Navy Lark 6:

The Doctors Who's Who - The Story Behind Every Face of the Iconic Time Lord: Celebrating its 50th Year Craig Cabell, 2013-11-04 Doctor Who is the world's longest running science fiction television series and has had children hiding behind sofa's since it was first broadcast in 1963. Eleven actors have played the famous Time Lord starting with William Hartnell and it has been a career landmark for all of them. Indeed no other role in television history is as iconic, demanding or as anticipated by its legions of fans as that of the famous time traveller with two hearts. Find out Who was a bouncer for The Rolling Stones before taking control of the Tardis Who was nearly blown up in the Second World War aboard HMS Hood Who had a fondness for woolly hats and had a grandson who would become Harry Potter's nemesis Who played a transvestite barmaid before becoming a Doctor Who heart throb. Go back in time and read the human story behind a TV legend.

Remembering Ronnie Barker Richard Webber, 2010-10-07 Ronnie Barker was one of our most respected and best loved comedy actors and here in this fascinating biography Richard Webber delves deep in to the heart of Barker's life and career peppering his narrative with original and incisive memories from some of Barker's closest contemporaries including Ronnie Corbett, Michael Palin and Barry Cryer. Star of the much adored comedy classics Porridge, The Two Ronnies, one of the most successful and long running television comedy shows ever on British television and Open All Hours, Ronnie Barker was universally admired by the public and industry insiders alike. From his early days writing for and performing skits on The Frost Report right up to his retirement in 1988 he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting. Beyond his performances on the stage and screen, Barker was also an accomplished comedy writer providing many of the sketches and songs for The Two Ronnies and contributing material to a number of other television and radio shows. And despite his retirement he retained pole position in the public's affection returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a Two Ronnies night on BBC1 followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on The Two Ronnies Christmas Sketchbook. Effortlessly funny, universally adored and an actor and writer responsible for some of Britain's best loved and most respected comedy, Ronnie Barker was a true comedy legend. Here he's brought to the page in winning style as he's remembered by those who best loved and knew him.

David Jason: My Life David Jason, 2013-10-10 Winner of the National Book Awards Autobiography of the Year. The long awaited autobiography of one of Britain's best loved actors. As seen in David and Jay's Touring Toolshed on BBC Two. Born the son of a Billingsgate market porter at the height of the Second World War, David Jason spent his early life dodging bombs and bullies both with impish good timing. Giving up on an unloved career as an electrician, he turned his attention to acting and soon through a natural talent for making people laugh found himself working with the leading lights of British comedy in the 1960s and 70s. Eric Idle, Michael Palin, Bob Monkhouse and Ronnie Barker. Barker would become a mentor to David leading to hugely successful stints in Porridge and Open All

Hours It wasn't until 1981 kitted out with a sheepskin jacket a flat cap and a clapped out Reliant Regal that David found the part that would capture the nation's hearts the beloved Derek Del Boy Trotter in *Only Fools and Horses* Never a one trick pony he had an award winning spell as TV's favourite detective Jack Frost took a country jaunt as Pop Larkin in the *Darling Buds of May* and even voiced a crime fighting cartoon rodent in the much loved children's show *Danger Mouse* But life hasn't all been so easy from missing out on a key role in *Dad's Army* to nearly drowning in a freak diving accident David has had his fair share of ups and downs and has lost some of his nearest and dearest along the way David's is a touching funny and warm hearted story which charts the course of his incredible five decades at the top of the entertainment business He's been a shopkeeper and a detective inspector a crime fighter and a market trader and he ain't finished yet As Del Boy would say it's all cushty

The Pianomaker, 1959 **The Twelve Dels of Christmas** David Jason, 2022-10-13 What a brilliant Christmas gift Chris Moyles Like sitting down by the fire with Sir David and hearing your stories Full of surprises Lorraine Kelly Think of this memoir as a Christmas special in book form from someone who has been involved in a few of those and understands a bit about the concept But a Christmas special very much like *Only Fools and Horses* in the sense that the stories will be always heading outwards ranging far and wide and well beyond the traditional festive gags involving giblets left in turkeys As I sift through various festive related episodes in my career loosening the ribbons parting the wrapping paper I'll be doing my best to reach any relevant conclusions about life work and the meaning of it all that I can

production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre s characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre s revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen s Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality
