

Ode To Love

Roses are beautiful
But you are more than rose
You are wonderful
Either you choose to sleep or pose

Butterflies are fragile
Than a butterfly, you are gentler
Afraid to tell you bye
When you look peculiar

Oceans are huge
You are more than oceans
Because you are beautiful and huge
Huge to fill my empty portions.

Ode To Love A Of Poetry:

Ode to Love Dannie Abse, 2011-02-01 The Good Book Guide s Dannie Abse has selected 100 memorable poems to say I love you From the Song of Solomon Catullus and Ovid to recent masterpieces by the Irish Nobel Prize winner Seamus Heaney and the British Poet Laureate Andrew Motion each poem is preceded by pithy introductory biographical notes With favourites from WH Auden Carol Ann Duffy Federico Garc a Lorca and Jacques Pr vert this is a comprehensive collection to treasure From the thrill of a new romance to the knowing celebration of an enduring one from the comedy of lust to the tragedy of profound loss celebrated poets of past centuries and renowned modern ones confess their love or beg for it or rage against it sometimes with humour and often with elegance Love, Poetry, and Immortality: Luminous Insights of the

World's Great Thinkers William Gerber, 2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal *Ode to*

Love Bernard Francis Williams, 2003 **Gendered Dynamics in Latin Love Poetry** Ronnie Ancona, Ellen Greene, 2005-11-18 In recent decades Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture This new volume the first to focus specifically on gender dynamics in Latin love poetry moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them Rather the essays in the collection explore the ways in which Latin erotic texts can have both effects shifting power back and forth between male and female If there is one conclusion that emerges it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society In fact as several essays show there is a dialectical relationship between this poetry and Roman cultural practices By complicating the views of gender dynamics in Latin love poetry this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives **A Paradise of English Poetry: Love. affections and friendship Henry Charles Beeching, 1893 The Routledge Handbook of Arabic Poetry Huda Fakhreddine, Suzanne Pinckney Stetkevych, 2023-12-22 Comprised of contributions from leading international scholars The Routledge Handbook of Arabic Poetry incorporates political cultural and theoretical paradigms that help place poetic projects in their socio political contexts as well as illuminate connections across the continuum of the Arabic tradition This volume grounds itself in the present moment and from it examines the transformations of the fifteen century Arabic poetic tradition

through readings re readings translations reformulations and co optations Furthermore this collection aims to deconstruct the artificial modern pre modern divide and to present the Arabic poetic practice as live and urgent shaped by the experiences and challenges of the twenty first century and at the same time in constant conversation with its long tradition The Routledge Handbook of Arabic Poetry actively seeks to destabilize binaries such as that of East West in contributions that shed light on the interactions of the Arabic tradition with other Middle Eastern traditions such as Persian Turkish and Hebrew and on South South ideological and poetic networks of solidarity that have informed poetic currents across the modern Middle East This volume will be ideal for scholars and students of Arabic Middle Eastern and comparative literature as well as non specialists interested in poetry and in the present moment of the study of Arabic poetry Poetry of Love and Protest John "Ish" Ishmael, 2007 My four books at this site are CHOSEN WORLD OUR WAR ON ISLAM AND OUR OWN FREEDOMS US INVASION OF CANADA AND ITS ABSORPTION THE BLACK BUG THE GENETIC BOMB POETRY OF LOVE AND PROTEST I grew up in a British Colony British Guiana and lived through its fight for independence led by Cheddi Jagan with his wife Janet Rosenberg and Forbes Burnham I also lived through the dark times of CIA and MI6 interventions I left Guyana for Canada in 1971 while that country endured 40 years of darkness After President Jimmy Carter eventually brokered fair elections Guyana is healing itself of its ethnic strife Canada became my home in the 1970 s and I used my experience as a journalist for the Guiana Graphic and the Chronicle to research my books My research for CHOSEN WORLD Our war on Islam and our own freedoms led me to step beyond my own Christian faith and to investigate that of Judaism and Islam primarily My self education about Buddhism Hinduism Zoroastrianism and Bahiism was short and requires my followup CHOSEN WORLD views contemporary events with as a ladder to future sequences and the lower rungs as leading to the origins of the events This book then takes the reader into various futures that can arise from the events first discussed One of the most challenging Chosen Worlds I examined forced me to enter the mind of a future Pope who is being blackmailed to cast the Church s vote as directed by the world blight that American has become as it has become fully parasitized by foreign influences My poetry of youth in Guyana and of my adult life in Canada is also heavily influenced by my deep appreciation of women in my life and my love of nature It speaks of my teen years when I was fortunate to have been romantically involved with ladies twice my age Today these older women would be called predators Like all of my country people of those years I grew up very close to nature and travelling in the tropical rain forests and on the mighty rivers of Guyana also influenced my POETRY OF LOVE AND PROTEST The protest in the title of my poetry and in my novels stems my period of journalism in Guyana writing about about the Amerindian Chinese Black and East Indian condition and of our overall poverty and despair That protest reaches to my mid and later years I experienced the same emotions of protest as I visited Canadian Reservations of slow genocide and experienced the fierce hatred that my Arab Islamic name evoked among a small but active group in Winnipeg Manitoba This group was weaned on the biblical stories of Ishmael and Isaac and carry

with them their interpretation that they were short changed by God in favour of the descendants of the biblical Ishmael Millions of these nutcases are determined to control the oil and water resources of the Islamic Middle East that they claim is their inheritance CHOSEN WORLD addresses some of this My Canadian experience is also shaped by experiences such as that with a former employer who when I gave him notice played a Ben Franklin tape for me that said that to be successful I must not be like Arabs who are dirty lazy and failures My name evoked passion simply by my speaking it in Manitoba Over the past decades after Pierre Elliot Trudeau I have been aghast at Canada's steady morphing into an armed appendage of the Empire next door and at General Rick Hillier sending our lads and lasses to kill the scum in Afghanistan and to be sent back as dead heroes I flinch at the horror told by Palestinian survivors and Israeli journalists of the Sharon engineered genocides at Sabra and Chatilla I am inured to the actions of those who react with outrage at criticism especially of the Occupation of Palestine These antagonists were formed with their own prejudices and I came by mine

Love Poetry in the Spanish Golden Age Isabel Torres, 2013 Love poetry in the Spanish Golden Age redefines the lyric poetry that is located at the centre of Imperial Spanish culture's own self image and self definition This work engages with a broader evaluation of early modern poetics that foregrounds the processes rather than the products of thinking The locus of the study is the Imperial home space where love poetry meets early modern empire at the inception of a very conflicted national consciousness and where the vernacular language Castilian emerges in the encounter as a strategic site of national and imperial identity The political is therefore a pervasive presence teased out where relevant in recognition of the poet's sensitivity to the ideologies within which writing comes into being But the primary commitment of the book is to lyric poetry and to poets individually and in their dynamic interconnectedness Moving beyond a re-evaluation of critical responses to four major poets of the period Garcilaso de la Vega Herrera Gongora and Quevedo this study disengages respectfully with the substantial body of biographical research that continues to impact upon our understanding of the genre and renegotiates the Foucauldian concept of the epistemic break often associated with the anti-mimetic impulses of the Baroque This more flexible model accommodates the multiperspectivism that interrogated Imperial ideology even in the earliest sixteenth century poetry and allows for the exploration of new horizons in interpretation Isabel Torres is Professor of Spanish Golden Age Literature and Head of Spanish and Portuguese Studies at Queen's University Belfast

The Oxford History of Classical Reception in English Literature Patrick Cheney, Philip Hardie, 2015-10-29 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary

and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume and third to appear in the series covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading

The Oxford History of Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This second volume and third to appear in the series covers the years 1558 1660 and explores the reception of the ancient genres and authors in English Renaissance literature engaging with the major and many of the minor writers of the period including Shakespeare Marlowe Spenser and Jonson Separate chapters examine the Renaissance institutions and contexts which shape the reception of antiquity and an annotated bibliography provides substantial material for further reading

Bedouin and 'Abbāsīd Cultural Identities Ruqayya Yasmine Khan, 2019-10-18 This literary historical book draws out and sheds light upon the mechanisms of the ideological work that the Arabic Majn n Layl story performed for Abbāsīd urbanite imperial audiences in the wake of the disappearance of the Bedouin cosmos The study focuses upon the processes of primitivizing Majn n in the romance of Majn n Layl as part of the paradigm shift that occurred in the Abbāsīd empire after the Greco Arabian intellectual revolution Moreover this book demonstrates how gender and sexuality are employed in the processes of primitivizing Majn n As markers of strangeness and foreignness in the Abbāsīd interrogations of the multiple categories of ethnicity culture identity religion and language present in their cosmopolitan

milieus Such cultural work is performed through the ideological uses of alterity given its mechanisms of distancing e.g. temporal and spatial and nearness e.g. affective Lastly the Majn n Layl love story demonstrates in its text and reception that a Greco-Arabian and Greco-Persian subculture thrived in the centers of Abbasid Baghdad that molded and shaped the ways in which this love story was compiled, received and performed Offering a corrective to the prevailing views expressed in Western scholarly writings on the Greco-Arabian encounter this book is a major contribution to scholars and students interested in Islamic studies, Arabic and comparative literature, Middle East and gender studies

The Art of Love Poetry Erik Gray, 2017-12-29 Love begets poetry, poetry begets love. So thinkers from Plato onwards have claimed and even today when poetry has largely disappeared from the mainstream of popular culture it is still commonly considered the most seductive of all forms of art. But why should this be? What are the connections between poetry and love that lead us to associate them so strongly with one another? In this study Erik Gray draws on a broad range of Western thought and poetry to reveal the qualities and structures that love and poetry share. Above all he argues both are founded on paradox. Love is at once necessarily public because interpersonal and intensely private hence love both requires expression and resists it. Likewise the experience of love is simultaneously surprising and familiar, singular and conventional. In poetry, especially lyric poetry which is similarly both dependent on and resistant to language, both exceptionally regular and exceptionally irregular, love finds a natural outlet. The Art of Love Poetry illuminates many of the recurrent tropes that poets across the centuries have employed to represent and express love, exploring such topics as the poetic kiss, the lyric of conjugal love and the role of animals in love poetry. In describing the inherent erotics of poetry it offers new insights not only into the long tradition of love lyric but into the nature of love itself

Unity and Design in Horace's Odes Matthew S. Santirocco, 2015-01-01 Horace's first three books of Odes, published together in 23 B.C., are a masterpiece of Augustan literature and the culmination of classical lyric. Matthew Santirocco provides the first new critical approach to them in English in more than two decades. Drawing on recent works on ancient and modern poetry, books and using several contemporary critical methodologies, Santirocco reveals the Odes both as individual poems and as components in a larger poetic design. His reading of Horace demonstrates that the ensemble is itself an important context for understanding and appreciating the poetry. Reconstructing the history of the ancient poetry book, both Greek and Roman, Santirocco challenges certain common assumptions about its origin and development. He argues that true parallels for the Odes are not to be found in the other Augustan books which are relatively homogeneous in content and form but in the heterogeneous collections of Hellenistic writers. Odes I-III comprise eighty-eight poems in twelve different meters and in tone and topic they vary widely. Avoiding the two extremes of past scholarship which either has searched for a single underlying unity or else has denied any meaningful design, Santirocco uncovers a variety of both static and dynamic structures and shows their relevance to the literary interpretation of the poems at all levels. Ultimately the composition of a poem and the disposition of the group are shown to be analogous activities. Odes I-III do not

constitute a medley of discrete poems but instead approximate the unity of a single ode *Vistas of Love and Life* Dillip K Swain,2023-10-13 This book is an anthology of poet s 52 poems that puts spotlight on the key theme of love and life Simplicity and lucidity of expression are the two components that the poet has banked on while expressing his feelings and emotions in each of the poems placed in this book in view of readers easy understanding and grasping of the contents The book primarily tries to unfold how the majestic power of love can influence a person to lead a simple happy and peaceful life Poet s keen observation on nature and various social issues which are beneficial to the society have been cleanly and clearly reflected in many poems It is expected that this book will find enormous appreciation by the all categories of readers

Resemblance & Disgrace Helen Deutsch,1996 By restoring the poet s image to view against the cultural background that branded it as monstrous Deutsch recasts Pope s literary career from his translations of Homer to his imitations of Horace as itself a form of monstrous embodiment a stamping of his own personal disfigured image on fragments of the cultural past

Library of the World's Best Literature, Ancient and Modern Charles Dudley Warner,Hamilton Wright Mabie,Lucia Isabella Gilbert Runkle,George Henry Warner,1902 *The Complete Odes and Satires of Horace* Horace,2016-06-30 Horace has long been revered as the supreme lyric poet of the Augustan Age In his perceptive introduction to this translation of Horace s Odes and Satires Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later Horace shares with Italians of today a distinctive delight in the senses a fundamental irony a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation in many ways as Alexander puts it Horace is the quintessential Italian The voice we hear in this graceful and carefully annotated translation is thus one that emerges with clarity and dignity from the heart of an unchanging Latin culture Alexander is an accomplished poet novelist biographer and translator who has lived in Italy for more than thirty years Translating a poet of such variety and vitality as Horace calls on all his literary abilities Horace Quintus Horatius Flaccus 65 8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus Caesar His poetry ranges over politics the arts religion nature philosophy and love reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness accuracy and charm avoiding affectations of archaism or modernism He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft **Time and the Erotic in Horace's Odes** Ronnie Ancona,1994 Rejecting both the notion that Horace fails as a love poet because he undermines the romantic ideal that love conquers time and the notion that he succeeds because he eschews illusions about love s ability to endure this book challenges the assumption that

temporality must inevitably pose a threat to the erotic The author argues that temporality understood as the contingency the male poet lover wants to but cannot control explains why love fails in Horace s Odes **American Poetry** Percy Holmes Boynton,Howard Mumford Jones,George Sherburn,Frank Martindale Webster,1918
