The Neal Pollack Anthology of American Literature Neal Pollack,2002-03-05 Neal Pollack has been the Greatest Living American Writer across six decades seven continents and ten wives He has won the Pulitzer Prize the Booker Prize the PEN Faulkner Award twice and the Premio Simon Bolivar for contributions to the people s struggle in Latin America In 1985 Pollack s writing was declared beyond our meager standards by the Swedish Academy With the publication of *The Neal Pollack Anthology of American Literature* the definitive collection of his work in English a new generation of readers is set to discover nothing less than the ultimate meaning of human existence on earth This astonishing work of fictitious nonfiction the funniest and most creatively styled postmodernist confection of its time has been universally praised as the best book ever written except for maybe *Don Quixote* and *The Shipping News* The Anthology now expanded updated and thoroughly repaginated answers once and for all the question that has plagued American society in general and literary critics in particular since Neal Pollack was born Who is Neal Pollack At last we know *The Neal Pollack Anthology of American Literature* Neal Pollack,2006-09-01

Understanding David Foster Wallace Marshall Boswell,2020-09-30 Since its publication in 2003 *Understanding David Foster Wallace* has served as an accessible introduction to the rich array of themes and formal innovations that have made Wallace s fiction so popular and influential A seminal text in the burgeoning field of David Foster Wallace studies the original edition of *Understanding David Foster Wallace* was nevertheless incomplete as it addressed only his first four works of fiction namely the novels *The Broom of the System* and *Infinite Jest* and the story collections *Girl with Curious Hair* and *Brief Interviews with Hideous Men* This revised edition adds two new chapters covering his final story collection *Oblivion* and his posthumous novel *The Pale King* Tracing Wallace s relationship to modernism and postmodernism this volume provides close readings of all his major works of fiction Although critics sometimes label Wallace a postmodern writer Boswell argues that he should be regarded as the nervous leader of some still unnamed and perhaps unnamable third wave of modernism In charting a new direction for literary practice Wallace does not seek to overturn postmodernism nor does he call for a return to modernism Rather his work moves resolutely forward while hoisting the baggage of modernism and postmodernism heavily but respectfully on its back Like the books that serve as its primary subject Boswell s study directly confronts such arcane issues as postmodernism information theory semiotics the philosophy of Ludwig Wittgenstein and poststructuralism yet it does so in a way that is comprehensible to a wide and general readership the very same readership that has enthusiastically embraced Wallace s challenging yet entertaining and redemptive fiction
