## **Odette The Story Of A British Agent:**

Odette Jerrard Tickell,1952      **Odette** Jerrard Tickell,2007 I am a very ordinary woman to whom a chance was given to see human beings at their best and at their worst I completely believe in the potential nobility of the human spirit During some of the darkest days of the Second World War a young Frenchwoman living as a mother and housewife in England desolate at the plight of her native and adopted countries left her ordinary life to become a British agent working covertly in France to aid the Resistance Entering a murky and deadly world of espionage and double dealing she was betrayed to the Germans only to endure torture by the Gestapo and the hell of the infamous concentration camp of Ravensbruck Yet she retained a compassion grace and spiritedness that mystified her captors and living to see the liberation of Europe she kept in the direst circumstances her fundamental trust in goodness Odette tells the moving and inspirational story of a woman who in her courage and her ability to hold on to hope was far from ordinary      **Odette** Jerrard Tickell (écrivain).),1949
