**Odd Man In** Suzanne Muchnic, 2019-08      Odd Man in Suzanne Muchnic, 1998 I m grateful for this Muchnic draws a sharp picture of Simon s astute collecting and his contrarian career The setting is fascinating too Los Angeles since the 1950s making itself into a cultural capital John Walsh Director J Paul Getty Museum      **The Culture Broker** Margaret Leslie Davis, 2007-08-20 Franklin Murphy It s not a name that is widely known even during his lifetime the public knew little of him But for nearly thirty years Murphy was the dominant figure in the cultural development of Los Angeles Behind the scenes Murphy used his role as confidant family friend and advisor to the founders and scions of some of America s greatest fortunes Ahmanson Rockefeller Ford Mellon and Annenberg to direct the largesse of the wealthy into cultural institutions of his choosing In this first full biography of Franklin D Murphy 1916-994 Margaret Leslie Davis delivers the compelling story of how Murphy as chancellor of UCLA and later as chief executive of the Times Mirror media empire was able to influence academia the media and cultural foundations to reshape a fundamentally provincial city The Culture Broker brings to light the influence of L A s powerful families and chronicles the mixed motives behind large public endeavors Channeling more than one billion dollars into the city s arts and educational infrastructure Franklin Murphy elevated Los Angeles to a vibrant world class city positioned for its role in the new era of global trade and cross cultural arts      **Building Home** Eric John Abrahamson, 2013-02-28 This book is not only a biography of Howard F Ahmanson but also the story of the financing of the postwar housing boom and the tremendous growth of Los Angeles Americans have long believed that homeownership is fundamental to the strength of our democracy and the character of our people Victory in World War II combined with new government policies designed to stimulate mortgage lending sparked a tremendous surge in rates of homeownership in the 1950s With savings and loans providing more than half of the mortgages for these homes the industry enjoyed a golden era in its history especially in southern California Among its peers Home Savings Loan Association of Los Angeles was a giant By 1954 it had more customers and assets than any other thrift in America Through its real estate development entities the company played a leading role in the postwar suburban explosion that made LA the quintessential postmodern city As the crown jewel among a handful of mortgage related businesses launched and controlled by Howard F Ahmanson the company generated philanthropic capital to build L A s cultural centers and finance the campaigns of the region s leading politicians As a sun tanned yachtsman and a cigar smoking financier the Omaha born Ahmanson was both unique and representative of many of the business leaders of his era Like many elites Ahmanson shared a fundamental confidence in his ability to lead the nation to prosperity His death in 1968 came just as the era of deregulation was beginning In this new era the central role of the savings and loan in financing the American dream diminished and Home Savings was sold to help create one of the biggest branch banks in America Washington Mutual      *Deaccessioning and Its Discontents* Martin Gammon, 2018-07-24 The first history of the deaccession of objects from museum collections that defends deaccession as an essential component

of museum practice Museums often stir controversy when they deaccession works formally remove objects from permanent collections with some critics accusing them of betraying civic virtue and the public trust In fact Martin Gammon argues in *Deaccessioning and Its Discontents* deaccession has been an essential component of the museum experiment for centuries Gammon offers the first critical history of deaccessioning by museums from the seventeenth to the twenty first century and exposes the hyperbolic extremes of deaccession denial the assumption that deaccession is always wrong and deaccession apology when museums justify deaccession by finding some fault in the object as symptoms of the same misunderstanding of the role of deaccessions in proper museum practice He chronicles a series of deaccession events in Britain and the United States that range from the disastrous to the beneficial and proposes a typology of principles to guide future deaccessions Gammon describes the liquidation of the British Royal Collections after Charles I s execution when masterworks were used as barter to pay the king s unpaid bills as establishing a precedent for future deaccessions He recounts among other episodes U S Civil War veterans who tried to reclaim their severed limbs from museum displays the 1972 Hoving affair when the Metropolitan Museum of Art sold a number of works to pay for a Vel zquez portrait and Brandeis University s decision later reversed to close its Rose Art Museum and sell its entire collection of contemporary art An appendix provides the first extensive listing of notable deaccessions since the seventeenth century Gammon ultimately argues that vibrant museums must evolve embracing change loss and reinvention

**Golden Dreams** Kevin Starr,2011-09-09 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr s acclaimed multi volume *Americans and the California Dream* is an unparalleled work of cultural history In this volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence Starr brilliantly illuminates the dominant economic social and cultural forces in California in these pivotal years In a powerful blend of telling events colorful personalities and insightful analyses Starr examines such issues as the overnight creation of the postwar California suburb the rise of Los Angeles as Super City the reluctant emergence of San Diego as one of the largest cities in the nation and the decline of political centrism He explores the Silent Generation and the emergent Boomer youth cult the Beats and the Hollywood Rat Pack the pervasive influence of Zen Buddhism and other Asian traditions in art and design the rise of the University of California and the emergence of California itself as a utopia of higher education the cooling of West Coast jazz freeway and water projects of heroic magnitude outdoor life and the beginnings of the environmental movement More broadly he shows how California not only became the most populous state in the Union but in fact evolved into a mega state en route to

becoming the global commonwealth it is today Golden Dreams continues an epic series that has been widely recognized for its signal contribution to the history of American culture in California It is a book that transcends its stated subject to offer a wealth of insight into the growth of the Sun Belt and the West and indeed the dramatic transformation of America itself in these pivotal years following the Second World War

**Out of Sight** William Hackman,2015-04-14 A social and cultural history of Los Angeles and its emerging art scene in the 1950s 60s and 70s The history of modern art typically begins in Paris and ends in New York Los Angeles was out of sight and out of mind viewed as the apotheosis of popular culture not a center for serious art Out of Sight chronicles the rapid fire rise fall and rebirth of L A s art scene from the emergence of a small bohemian community in the 1950s to the founding of the Museum of Contemporary Art in 1980 Included are some of the most influential artists of our time painters Edward Ruscha and Vija Celmins sculptors Ed Kienholz and Ken Price and many others A book about the city as much as it is about the art Out of Sight is a social and cultural history that illuminates the ways mid century Los Angeles shaped its emerging art scene and how that art scene helped remake the city

**Museum Skepticism** David Carrier,2006-05-31 Prominent art historian looks at the birth of the art museum and contemplates its future as a public institution

*Sacred Objects in Secular Spaces* Bruce M. Sullivan,2015-10-22 We have long recognized that many objects in museums were originally on display in temples shrines or monasteries and were religiously significant to the communities that created and used them How though are such objects to be understood described exhibited and handled now that they are in museums Are they still sacred objects or formerly sacred objects that are now art objects or are they simultaneously objects of religious and artistic significance depending on who is viewing the object These objects not only raise questions about their own identities but also about the ways we understand the religious traditions in which these objects were created and which they represent in museums today Bringing together religious studies scholars and museum curators Sacred Objects in Secular Spaces is the first volume to focus on Asian religions in relation to these questions The contributors analyze an array of issues related to the exhibition in museums of objects of religious significance from Hindu Buddhist and Sikh traditions The lives of objects are considered along with the categories of sacred and profane religious and secular As interest in material manifestations of religious ideas and practices continues to grow Sacred Objects in Secular Spaces is a much needed contribution to religious and Asian studies anthropology of religion and museums studies

**The A-Z of the International Art Market** Tom Flynn,2016-11-03 A comprehensive wide ranging and historically well informed account Charles Saumarez Smith Royal Academy of Arts It is estimated that there are over 300 000 companies involved in the world s art market employing around 2 8 million people But the art world carries a veneer of mystery and secrecy that many people find daunting and the language used by market insiders can be alienating and confusing to those new to the art market The A Z of the International Art Market not only clarifies useful terms and definitions but also represents a significant contribution to the fast developing processes of transparency and democratisation in the global art business Comprising art

market terms and core concepts both historical and contemporary this book is a long awaited reference source that offers a unique introduction to a dynamic business sector The A Z of the International Art Market provides an accessible and thorough insight into critical areas of market practice and custom that anyone involved in the art market will find useful and enlightening

*The Speculative City* Susanna Phillips Newbury,2021-04-20 A forensic examination of the mutual relationship between art and real estate in a transforming Los Angeles Underlying every great city is a rich and vibrant culture that shapes the texture of life within In *The Speculative City* Susanna Phillips Newbury teases out how art and Los Angeles shaped one another s evolution She compellingly articulates how together they transformed the Southland establishing the foundation for its contemporary art infrastructure and explains how artists came to influence Los Angeles s burgeoning definition as the global city of the twenty first century Pairing particular works of art with specific innovations in real estate development *The Speculative City* reveals the connections between real estate and contemporary art as they constructed Los Angeles s present day cityscape From banal parking lots to Frank Gehry s designs for artists studios and museums Newbury examines pivotal interventions by artists and architects city officials and cultural philanthropists concluding with an examination of how in the wake of the 2008 global credit crisis contemporary art emerged as a financial asset to fuel private wealth and urban gentrification Both a history of the transformation of the Southland and a forensic examination of works of art *The Speculative City* is a rich complement to the California chronicles by such writers as Rebecca Solnit and Mike Davis

*The Hollywood Book of Breakups* James Robert Parish,2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity s latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In *The Hollywood Book of Breakups* James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn t make this stuff up and James Robert Parish doesn t need to Hollywood writes its own drama when it comes to scandalous breakups

**Watteau at Work** Emily A. Beeny, Davide Gasparotto, Richard Rand,2021-12-14 Marking the three hundredth anniversary of Jean Antoine Watteau s death this publication takes a close

revealing look at his recently rediscovered painting *La Surprise*. The painting *La Surprise* by Jean Antoine Watteau 1684-1721 belongs to a new genre of painting invented by the artist himself the *fête galante*. These works which show graceful open air gatherings filled with scenes of courtship music and dance strolling lovers and actors do not so much tell a story as set a mood one of playful wistful nostalgic reverie. Esteemed by collectors in Watteau's day as a work that showed the artist at the height of his skill and success *La Surprise* vanished from public view in 1848 not to reemerge for more than a century and a half. Acquired by the Getty Museum in 2017 it has never before been the subject of a dedicated publication. Marking the three hundredth anniversary of Watteau's death this book considers *La Surprise* within the context of the artist's oeuvre and discusses the surprising history of collecting Watteau in Los Angeles. This volume is published to accompany an exhibition on view at the J. Paul Getty Museum at the Getty Center from November 23, 2021 to February 20, 2022. **Landscape with**

**Figures** Malcolm Goldstein, 2000-11-30 This first history of art dealing in the United States follows the profession from 18th century portrait and picture salesmen in the colonies to the high profile jet set gallery owners of today. 40 illustrations.

**California Rising** Ethan Rarick, 2005-01-24 It is now commonplace to say that the future happens first in California and this book the first biography of legendary governor Edmund G. Pat Brown tells the story of the pivotal era when that idea became a reality. Set against the riveting historical landscape of the late fifties and sixties the book offers astute insights into history as well as a fascinating glimpse of those who charted its course including Ronald Reagan John F. Kennedy and the Brown family dynasty. Ethan Rarick mines an impressive array of untapped sources such as Pat Brown's diary and love letters to his wife to tell the unforgettable story of a true mover and shaker within his fascinating and turbulent political arena. *California Rising* illuminates a singular moment in time with surprising intimacy. John Kennedy laughs with Pat Brown. Richard Nixon offers the governor a schemer's deal. Lyndon Johnson sweet talks the governor on the phone and then ridicules him behind his back. And as context for the human drama key events of the era unfold in gripping prose. There is Brown's struggle with the fate of Caryl Chessman the convicted kidnapper who gained international attention by writing best selling books on death row. There is the tale of intrigue and politics surrounding the Free Speech Movement at the University of California Berkeley in 1964 and the violence and horror of the Watts Riots in 1965. Through the story of the life and times of Pat Brown we witness an extraordinary period that changed the entire country's view of itself and its most famous state. **UCLA** Marina Dundjerski, 2011 *UCLA: The First Century* is an extensively illustrated hardcover book which follows a chronological historical narrative with in depth sections on campus traditions and the history of Bruin athletics. Since the UCLA History Project was launched in 2004 UCLA have been chronicling a full account of their alma mater from humble beginnings to their current standing as one of the world's most prestigious public research universities.
