If you like this book write a review on google books     **In Black and Gold** ,2022-06-08 **In Black and Gold** indicates that opposed styles of poetry reveal subterranean correspondences that occasionally meet and run together Austerity or tomfoolery are two of the many valid responses to the human condition that create the contiguous traditions that cannot help touching and reacting to each other The poetry discussed in this book deals with the relation of individuals to strange or to familiar landscapes and what this means to their own sense of displacement or rootedness with the use of history as an escape from or as a challenge to an apparently failing present and with the role of nationalism either as a refuge for angry frustration or as a weapon against the affronting world or as an ambivalent loyalty that needs to be scoured or as all three Here we find poetry as a means of discovering true or false allegiances and valid or invalid public and private identities poetry as a medium for exploring the uses of the demotic in confronting the breakdowns and injustices of modern democracy poetry as play in the midst of private and public woe poetry as a spiritual quest as a spiritual scourging as a wrestling with spiritual absences and poetry as an intermittent and sporadic commemoration of the triumphs and delights of epiphanic encounters with the physical world     **Billboard** ,1996-07-13 In its 114th year **Billboard** remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform **Billboard** publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends     **Islands in the Sky** Rose Hammond,2013-01-11 Homer provides an enormous challenge to the student the potentialities of these lengthy texts are legion and the scholarship vast The author has relied upon her knowledge of symbolic discourse to make a fresh study of the *Odyssey* prioritising early neighbouring religions their mythology and shamanic practice The latter has yielded particularly rich material concerning the axis of the

world axis mundi as a route to the stars and the world of the gods Man's shared experience of the night skies has also provided some remarkably consistent patterns for the geography of an Otherworld in the skies and the means to reach the gods residing there By applying world wide motifs of the soul journey the initiatory process and established points of transformation along a solar path it has been possible to recast the hero's sea voyage in cosmic terms and give a celestial homeland to the many islands visited by Odysseus and his companions The result gives a surprising twist to the meaning of the epic and reveals Homer the poet as both philosopher and student of the cosmos The wine dark sea is revealed as none other than the night sky which serves as backdrop to the hero's adventures among the stars and Ithaka itself with its many conflicts finds a place at the very centre of the known universe of Bronze Age Greece

In the Nick of Time - The Autobiography of John Altman, EastEnders' Nick Cotton John Altman,2016-06-30 From the moment he exploded onto our screens in 1985 as Nasty Nick Cotton uttering the infamous phrase Alright Ma John Altman changed the face of TV villains for good As one of the show s original cast members he is much admired for his role as the leather jacketed chain smoking son of Dot Cotton in the long running BBC soap EastEnders a role that spanned thirty years Since appearing in the very first episode he has been at the heart of the show his character central to many famous storylines to the extent that he was also given his own spin off episode The Return of Nick Cotton in 2000 But there is far more to John s story than Nick Cotton This searingly honest autobiography traces the colourful childhood of a desperately shy and art loving boy growing up in a loving household where he was encouraged to follow his dreams But there was always something pulling him to test the boundaries as a teenager he managed to get himself arrested on suspicion of drug possession on the way back from a gap year in India and the experimentation didn t stop there Yet for all the tales of acting in film theatre and television and the people he has known and worked with there was once a darker side to John s story For it was the descent into alcoholism that was to test him the most It cost him his marriage and almost his sanity even while his own battle with his demons allowed him to shape Nick Cotton into one of the most memorable soap characters of our times Now for the first time John tells it as it is in his own inspiring words the highs and the desperate lows and how finally he conquered his addiction for good

**The Ancient Greek Hero in 24 Hours** Gregory Nagy,2020-01-07 What does it mean to be a hero The ancient Greeks who gave us Achilles and Odysseus had a very different understanding of the term than we do today Based on the legendary Harvard course that Gregory Nagy has taught for well over thirty years The Ancient Greek Hero in 24 Hours explores the roots of Western civilization and offers a masterclass in classical Greek literature We meet the epic heroes of Homer s Iliad and Odyssey but Nagy also considers the tragedies of Aeschylus Sophocles and Euripides the songs of Sappho

and Pindar and the dialogues of Plato Herodotus once said that to read Homer was to be a civilized person To discover Nagy's Homer is to be twice civilized Fascinating often ingenious A valuable synthesis of research finessed over thirty years Times Literary Supplement Nagy exuberantly reminds his readers that heroes mortal strivers against fate against monsters and against death itself form the heart of Greek literature He brings in every variation on the Greek hero from the wily Theseus to the brawny Hercules to the monolithic Achilles to the valiantly conflicted Oedipus Steve Donoghue Open Letters Monthly
