*Naval Fast Strike Craft and Patrol Boats* Roy McLeavy, 1979      *Strike Craft* Antony Preston, 1982 Military Ships Patrol Boats      The Military Balance in the Middle East Anthony H. Cordesman, 2004-09-30 Noted Middle East military expert Anthony H Cordesman details the complex trends that come into play in determining the military balance in a region that has become so critical to world peace This ready resource provides a wealth of information on military expenditures and major arms systems as well as qualitative trends by country and by zone However as Cordesman stresses because the greater Middle East is more a matter of rhetoric than military reality mere data summarizing trends in 23 different countries is no substitute for a substantive explanation Using tables graphs and charts this study explores every aspect of the regional military balance with attention to sub regional balances internal civil conflicts and low level border tensions The Middle East is certainly one of the most militarized areas in the world and changes in technology access to weapons of mass destruction and political instability contribute to a situation that has long been in constant flux Some of the regional flashpoints covered in this study include the Maghreb North Africa the Arab Israeli conflict dominated by Israel versus Syria and the Gulf divided into those states that view Iran as the primary threat and those who lived in fear of Iraq Internal conflicts such as those in Mauritania Algeria Libya Egypt Sudan Bahrain Saudi Arabia Iraq and Yemen increasingly dominate regional tensions In addition border conflicts within the region and with neighboring countries could further aggravate the delicate balance

**After The Storm** Anthony H Cordesman, 2019-08-19 This comprehensive new analysis goes far beyond today s headlines and the basic facts and figures on the military forces in the region Tracing the origin of the military forces in each Middle East country Tony Cordesman discusses current security developments and provides a qualitative and quantitative analysis of the strength and effectiveness o      Naval Powers in the Indian Ocean and the Western Pacific Howard M. Hensel, Amit Gupta, 2018-05-11 A vital component of the interdependent global economy maritime transit routes are nowhere more critical than those traversing the Indian Ocean and the Western Pacific Previously areas of the Indian Ocean and Western Pacific have been viewed as separate and discrete political economic and military regions In recent years however a variety of economic political and military forces have created a new understanding of these maritime expanses as one zone of global interaction This book complements the material presented in its companion volume Maritime Security in the Indian Ocean and the Western Pacific by analysing the perceptions interests objectives maritime capabilities and policies of the major maritime powers operating in the Indian Ocean and the Western Pacific In addition the book also assesses the contemporary maritime challenges and opportunities that confront the global community within what is rapidly becoming recognised as an integrated zone of global interaction A valuable study for researchers and policymakers working in the fields of maritime security military security and peace studies conflict resolution and Asian affairs      **The Himalayan Face-Off** Shishir Gupta, 2014-04-15 Even if bilateral trade between India and China goes beyond 100 billion in the coming years China s

posture towards India is adversarial and will perhaps remain so in the future with Beijing viewing New Delhi through the prism of the Dalai Lama and the Tibetan government in exile A rising China inflexible on boundary dispute resolution and with strong tentacles across South Asia and beyond could encroach on India's strategic space and lead to a potential crisis this decade In April 2013 Indian troops sighted an advance patrol of the Chinese People's Liberation Army PLA 19 km deep within Indian territory a considerable distance from the Line of Actual Control the de facto border claim line that was drawn up after the 1962 war between the two countries a war that still traumatizes the mind of India's political and military establishment Protracted negotiations led to the withdrawal of Chinese troops but the incursion laid bare the intent of the world's largest standing army Despite recent advances in the bilateral relationship highlighted by the nearly 70 billion trade between the two countries China continues to regard Indian interests as secondary and India as a regional adversary In this breakthrough work seasoned journalist and author of the bestselling Indian Mujahideen Shishir Gupta details the various advances made by Beijing particularly the PLA in encircling India and stifling the latter's bid to break out as an aspiring superpower Gupta discusses Indian political diplomatic and military responses to China's assertion in the subcontinent and beyond and the various course corrections India must undergo in its foreign and defence policies to counter China's might and influence on matters of India's national security In describing how India must realize and counter China's clout over its friends and enemies if it is to achieve superpower status Gupta sheds new light on Indo China relations The Himalayan Face Off Chinese Assertion and the Indian Riposte is an important reminder of the realigned geopolitics of the modern world where the two most populous nations on the planet are essentially battling each other over their share of the global pie sometimes on the world's highest battlegrounds
