October Ten Days That Shook The World:

October ,2015 October Ten Days That Shook the World is a 1927 Soviet silent propaganda film by Sergei Eisenstein and Grigori Aleksandrov sometimes referred to as October It is a film epic about the 1917 October Revolution and Revolution in Petrograd The title is taken from John Reed s book on the Revolution Ten Days That Shook The World The film was commissioned by the Presidium of the Central Executive Committee of the USSR to commemorate the 10th anniversary of the October Revolution Its premiere took place at the Bolshoi Theatre on November 7 1927 *Approaching Recent World History Through Film* Scott C.M. Bailey,2021-05-06 Approaching Recent World History Through Film Context Analysis and Research explores the relationships between twentieth century world history and film by providing analysis of a diverse range of films organized by global history topics including war and conflict decolonization political economy and long distance travel This insightful text describes how to analyze films as original historical sources and how to carry out research projects using films The text provides guidance on the types of world history films their conventions and how to analyze the historical arguments in movies Scott C M Bailey incorporates in depth discussions of the historical content and context of a wide range of international films connected with important twentieth century global history topics The book also offers many prompts for discussion historical timelines and suggestions for further reading and viewing as well as instructions on how to construct research papers and projects which employ the use of films as historical sources This book will be of interest to students in world history and film history courses Esfir Shub Ilana Shub Sharp,2021-12-30 Esfir Shub was the only prominent female director of nonfiction film present at the dawning of the Soviet film industry She was in fact the first woman both to write critical texts on cinema and then practically apply these theorisations in her own films As such her syncretism of cinema theory and praxis inspired her to ask questions regarding both the nature of nonfiction film such as the problem of authenticity and reality and the function of the artist in society issues which are still relevant in contemporary discussions about the documentary Accordingly this book demonstrates Shub s position not only as a significant filmmaker and recognised member of the early Soviet avant garde but also as a key figure in global cinema history Shub deserves recognition both as the founder and ardent promoter of the compilation film genre and as a pioneer of the theory and practice of documentary filmmaking *Experimental Film and Anthropology* Arnd Schneider,Caterina Pasqualino,2014-06-19 Experimental Film and Anthropology urges a new dialogue between two seemingly separate fields The book explores the practical and theoretical challenges arising from experimental film for anthropology and vice versa through a number of contact zones trance emotions and the senses materiality and time non narrative content and montage Experimental film and cinema are understood in this book as broad inclusive categories covering many technical formats and historical traditions to investigate the potential for new common practices An international range of renowned anthropologists film scholars and experimental film makers engage in vibrant discussion and offer important new insights for

all students and scholars involved in producing their own films This is indispensable reading for students and scholars in a range of disciplines including anthropology visual anthropology visual culture and film and media studies *Migrating Modernist Performance* Claire Warden,2016-10-13 Exploring the experiences of early to mid twentieth century British theatre makers in Russia this book imagines how these travellers interpreted Russian realism symbolism constructivism agitprop pageantry dance or cinema With some searching for an alternative to the corporate West End some for experimental techniques and others still for methods that might politically inspire their audiences did these journeys make any differences to their practice And how did distinctly Russian techniques affect British theatre history *Migrating Modernist Performance* seeks to answer these questions reimagining the experiences and creative output of a range of often under researched practitioners What emerges is a dynamic collection of performances that bridge geographical aesthetic chronological and political divides *Movies on Our Minds* James E. Cutting,2021-08-10 This book traces the development of popular cinema from its inception to the present day to understand why humankind has expanded its viewing of popular movies over the last century Drawing from his extensive work as a psychologist studying artistic canons James E Cutting presents hundreds of films across a wide range of genres and eras considers the structure of frame content shots scenes and larger narrational elements defined by color brightness motion clutter and range of other variables He examines the effects of camera lenses image layout transitions and historical functions to classify different kinds of shots He explains the arcs of scenes the larger structure of sequences and the scene and sequence like units that have become increasingly prevalent in recent years The book then breaks movies into larger roughly half hour parts and espouses the psychological evidence behind each device s intended effect ultimately exploring the rhythms of whole movies the flow of physical changes and the cinematic polyrhythms that have come to match aspects those in the human body Along the way the book considers cultural and technological evolutions that have contributed to shifts in viewers engagement by sustaining attention promoting understanding of the narrative heightening emotional commitment and fostering felt presence in the story *Movies on Our Minds* asks critical questions about how our emotional processes and the way our experiences of movies have changed over the course of cinematic history for a cutting edge look at what makes popular movies enjoyable *Encyclopedia of the Documentary Film 3-Volume Set* Ian Aitken,2013-10-18 The *Encyclopedia of the Documentary Film* is a fully international reference work on the history of the documentary film from the Lumi re brothers *Workers Leaving the Lumi re Factory* 1885 to Michael Moore s *Fahrenheit 911* 2004 This Encyclopedia provides a resource that critically analyzes that history in all its aspects Not only does this Encyclopedia examine individual films and the careers of individual film makers it also provides overview articles of national and regional documentary film history It explains concepts and themes in the study of documentary film the techniques used in making films and the institutions that support their production appreciation and preservation

Changing Russia? Kari Ketola,Timo Vihavainen, Imperial Russia collapsed in 1917 and from its ruins rose the Soviet Union Now yet another empire is in the making Changing Russia concisely describes more than one thousand years of history that have shaped the Russia of today History has shown that people in the West generally lack knowledge and understanding of Russia After the dissolution of the Soviet Union almost 25 years ago the illusion of Russia changing into a Western democracy encouraged peaceful cooperation between Russia and the West Russia s civil society liberalism and democracy however have yet to resemble those of the West What Russia wants to do and what it is able to do are imperative questions The authors maintain that to understand Russia including Russian ways of thinking and business practises one needs to

become acquainted with its history and cultural heritage Significant Russian authors and literary quotes are therefore presented throughout this book to provide these insights Uniquely Russian and Soviet advertising is also described to paint a picture of everyday life the power of propaganda and the perspectives that set it apart from Western capitalist thinking

Characters in Film and Other Media Jens Eder, 2025-07-29 Characters are central to the creation and experience of films and other media Their cultural significance is profound but they also raise a wide range of questions This book provides a comprehensive theory that guides the analysis and interpretation of characters across four dimensions as represented beings with physical psychological and social characteristics as artefacts with aesthetic structures as meaningful symbols and as symptoms of socio cultural origins and effects Integrating insights from film media and literary studies as well as philosophy psychology and sociology the book offers a broad range of approaches for understanding characters and the emotional responses they evoke Richly illustrated and offering practical tools along with case studies of numerous characters from different genres of films this book will be invaluable to scholars and students of film and media studies and related disciplines as well as artistic practitioners *October ; And, Alexander Nevsky* Sergei Eisenstein, 1984 **Theatre Arts Monthly** , 1929 **Theatre Arts Magazine** , 1928 **You Don't Know What You Think You "Know" About... The Communist Revolution and the REAL Path to Emancipation: Its History and Our Future** Raymond Lotta, 2014-03-21 This book takes on and refutes the conventional wisdom that communist revolution has been a disaster and nightmare In a wide ranging provocative and richly detailed interview Raymond Lotta a political economist and expert in the history of communism guides the reader through the first wave of socialist revolutions the Paris Commune of 1871 the Bolshevik Revolution of 1917 56 and the Chinese revolution of 1949 76 This is the real history and a penetrating analysis of what these revolutions and their leadership actually set out to do the liberating economic social and cultural transformations brought about and the shortcomings as well How did the lives of women radically change How did revolution attack the oppression of minority nationalities This book will show you It also sails straight into the face of controversy It addresses the important historical role of Stalin the slanders directed at the Great Leap Forward and Mao s Cultural Revolution in China and the wrong ways that people in U S society have been trained to think about society the world and revolution Lotta examines why these revolutions ultimately met defeat But he also explains why it is possible drawing the right lessons to go further and do better in a new stage of revolution In this he introduces the reader to Bob Avakian s new synthesis of communism At once rigorous and accessible the book is an unparalleled resource The world cries out for fundamental change yet people are told there is no alternative Raymond Lotta makes the case that the whole history of communism thus far shows that the world does not have to be this way *Queer Imaginings* David A. Gerstner, 2023-03-21 Discovering the queer auteur and their seductive cinematic delights and possibilities How do we identify the queer auteur and their queer imaginings Is it possible to account for such a figure when the very terms queer and auteur invoke aesthetic surprises and disorientations

disconcerting ironies and paradoxes and biographical deceits and ambiguities In eighteen eloquent chapters David A Gerstner traces a history of ideas that spotlight an ever shifting terrain associated with auteur theory and in particular queer auteur theory Engaging with the likes of Oscar Wilde Walter Benjamin James Baldwin Jean Louis Baudry Linda Nochlin Jane Gallop C el Keegan Luce Irigaray and other prominent critical thinkers Gerstner contemplates how the queer auteur in film theory might open us to the work of desire Queer Imaginings argues for a queer auteur in which critical theory is reenabled to reconceptualize the auteur in relation to race gender sexuality and desire Gerstner succinctly defines the contours of a history and the ongoing discussions that situate queer and auteur theories in film studies Ultimately Queer Imaginings is a journey in shared pleasures in which writing for and about cinema makes way for unanticipated cinematic friendships

Film Study Frank Manchel, 1990 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities *Aunt Lee's Library* Lee Lacy, 2012-05-25 This is basically what our English teachers called an annotated bibliography morphed into grandeur as curated e content for the digital age I obsessively cross checked Best Books Ever lists with public domain e books obtained reprint permission from wonderful online book reviewers and inserted a link to my meta search engine that searches the best of the free e book sites and this e book is the result Think of a browsing in a bookstore coffee house where friendly literate folk have gathered to argue the merits of great books and then they just give them to you armfuls of great free books [Beyond the Revolution in Russia: Narratives - Concepts - Spaces](#) Jaromír Mrňka, 2021-09-01 The book sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917 To mark the centennial of the Russian Revolution an international team of both junior and experienced scholars from Austria Belarus Brazil the Czech Republic France Israel Poland Russia and Slovakia brought together contributions from the surprisingly broad interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture
