From world renowned author Erich Segal comes a powerful and moving saga of five extraordinary members of the Harvard class of 1958 and the women with whom their lives are intertwined Five lives five love stories Danny Rossi the musical prodigy risks it all for Harvard even a break with his domineering father Yet his real problems are too much fame too soon and too many women Ted Lambros spends his four years as a commuter an outsider He is obsessed by his desire to climb to the top of the Harvard academic ladder heedless of what it will cost him in personal terms Jason Gilbert the Golden Boy handsome charismatic a brilliant athlete learns at Harvard that he cannot ignore his Jewish background Only in tragedy will he find his true identity George Keller a refugee from Communist Hungary comes to Harvard with the barest knowledge of English But with ruthless determination he masters not only the language but the power structure of his new country Andrew Eliot is haunted by three centuries of Harvard ancestors who cast giant shadows on his confidence It is not until the sad and startling events of the reunion that he learns his value as a man Their explosive story begins in a time of innocence and spans a turbulent quarter century culminating in their dramatic twenty five year reunion at which they confront their classmates and the balance sheet of their own lives Always at the center amid the passion laughter and glory stands Harvard the symbol of who they are and who they will be They were a generation who made the rules then broke them whose glittering successes heartfelt tragedies and unbridled ambitions would stun the world Praise for *The Class* Erich Segal's best Pittsburgh Press First class entertainment Cosmopolitan An absorbing page turner Publishers Weekly A panoramic saga Philadelphia Inquirer **From**

Paradise to Hell - and Back Lou Lee James, 2012-04-23 Simons life doesn't start brilliantly with bombers flying low over the family farm in Italy and his father's belated homecoming after the ill fated Greek campaign Then there is the roachridden flat in war-torn Bologna and a thankless job turning out widgets on a lathe But a trip to England opens new horizons for Simon He discovers the wonders of the English language and the marvels of young women Alice is an Irish nurse working in London where Simon is a hospital orderly They meet and his life takes a big turn for the better Marriage and children follow and Simon's natural Italian charm plus Alice's easy vivacity creates success for him as an international salesman with business trips to Japan and China and a family holiday in America via the QE2 Then disaster strikes Who can look at a deadly disease no three life-threatening conditions and remain calm Simon's journey is indeed one from paradise to hell But his survival in this fascinating biography is a tribute to his inner strength and a reflective yet optimistic approach to the life he loves
