCE', 'T', 'UBE', 'KAVA KAVA', 'V', 'ME', 'OWSWE', 'G', 'OAK', 'VE', 'AY', 'ION', 'R', 'PEPPERMINT', 'ERB', 'RO', 'ON', 'ST JOHN'S', 'SE', 'THYME', 'TURMER', and 'VER'.

Home Healing with Nature's Medicines

Shamim Ahmed, 2013-12-17 Long before the advancement of science and the development of pharmaceutical products people relied on using natural things like leaves of trees shrubs and plants to cure the common ailments They also used nuts seeds and roots of many plants herbs and spices Even some fruits are used to treat certain conditions All these things are pure and natural with no harmful chemicals in them There are no side effects to worry about There is no harm in using these different things for common ailments before going to a physician If they help you Praise to Almighty God If these remedies will not help at least they will not harm you Most of the things are found either in your kitchen or at any supermarket Fruits are commonly available Some herbs and spices you might have to look for at Chinese stores or Indian supermarkets Not all fruits vegetables herbs and spices are covered in this book There is lot of information for the seeker on internet in libraries and book stores But if someone wants a quick reference for very common ailments and the edibles that are good to maintain one s health then this book will serve the purpose Now a day there s actual scientific research that backs up some of these home treatments Some of them ease tension forestall headaches and ease pain Some of them work wonders on minor problems Some of them are good to maintain good health and give you immediate results but some of them should be used for a longer period of time to take care of the problem Even more some of the herbs are approved by FDA as safe to use Try to save your trip to the physician Save your money and time I am not giving any diet plan to anyone It s all about keeping up with good health and before any ailment or disease becomes chronic try these home remedies They may be beneficial for your ailment These are not a 100 percent sure treatment But most of these remedies are tested by many people and they say they work
