  The Bippolo Seed and Other Lost Stories Dr. Seuss,2013-10-22 What s better than a lost treasure Seven lost treasures These rarely seen Dr Seuss stories were published in magazines in the early 1950s and are finally available in book form They include The Bippolo Seed in which a scheming feline leads a duck toward a bad decision The Rabbit the Bear and the Zinniga Zanniga about a rabbit who is saved from a bear by a single eyelash Gustav the Goldfish an early rhymed version of the Beginner Book A Fish Out of Water Tadd and Todd about a twin who is striving to be an individual Steak for Supper in which fantastic creatures follow a boy home in anticipation of a steak dinner The Strange Shirt Spot the inspiration for the bathtub ring scene in The Cat in the Hat Comes Back and The Great Henry McBride about a boy whose far flung career fantasies are bested only by those of Dr Seuss himself An introduction by Seuss scholar Charles D Cohen traces the history of the stories which demonstrate an intentional move toward the writing style we now associate with Dr Seuss Cohen also explores the themes that recur in well known Seuss stories like the importance of the imagination or the perils of greed With a color palette enhanced beyond the limitations of the original magazines this is a collection that no Seuss fan whether scholar or second grader will want to miss   Social Order/Mental Disorder Andrew Scull,2018-09-24 Social Order Mental Disorder represents a provocative and exciting exploration of social response to madness in England and the United States from the eighteenth through the twentieth centuries Scull who is well known for his previous work in this area examines a range of issues including the changing social meanings of madness the emergence and consolidation of the psychiatric profession the often troubled relationship between psychiatry and the law the linkages between sex and madness and the constitution character and collapse of the asylum as our standard response to the problems posed by mental disorder This

book is emphatically not part of the venerable tradition of hagiography that has celebrated psychiatric history as a long struggle in which the steady application of rational scientific principles has produced irregular but unmistakable evidence of progress toward humane treatments for the mentally ill In fact Scull contends that traditional mental hospitals for much of their existence resembled cemeteries for the still breathing medical hubris having at times served to license dangerous mutilating even life threatening experiments on the dead souls confined therein He argues that only the sociologically blind would deny that psychiatrists are deeply involved in the definition and identification of what constitutes madness in our world hence claims that mental illness is a purely naturalistic category somehow devoid of contamination by the social are taken to be patently absurd Scull points out however that the commitment to examine psychiatry and its ministrations with a critical eye by no means entails the romantic idea that the problems it deals with are purely the invention of the professional mind or the Manichean notion that all psychiatric interventions are malevolent and ill conceived It is the task of unromantic criticism that is attempted in this book **The Bippolo Seed and Other Lost Stories: Read & Listen Edition** Dr. Seuss,2013-10-22 What s better than a lost treasure Seven lost treasures These rarely seen Dr Seuss stories were published in magazines in the early 1950s and are finally available in book form They include The Bippolo Seed in which a scheming feline leads a duck toward a bad decision The Rabbit the Bear and the Zinniga Zanniga about a rabbit who is saved from a bear by a single eyelash Gustav the Goldfish an early rhymed version of the Beginner Book A Fish Out of Water Tadd and Todd about a twin who is striving to be an individual Steak for Supper in which fantastic creatures follow a boy home in anticipation of a steak dinner The Strange Shirt Spot the inspiration for the bathtub ring scene in The Cat in the Hat Comes Back and The Great Henry McBride about a boy whose far flung career fantasies are bested only by those of Dr Seuss himself An introduction by Seuss scholar Charles D Cohen traces the history of the stories which demonstrate an intentional move toward the writing style we now associate with Dr Seuss Cohen also explores the themes that recur in well known Seuss stories like the importance of the imagination or the perils of greed With a color palette enhanced beyond the limitations of the original magazines this is a collection that no Seuss fan whether scholar or second grader will want to miss This Read Listen edition contains audio narration **Cryptozoology** ,1992 **J-Reading n. 1-2013** ,2013 *Leonardo the Florentine* Rachel Annand Taylor,1927 Routledge Library Editions: Psychiatry Various,2021-07-28 Psychiatry is a medical field concerned with the diagnosis treatment and prevention of mental health conditions Routledge Library Editions Psychiatry 24 Volume set brings together titles originally published between 1958 and 1997 The set demonstrates the varied nature of mental health and how we as a society deal with it Covering a number of areas including child and adolescent psychiatry alternatives to psychiatry the history of mental health and psychiatric epidemiology **Book Arts Collections** Edward Ripley-Duggan,1988 In response to the present day revival of interest in fine printing and binding this unique volume highlights several of North America s special collections focusing on various aspects of the history and art of the book
