Madman Vol. 1 Mike Allred, 2002-02-15 Ten years ago Madman hit the comics scene like a quick Three Stooges style jab to the eye Armed with a yo yo and a slightly left of center attitude Frank Einstein is Snap City's most impressive masked crime fighter In fact he's kind of the only one In this wacky debut meet the whole eccentric cast of characters from the goofy genius Dr Flem to the despicably evil Mr Mondstadt And of course don't forget Joe the love of Frank Einstein's life This fearless beauty is the only one who sees past Madman's hideously disfigured face to the person within and wants to know the true story of how Frank Einstein became Madman Long out of print MADMAN THE ODDITY ODYSSEY is a seminal work of graphic literature bridging the gaps of mainstream superhero mythos and the no holds barred world of independent creator driven comics Oni Press is proud to celebrate the 10th anniversary of this amazing comic book by returning it to its original glory

**Michael Allred** Christopher Irving,2015-10-15 Michael Allred b 1962 stands out for his blend of spiritual and philosophical approaches with an art style reminiscent of 1960s era superhero comics which creates a mixture of both postmodernism and nostalgia His childhood came during an era where pop art and camp embraced elements of kitsch and pastiche and introduced them into the lexicon of popular culture Allred s use of both in his work as a cartoonist on his signature comic book Madman in the early 1990s offset the veiled autobiography of his own spiritual journey through Mormonism and struggles with existentialism Thematically Allred s work deals heavily with the afterlife as his creations struggle with the grander questions whether his modern Frankenstein hero Madman cosmic rock n roller Red Rocket 7 the undead heroine of iZombie co created with writer Chris Roberson or the cast of superhero team book The Atomics Allred also enjoys a position in the creator driven generation that informs the current batch of independent cartoonists and has experienced his own brush with a major Hollywood studio s aborted film adaptation of Madman Allred s other brushes with Hollywood include an independent adaptation of his comic book The G Men from Hell an appearance as himself in Kevin Smith s romantic comedy Chasing Amy where he provided illustrations for a fictitious comic book the television adaptation of iZombie and an ongoing relationship with director Robert Rodriguez on a future Madman film Michael Allred Conversations features several interviews with the cartoonist from the early days of Madman s success through to his current mainstream work for Marvel Comics To read them is to not only witness the ever changing state of the comic book industry but also to document Allred s growth as a creative genius

Reading Programs for Young Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs
