Odd Mercy Poems:

Odd Mercy: Poems Gerald Stern, 1997-06-17 For over two decades no one has equaled Stern's compassionate surreal parables about the burden of and the exaltation at being alive Library Journal The centerpiece of Gerald Stern's ninth collection is a long poem titled Hot Dog named for a beautiful street woman who lives in and around Tompkins Square Park Other characters in this poem are St Augustine Walt Whitman Noah Gerald Stern himself and a ninety year old black preacher from the Midwest In Hot Dog and throughout Stern wrestles with the issues hope memory faith that have always occupied him

Odd Mercy Gail Thomas, 2016-11-10 Winner of the 2016 Charlotte Mew Prize The centerpiece of Odd Mercy is The Little Mommy Sonnets a crown of sonnets that carries us poignantly through the life and death of the poet's mother as well as their complicated bond over time I was impressed with Gail Thomas' dedication to craft her richness of detail and especially her deft transitions from the end line of one sonnet to the opening line of the next The challenge here is to repeat the line but to make it new to show us another facet and Thomas does that so skillfully in these poems propelling us forward through the narrative Poetry uses words to convey what is beyond words to say the unsayable The last line of Odd Mercy expresses this paradox tenderly as the poet reflects on her mother your words now gibberish your voice always in my head Ellen Bass Judge of the Charlotte Mew Prize The stunning centerpiece of Odd Mercy The Little Mommy Sonnets explores a complicated mother daughter relationship that is turned on its head by dementia Did we find each other too late or just in time asks the daughter as her mother's sharp tongue dissolves and her own armor melts Beautifully written heartfelt generous and forgiving all the poems in this collection touched my heart deeply Gail Thomas is a poet of tremendous talent Leslea Newman author of I Carry My Mother On Waving Back 2015 These are poems of authority and grace alive with the pulse of desire and the mystery of our deep connections Joan Larkin Thomas brings precise observation and earned wisdom to poems in which the bitter and the sweet entwine Robin Becker

Performing the Literary Interview John Rodden, 2001-01-01 When authors are interviewed about their books or themselves much more is going on than a simple conversation The interview becomes a performance space for authorial orchestration and self promotion and interviewers in turn respond to such self display and theatrics Featuring absorbing conversations with nine well known authors including poets Richard Howard and Gerald Stern novelist Isabel Allende and scholar intellectual Camille Paglia Performing the Literary Interview is the first in depth look at this type of performance art Interviews with poets fiction writers and intellectuals enable John Rodden to identify a range of rhetorical strategies and their effects and to formulate a typology for appreciating the various roles that interviewers and interviewees assume Traditionalists foreground their work rather than themselves raconteurs are storytellers who skillfully spin anecdotes and creatively showcase their personalities and advertisers more explicitly use the literary interview to promote and sell themselves This pioneering persuasive study stakes a claim to a new area of scholarly inquiry in the humanities The literary

interview can no longer be considered only as a voyeuristic window on an author or a celebrity vehicle or even an entertaining diversion but should also be approached as a serious genre meriting scholarly attention and analysis The New Bread Loaf Anthology of Contemporary American Poetry Michael Collier, Stanley Plumly, 1999 A galaxy of writers epitomizes the state of American poetry at the century's close The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study The Plays and Poems William Shakespeare, 1840 *Poet & Peasant and Through Peasant Eyes* Kenneth E. Bailey, 1983-05-09 This volume is a combined edition of *Poet and Peasant* and *Through Peasant Eyes* Kenneth Bailey's intensive studies of the parables in the gospel of Luke Bailey begins by surveying the development of allegorical historical eschatological aesthetic and existential methods of interpretation Though figures like Julicher Jeremias Dodd Jones and Via have made important advances Bailey sees the need to go beyond them by combining an examination of the poetic structures of the parables with a better understanding of the Oriental culture that informs the text Bailey's work within Middle Eastern peasant culture over the last twenty years has helped him in his attempt to determine the cultural assumptions that the teller of the parables must have made about his audience The same values which underlay the impact of the parables in Christ's time Bailey suggests can be discovered today in isolated peasant communities in Egypt Lebanon Syria and Iraq Because time has made almost no impact in these cultural pockets it is possible to discern for example what it meant 2 000 years ago for a friend to come calling at midnight or for a son to ask for his inheritance prior to his father's death In addition to illuminating the cultural framework of the parables Bailey offers an analysis of their literary structure treating the parabolic section as a whole as well as its individual components Through its combination of literary and cultural analyses Bailey's study makes a number of profound advances in parabolic interpretation Poet Lore ,1911 **The Georgia Review** ,1996 **Walt Whitman and**

the Making of Jewish American Poetry Dara Barnat, 2023-08-01 Walt Whitman has served as a crucial figure within the tradition of Jewish American poetry But how did Whitman a non Jewish American born poet become so instrumental in this area of poetry especially for poets whose parents and often they themselves were not born here Dara Barnat presents a genealogy of Jewish American poets in dialogue with Whitman and with each other and reveals how the lineage of Jewish American poets responding to Whitman extends far beyond the likes of Allen Ginsberg From Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy Alicia Suskin Ostriker and Gerald Stern this book demonstrates that Whitman has been adopted by Jewish American poets as a liberal symbol against exclusionary and anti Semitic elements in high modernist literary culture The turn to Whitman serves as a mode of exploring Jewish and American identity Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

Death Watch Gerald Stern, 2016-12-19 In Death Watch the National Book Award winning poet Gerald Stern uses powerful prose to sift through personal and prophetic history and contemplate his own mortality Characteristically audacious uncompromising funny and iconoclastic Stern looks back at his life and forward in time to how his story will play out Wrestling with his identity in Judaism he explores how his name was uprooted from its origins as so much of his life will be willfully disrupted from the expectations of his parents and the norms of a predictable path Stern recounts his life itself a grand digression which takes him from Pittsburgh to the Army to Paris on the GI Bill and back to the United States where he immerses himself in the literary culture around him Stern s early and traumatic loss of his older sister provides the occasion to imagine what her life might have been and he revels in his past love affairs the many women beloved in his life He recollects books that occupy his recent reading the work of W G Sebald Blaise Cendrars and Louis Ferdinand Celine and how memory is always at the heart of literary accomplishment and what creates the staying power of great literature Death Watch is as an account of a beloved poet s final journey a vivid passionate and at times whimsical look at the gamble of living life to its fullest choosing the life of a poet philosopher prophet lover radical and perpetual troublemaker *Poem a Day* Karen McCosker, Nicolas Albery, 2025-09-02 Fill your life with more poetry every day of the year Read it daily by yourself or use it to connect with friends or your book club A book for self discovery and also sharing with more than 100 000 copies sold This book is a dream a revivalist campaign a challenge a book of days and an anthology all in one The Guardian Features 366
