The Strange Career of Jim Crow The late C. Vann Woodward, 2001-11-29 C. Vann Woodward who died in 1999 at the age of 91 was America's most eminent Southern historian the winner of a Pulitzer Prize for *Mary Chestnut's Civil War* and a Bancroft Prize for *The Origins*

of the New South Now to honor his long and truly distinguished career Oxford is pleased to publish this special commemorative edition of Woodward's most influential work *The Strange Career of Jim Crow*. *The Strange Career of Jim Crow* is one of the great works of Southern history. Indeed, the book actually helped shape that history. Published in 1955, a year after the Supreme Court in *Brown v. Board of Education* ordered schools desegregated, *Strange Career* was cited so often to counter arguments for segregation that Martin Luther King Jr. called it the historical Bible of the civil rights movement. The book offers a clear and illuminating analysis of the history of Jim Crow laws, presenting evidence that segregation in the South dated only to the 1890s. Woodward convincingly shows that even under slavery the two races had not been divided as they were under the Jim Crow laws of the 1890s. In fact, during Reconstruction there was considerable economic and political mixing of the races. The segregating of the races was a relative newcomer to the region. Hailed as one of the top 100 nonfiction works of the twentieth century, *The Strange Career of Jim Crow* has sold almost a million copies and remains, in the words of David Herbert Donald, a landmark in the history of American race relations. *The Billboard*, 1929

The Devil's Birthday Geoffrey Powell, 2009-04-03 A WWII veteran combines firsthand immediacy with perceptive analysis in this vividly detailed history of the Battle of Arnhem. The Allied effort to liberate the Netherlands faced a brutal setback at the Battle of Arnhem, where the men of the 1st British Airborne Division showed unsurpassed valor in the face of overwhelming opposition. The dramatic defeat immortalized in the famous film *A Bridge Too Far* is recounted here by Major Geoffrey Powell, who commanded C Company of the 156th Battalion and who valorously led the entire battalion through and out of the onslaught. In *The Devil's Birthday*, Powell draws on his own experience of the fighting while offering a deeply researched assessment of the operation and its execution. Casualties during the battle were appalling. The brave and enduring Dutch people suffered catastrophically while German morale was strengthened at a time of otherwise ebbing fortunes. But the hard lessons of Arnhem will not be forgotten. **The First Date Prophecy** Kate Tamberelli, Danny

Tamberelli, 2023-06-27 A joyous nostalgic rom-com romp in which the authors' love for each other dazzles through Emily Wibberley and Austin Siegemund Broka's authors of *The Roughest Draft*, *Readers of Christina Lauren*, and *Emily Henry* will adore this new read from the 90s Nickelodeon star of *All That* and *The Adventures of Pete and Pete* as he teams up with his real-life wife for an entertaining, big-hearted and truly laugh-out-loud debut rom-com set in Brooklyn, steeped in 90s nostalgia and inspired by their very own love story. Brooklyn-based aspiring writer Lucy Munninger has no trouble putting the comedy in her rom-coms. It's the romance part of the equation that's the problem. But even as the rejection slips pile up and her second dates dwindle, Lucy refuses to give up hope on her *HeartThrobs* dating profile. Former child star Rudy Riziero made his mark on some of the most popular kids' shows of the 90s. But that early success has pigeonholed him into a stand-up routine riffing on his past work while the slick single life he envisioned was clearly a fantasy. He's actually ready for a relationship if he could just find someone uninterested in who he used to be. When Lucy and Rudy match online, they're eager

to meet But after their first date ends in a psychic s prophecy that is equal parts great fortune and certain doom their flirty quips end and their search for answers to some of life s big questions begins Is there really one person for everyone Do destinies really intertwine Where can you find the best tacos in Brooklyn And when it matters most will they throw caution and fate to the wind trust their instincts and write their own futures Will keep you entertained to the last page Melissa Joan Hart A beautiful fun and complex love story Screenwriters Emily V Gordon and Kumail Nanjiani The Big Sick This 90s nostalgia tinged love story will leave rom com fans smiling and swooning Library Journal STARRED REVIEW *The California Birthday Book* Various,2019-12-11 In *The California Birthday Book* various authors come together in a unique literary anthology that highlights the rich tapestry of Californian culture and artistry This collection presents a series of reflections poems and anecdotes corresponding to each day of the year celebrating the individuals who were born on those dates be they iconic figures from the arts science or politics The book intertwines literary traditions with a contemporary flair offering a vibrant mosaic that reinforces the significance of California s contributions to the American narrative The eclectic styles mirror the diversity of the state itself weaving together personal reflections and historical insights that enrich the reader s understanding of this dynamic landscape The collaborative effort of *The California Birthday Book* showcases the collective voice of authors unified by their admiration for Californian heritage Many contributors hail from the Golden State drawing upon their own experiences and the monumental figures that have shaped their community This context imbues the anthology not only with a sense of place but also with an authenticity that resonates deeply with both locals and those from afar revealing how birthplace can influence identity and creativity I highly recommend *The California Birthday Book* to anyone interested in a profound exploration of personal and cultural histories This anthology is not just a celebration of individual birthdays but also serves as a lens through which to view California s multifaceted identity Readers will find themselves engaged inspired and connected to the stories that have shaped this vibrant state Witch Ways Christine Pope,Meredith Medina,Kat Parrish,Lily Luchesi,Julia Crane,J.A.
