Nazi Eyes On Canada

David S. Siegel, Susan Siegel

Nazi Eyes On Canada:

Information Theory , The Politics of Othering in the United States and Canada Allan Laine

Kagedan,2020-09-01 This book analyses the politics of othering in the USA and Canada from the nineteenth century to the present day It outlines the basis in human behaviour for disliking the unlike which can take the form of ethnocentrism racism and xenophobia and shows how politicians take advantage of this human tendency Seven case studies explore the use of political othering towards minority groups Indigenous peoples Jews Japanese those with left wing views LGBTQ individuals Blacks and Muslims The book argues that prior to World War II and with the significant exception of Blacks the politics of othering was stronger in Canada than in the USA After World War II the situation reversed and the politics of othering was practiced more in the USA than in Canada Lastly the book explains how public policy and international issues prompted this change discusses future trends in political othering and offers ideas for promoting inclusion over othering **To Look a**

Nazi in the Eye Kathy Kacer,2017-09-12 The true story of nineteen year old Jordana Lebowitz s time at the trial of Oskar Groening known as the bookkeeper of Auschwitz a man charged with being complicit in the deaths of more than 300 000 Jews A granddaughter of Holocaust survivors Jordana was still not prepared for what she would see and hear Listening to Groening s testimony and to the Holocaust survivors who came to testify against him Jordana felt the weight of being witness to history a history that we need to remember now more than ever *Come from Away* Genevieve Graham,2022-12-20 In

the fall of 1939 Grace Baker watches her three brothers board Canadian ships headed for a faraway war Grace stays on the home front doing her part and tending the general store that keeps her small Nova Scotian community running Everyone says the conflict will be over soon Three years later the fighting rages on and the harsh realities of war hit close to home Telegrams and casualty lists bring devastating news while rumors swirl about wolf packs of German U boats lurking in the deep waters along the shore Then one day a handsome stranger ventures into Grace s store claiming to be a trapper come from away and as the weeks go by she finds herself looking forward to seeing his gentle smile But Rude her mysterious visitor is not the lonely outsider he appears to be When the truth comes to light Grace is forced to question everything she has believed about the enemy her brothers are battling overseas and the difference between doing one s duty and doing what is right And if Grace is to have a chance at love she must not only choose a side but take a stand Back cover **Family Ties:**

How a Ukrainian Nazi and a living witness link Canada to Ukraine today PETER MCFARLANE,2024-09-16 The standing ovation accorded in 2023 to a Second World War Ukrainian Nazi unit veteran in Canada s House of Commons shocked Canadians and the world Author Peter McFarlane was not surprised He had already spent three years learning about two people Mikael Chomiak and Ann Charney whose parallel lives during and after that war highlight the complex and disturbing story of Ukraine and Canada s post war Ukrainian Canadian community Ann Charney was two years old when she and her Jewish mother evaded their certain death by hiding out in a hayloft in the Ukrainian countryside Ann spent two long

years in that attic She and her mother survived the war and ultimately made their way to Montreal There Ann has had a brilliant career as a novelist and journalist Mikael Chomiak spent the war working for the German SS as the editor of an influential Ukrainian newspaper celebrating Hitler and promoting antisemitism He and his family were easily accepted as postwar immigrants to Canada settling in Alberta There he continued his work as a writer and editor avoiding public expressions of his antisemitic views or his wartime record In this book Peter McFarlane tells the stories of these two during the war and afterwards He brings their stories up to date through research in Ukraine today When he visits Chomiak's relatives in Ukraine he finds the themes of ethnic hatred and antisemitism strongly in play today in public support for the war with Russia Canadian descendants of pro Nazi Ukrainians often do not acknowledge this connection of past to present Mikael Chomiak's granddaughter Chrystia Freeland has a lead role in government as a senior federal cabinet minister Like many others she remains in denial about her grandfather's role promoting the Nazis policies and the Holocaust in Ukraine Visiting Ann Charney's home town of Brody Peter McFarlane finds that the local history museum celebrating Ukrainian Nazi soldiers while saying nothing about their Holocaust role executing the town's 10 000 Jewish residents including all of Ann's family and relatives This book provides context and background for understanding the complex dynamics behind the war between Ukraine and Russia and Canada's role in that conflict

Commodore's Barge is Alongside Max Braithwaite, 2012-07-10 Max is back After a Lusty Winter in Ontario Canada's hearty humorist returns to the prairies with a naval spoof that's awash with nautical nonsense The time is early in the Second World War the setting is Wabagoon Saskatchewan and the ship is a converted garage christened hmcs Porpoise and used for the training of local navy recruits And when the Porpoise weighs anchor in the Canadian dustbowl the navy insists that sand is water windows are portholes and floors are decks In the midst of it all and very much at sea is Robin Evelyn Francis Diespecker familiarly known as Dink A young brash impetuous boy eager for adventure Dink joins the war to get away from home and the Great Depression But the war as embodied on board the Porpoise gives him both more and less than he bargained for as one misadventure follows another The people he meets and the exploits he survives both ashore and on board are rendered with the master touch of Max Braithwaite whose wry humorous vision keeps a salvo of satire and comic escapades right on target all the way through A riotous romp with a poignant edge Braithwaite's newest novel makes a mockery of war and finds fathoms of fun in human foibles

The World in a City Paul Anisef, C. Michael Lanphier, 2003-01-01 Toronto is perhaps the most multicultural city in the world The process of settlement and integration in modern day Toronto is however more difficult for recent immigrants than it was for those newcomers arriving in previous decades Many challenges face newly settled immigrants top among them access to healthcare education employment housing and other economic and community services The concept of social exclusion opens up promising ways to analyze the various challenges facing newcomers and *The World in a City* explores Toronto's ability to sustain a civic society This collection of essays highlights why the need to pay more attention to certain at risk groups and

the importance of adapting policy to fit the changing settlement and clustering patterns of newcomers is of crucial importance. The authors' findings demonstrate that there are many obstacles to providing opportunity for immigrants. Low resource bases in particular Toronto they suggest does not provide a level playing field for its newly arrived inhabitants and in failing to recognize the particular needs of new communities fails to ensure a growth that would be of immense benefit to the city as a whole.

Colombo's Canadian References John Robert Colombo, 1976. This book aims to introduce many people to places and things of Canadian interest that are likely to be encountered by the average person reading or in conversation. Canadian Radio Yearbook, 1947. Includes section Who's who in Canadian radio.

Canada Among Nations 2023: Twenty-First Century National Security Norman Hillmer, Philippe Lagassé, Vincent Rigby, 2024-12-21. Canada Among Nations has been published by faculty from Carleton University's Norman Paterson School of International Affairs for several decades. This year's edition focuses on national security in the 21st Century. Bringing together emerging and senior scholars and serving and recently retired practitioners, the volume examines great power competition, the Indo-Pacific, Canada's alliances, the Canada-United States relationship, national defence and intelligence. The book further explores broader national security concerns including Arctic security, natural disasters and emergencies, pandemics and public health, right wing violent extremism, hostile activities of state actors, cyber security, migration and organized crime.

Radio and the Jews David S. Siegel, Susan Siegel, 2007. From stereotypes to role models, the first comprehensive look at how Jews were portrayed on radio from the 1920s to the 1950s. Examines over 100 programs and characters including comedy, drama, soap opera, religious programs and World War II programs. Includes an audio CD with samples of many programs broadcast more than 60 years ago.

Canada - The New Nation , Wall Street, the Nazis, and the Crimes of the Deep State David Hughes, 2024-06-04. The transnationally coordinated response to Covid-19 witnessed numerous developments reminiscent of the prewar years of the Third Reich, including the suspension of constitutional rights and freedoms, the rollout of draconian legislation, an attempted revolution from above, the Great Reset, the censorship of dissent, health surveillance, euthanasia, eugenics, the corruption of science by politics and the hijacking of conscience. The list goes on. Never again was the rallying cry after 1945, yet never again is now. Global. How did we get here? *Wall Street, the Nazis, and the Crimes of the Deep State* explores the role of Wall Street in promoting the rise of Hitler, funding the Nazi war machine, recruiting and rehabilitating ex-Nazis and creating a transnational

deep state inspired by Nazi methods Wall Street has long preferred totalitarianism as the regime type most effective in crushing working class resistance and as capitalism once more enters a period of acute crisis the aim is to replace liberal democracy with global technocracy a novel biodigital form of totalitarianism whose potential for social control exceeds anything imaginable by Hitler or Stalin Wall Street the Nazis and the Crimes of the Deep State illustrates how totalitarianism does not spring into existence fully formed In the case of Nazi Germany the descent into barbarism took place gradually over many years Today the warning signs from history are flashing red Unless the global technocratic coup being attempted is put down we can expect the centralization of power in a New World Order the return of slavery the privatization of the global commons and the transformation of society into a biodigital camp bringing an end to the rule of law and normalizing the use of eugenics and a systematic mass murder of dissidents

Standing Naked in the Wings Lynda Mason Green, Tedde Moore, 1997 This collection brings together first hand stories from Canada's acting community Funny shocking embarrassing and poignant these are the stories actors tell each other providing an intimate glimpse into the world behind the camera and beyond the footlights Arranged thematically it starts with a chapter that focuses on early acting experiences ranging from William Shatner's first stage appearance and the evolution of Martin Short's Ed Grimley character to Wayne and Schuster's initial meeting with Ed Sullivan

Mapping Canada's Music Helmut Kallmann, 2013-05-25 Mapping Canada's Music is a selection of writings by the late Canadian music librarian and historian Helmut Kallmann 1922-2012 Most of the essays deal with aspects of Canadian music but some are also autobiographical including one written during retirement in which Kallmann recalls growing up in a middle class Jewish family in 1930s Berlin under the spectre of Nazism Of the seventeen selected writings by Kallmann five have never before been published many of the others are from difficult to locate sources They include critical and research essays reports reflections and memoirs Each chapter is prefaced with an introduction by the editors Two initial chapters offer a biography of Kallmann and an assessment of his contributions to Canadian music The variety breadth and scope of these writings confirm Kallmann's pioneering role in Canadian music research and the importance of his legacy to the cultural life of his adopted country In the current climate of cuts to archival collections and services the publication of these essays by and about a pre eminent collector and historian serves as a timely reminder of the importance of cultural memory

U-Boats Against Canada Michael L. Hadley, 1990-07 The U boats constituted a serious threat to North American security and a major challenge to coastal and convoy defence Hadley reveals the military and political impact on Canada of in shore submarine warfare and vibrantly documents the successful German strategy of deploying daring long range solo sorties to pin down the enemy close to home

Canada's Enemies Graeme Stewart Mount, 1993-01-11 From German conspiracies along Ontario's borders to monitoring mail between Canadian communists and Moscow an exploration of newly declassified documents

Powell and Pressburger's War Greg M. Colón Semenza, Garrett A. Sullivan Jr., 2023-09-07 A focused study on Michael Powell and Emeric Pressburger's cinematic

contributions to the war effort arguing for the centrality of propaganda to their work as film artists Michael Powell and Emeric Pressburger are widely hailed as two of the greatest filmmakers in British cinema history The release of their first movie *The Spy in Black* barely preceded the beginning of World War Two and a number of their early masterworks including *The Life and Death of Colonel Blimp* *A Canterbury Tale* and *A Matter of Life and Death* were produced in the service of the war effort Through exploring the relationship between art and propaganda this book shows that Powell and Pressburger saw no contradiction between their aesthetic ambitions and their cinematic war work propaganda imperatives were highly conducive to their objectives as both commercial cinema practitioners and artists Drawing on production materials from the archives of the British Film Institute this book charts three phases in Powell and Pressburger's wartime career from first time collaborators who strive to reconcile popular cinematic forms with developing notions of what constitutes effective propaganda to accomplished and sometimes controversial propagandists whose movies center upon Britain's relations with its enemies and allies to filmmakers whose responsiveness to the propaganda requirements of the late war is matched by a focus shared by the Ministry of Information on what the post war future would bring

Shakedown Ezra Levant, 2009-05-08 Winner of the Writer's Trust of Canada Samara's Best Canadian Political Book of the Last 25 Years Part memoir part investigative journalism this is a shocking and controversial look at the corruption of Canada's human rights commissions On January 11 2008 I was summoned to a 90 minute government interrogation My crime As the publisher of *Western Standard* magazine I had reprinted the Danish cartoons of Mohammed to illustrate a news story I was charged with the offence of discrimination and made to appear before Alberta's human rights commission for questioning As crazy as it sounds I became the only person in the world to face legal sanction for printing those cartoons As a result of this highly publicized event Ezra Levant began investigating other instances in which innocent people have had their freedoms compromised by bureaucrats presuming to protect Canadians human rights He discovered some disturbing and even bizarre cases such as the tribunal ruling that an employee at a McDonald's restaurant in Vancouver did not have to wash her hands at work And the human rights complaint filed by a Calgary hair stylist against the women at a salon school who called him a loser In another case that seemed stranger than fiction an emotionally unstable transvestite fought for and won the right to counsel female rape victims despite the anguished pleas of those same traumatized victims Human rights commissions now monitor political opinions fine people for expressing politically incorrect viewpoints censor websites and even ban people permanently from saying certain things The book is a result of Levant's ordeal and the research it inspired It shows how our concept of human rights has morphed into something dangerous and drastically different from its original meaning *Shakedown* is a convincing plea to Canadians to reclaim their basic liberties

[100 Canadian Heroines](#) Merna Forster, 2004-11-01 *100 Canadian Heroines* profiles some remarkable women from the adventurous Gudridur the Viking to murdered Mi kmaq activist Anna Mae Aquash You'll meet heroines in science sport preaching and teaching politics war and peace arts and entertainment etc

The book is full of amazing facts and fascinating trivia about intriguing figures like mountaineer Phyllis Munday activist Hide Shimizu Arctic guide Tookoolito unionist Lea Roback sexy movie mogul Mary Pickford and singer Portia White Great quotes and photos are featured in this inspiring collection As we celebrate the 75th Anniversary of the Persons Case on October 18 2004 discover some of the many heroines Canada can be proud of Find out how we re remembering them Or not
