Smith, Jr.,2014-01-10 While the Monitor and Merrimack are the most famous of the Civil War ironclads the Confederacy had another ship in its flotilla that carried high hopes and a metal hull The makeshift CSS Arkansas completed by Lt Isaac Newton Brown and manned by a mixed crew of volunteers gave the South a surge of confidence when it launched in 1862 For 28 days of summer the ship engaged in five battles with Union warships falling victim in the end only to her own primitive engines The saga of the CSS Arkansas represents the last significant Rebel naval activity in the war s Western theater **The Children's Civil War** James Alan Marten,2000-10-01 The Children s Civil War is an exploration of childhood during our nation s greatest crisis James Marten describes how the war changed the literature and schoolbooks published for children how it affected children s relationships with absent fathers and brothers how the responsibilities forced on northern and especially southern youngsters shortened their childhoods and how the death and destruction that tore the country apart often cut down children as well as adults **The Lessons Of Modern War** Anthony H Cordesman,Abraham Wagner,2020-01-08 This volume the first in a series of three covers the lessons of the 1973 1989 Arab Israeli arms race and of the conflicts of 1973 and 1982 It draws on interviews with Arab and Israeli sources and reveals that if truth is the first casualty of war then history is the first casualty of peace **The Middle East, Abstracts and Index** ,1990

Government of Canada Publications, Quarterly Catalogue ,1979 *Australian National Bibliography* ,1978 *The USS Carondelet* Myron J. Smith, Jr.,2010-04-13 The USS Carondelet had a revolutionary ship design and was the most active

of all the Union s Civil War river ironclads From Fort Henry through the siege of Vicksburg and from the Red River campaign through the Battle of Nashville the gunboat was prominent in war legend and literature This history draws on the letters of Ensign Scott Dyer Jordan and Rear Adm Henry Walke s memoirs Western Strategic Interests in Saudi Arabia (RLE Saudi Arabia) Anthony Cordesman,2020-07-26 Saudi Arabia s strategic relations with the West involve clear and direct common strategic interests in the Gulf and in the Near East While they compete in terms of trade and oil prices they share a common commitment to private enterprise and to maintaining a stable balance of world trade Saudi Arabia often differs with given Western states in terms of specific strategic interests and tactics but these differences are rarely significant enough to prevent close cooperation Even the differences over the Arab Israeli peace issue are largely ones of timing and tactics Saudi Arabia must preserve friendly relations with Syria and is vulnerable to attacks by Arab radicals and Iran It has also differed with the US over the specific approach that should be taken to achieving an Arab Israeli peace settlement but it has consistently pushed for a peace settlement within the Arab world This book first published in 1987 analyses the interrelations between Western and Saudi strategic concerns and argues forcibly that pressure from the Israeli lobby within US domestic politics must not be allowed to interfere within the proper provisioning of the Saudi armed forces especially the air force
