

The background of the book cover is a Romantic-style landscape painting. It depicts a vast, green valley with rolling hills and a small town in the distance. In the foreground, a person is sitting on a large rock, looking out over the landscape. The sky is filled with soft, golden light, suggesting a sunrise or sunset. The overall mood is one of natural beauty and tranquility.

Nature, God and Humanity Richard L. Fern,2002-04-04 Nature God and Humanity clarifies the task of forming an ethics of nature thereby empowering readers to develop their own critical faith based ethics Calling on original thought provoking analyses and arguments Richard L Fern frames a philosophical ethics of nature assesses it scientifically finds support for it in traditional biblical theism and situates it culturally Though defending the moral value of beliefs affirming the radical Otherness of God and human uniqueness this book aims not to compel the adoption of any particular ethic but rather illumine the contribution diverse forms of inquiry make to an ethics of nature How does philosophy clarify moral conviction What does science tell us about nature Why does religious faith matter Rejecting the illusion of a single rationally compelling ethics Fern answers these questions in a way that fosters both agreement and disagreement allowing those holding conflicting ethics of nature to work together for the common good

Excerpt Under the influence of Ritschl and his Kantian relativism many of our teachers and preachers have swung off into a practical denial of Christ s deity and of his atonement We seem upon the verge of a second Unitarian defection that will break up churches and compel secessions in a worse manner than did that of Channing and Ware a century ago American Christianity recovered from that disaster only by vigorously asserting the authority of Christ and the inspiration of the Scriptures We need a new vision of the Savior like that which Paul saw on the way to Damascus and John saw on the isle of Patmos to convince us that Jesus is lifted above space and time that his existence antedated creation that he conducted the march of Hebrew history that he was born of a virgin suffered on the cross rose from the dead and now lives forevermore the Lord of the universe the only God with whom we have to do our Savior here and our Judge hereafter Without a revival of this faith our churches will become secularized mission enterprise will die out and the candlestick will be removed out of its place as it was with the seven churches of Asia and as it has been with the apostate churches of New England

Political Philosophy and the God of Abraham Thomas L. Pangle, 2007-07-25 In this book noted scholar Thomas L Pangle brings back a lost and crucial dimension of political theory the mutually illuminating

encounter between skeptically rationalist political philosophy and faith based political theology guided ultimately by the authority of the Bible Focusing on the chapters of Genesis in which the foundation of the Bible is laid Pangle provides an interpretive reading illuminated by the questions and concerns of the Socratic tradition and its medieval heirs in the Christian Jewish and Islamic worlds He brings into contrast the rival interpretive framework set by the biblical criticism of the modern rationalists Hobbes and Spinoza along with their heirs from Locke to Hegel The full meaning of these diverse philosophic responses to the Bible is clarified through a dialogue with hermeneutic discussions by leading political theologians in the Judaic Muslim and Christian traditions from Josephus and Augustine to our day Profound and subtle in its argument this book will be of interest not only to students and scholars of politics philosophy and religion but also to thoughtful readers in every walk of life who seek to deepen their understanding of the perplexing relationship between religious faith and philosophic reason James V Schall

God and Nature Curtis L. Thompson, Joyce M. Cuff, 2012-03-29 The current religion and science dialogue begs for greater clarity on the relation of God to nature In God and Nature two scholars who embrace contemporary insights from science and religion explore the complexities of this debate As the narrative unfolds classical and contemporary thinkers are engaged as discussion partners in articulating a philosophical theology of nature Conceptual pairs in which two concepts play off of each other provide the structure for each of the seven chapters with usually the first concept being more scientific in character and the second more religious in tone These pairs of concepts from chronology and creation to creativity and creator help to thematize and structure the progressing narrative Within each chapter the two concepts are first investigated independently then interdependently and finally in relation to the divine At the story's completion nature has emerged as alive with possibility that is as alluring as the actuality it evokes Envisioned is a divine Creator who works in and through the possibility of creation to lure it into fuller manifestations via creative transformation

The Complete Works of C. H. Spurgeon, Volume 5 Spurgeon, Charles H., 2015-02-23 Volume 5 Sermons 225 285 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought

and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon *Life: Its Nature, Varieties, and Phenomena.
