**The Temple Shakespeare: Love's labour's lost** William Shakespeare, 1924 **The Plays of Shakespeare: Love's labour's lost** William Shakespeare, 1904 Trinity, Freedom and Love Piotr Malysz, 2012-08-02 By critically engaging Eberhard Jüngel's doctrine of the Trinity this volume makes a broader constructive contribution to contemporary trinitarian thought The argument centers on the question posed by the inconsistencies uncovered in Jüngel's doctrine of God of how one can assert both divine freedom and the inter subjectivity of God's trinitarian self determination Can one maintain God's freedom in the interest of divine spontaneity and creativity while remaining committed to inter subjective vulnerability which the Cross entails as an event of divine love Malysz suggests that a resolution to this problem lies in a logic of divine freedom which next to the trinitarian logic of love constitutes a different and simultaneous mode of trinitarian relationality To develop this logic Malysz draws on Jüngel's understanding of human freedom as rooted in the elemental interruption of the self securing subject Malysz thus not only brings Jüngel's view of divine freedom into correspondence with the anthropological effects that Jüngel ascribes to it but above all offers an imaginative new way of closely integrating the doctrine of God and

theological anthropology      *Love Without Limits* Jacqueline A. Bussie, 2018-08-20 The love of God crosses all boundaries Every Single One Every day millions of people lament the loss of civility respect and hope and they wonder if it's possible to cultivate a love big enough to overthrow hate and heal our hurts With courage authenticity and relevance Jacqueline A Bussie proclaims Yes It's possible and urges readers to widen love's wingspan and to love as God loves without limits or exceptions In *Love Without Limits* Bussie imparts practical solutions for people of faith who yearn to love across division and difference in these troubled times Through poignant personal memoir engaging theological reflection inspiring true stories of boundary busting friendships creative readings of scripture and surprising shout outs to some of love's unsung heroes Bussie challenges readers to answer God's call to practice a love so deep it subverts the social order so radical it scandalizes the powerful so vast it excludes no one A must read for all Christians interested in inclusivity for their communities Publishers Weekly      *Love Is Oxygen* Jarrod Wilson, 2017 Love It's that thing everyone talks about but very few will ever truly put into action It's the fuel with which we are called to live and it's the very reason Jesus' body was brutally broken upon that splintered cross It's unbeatable unrestricted and hands down the greatest attribute of God It will transform the way you see life and it will radically invade the way you see others The question is have you discovered and harnessed it the way God intended In *Love Is Oxygen* you will engage with the reality of God's love as something you can know and personally experience This love transcends fear and circumstances and it pushes us into places we never imagined After all living God's love is like breathing it gives life as we breathe it in and then we can't help but breathe it out to the people around us
