ODYSSEY FOR BOYS AND GIRLS ALFRED J. CHURCH, 2018      The Odyssey for Boys and Girls Alfred J.

Church, 2013-02-04 The Odyssey is literature's grandest evocation of every man's journey through life. The poem centers on the Greek hero Odysseus and his long journey home after the fall of Troy. It takes Odysseus ten years to reach Ithaca after the ten-year Trojan War. Odysseus survives storm and shipwreck, the cave of the Cyclops, and the isle of Circe, the lure of the Sirens, song and a trip to the Underworld, only to find his most difficult challenge at home where treacherous suitors seek to steal his kingdom and his loyal wife Penelope. The Odyssey is Homer's sequel to the Iliad.      **The Odyssey For Boys And**

**The Odyssey for Boys and Girls** Alfred J. Church, 2017-11-25 Excerpt from The Odyssey for Boys and Girls Told From Homer. The first of these was in the country of the Cyclopes or Round-eyed People. Late on a certain day Ulysses came with his ships to an island and found in it a beautiful harbour with a stream falling into it and a beach on which to draw up the ships. That night he and his men slept by the ships and the next day they made a great feast. The island was full of wild goats. These the men hunted and killed using their spears and bows. They had been on shipboard for many days and had had but little food. Now they had plenty: eight goats to every ship and nine for the ship of Ulysses because he was the chief. So they ate till they were satisfied and drank wine which they had carried away from Ismarus. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. The next day Menelaus said to Telemachus: Tell me now on what business you have come. Is it on some affair of your own or is it something that concerns the State? Telemachus answered: I have come to see whether you can tell me anything about my father. No one knows whether he is alive or dead. And I am in great trouble at home because certain nobles of Ithaca and of the islands round about would have my mother choose a husband from among them and meanwhile they devour my substance. Menelaus said: They will certainly be punished for their wrong doing. So a hind lays her young in a lion's den but when the lion comes back he slays both her and her fawn. So will Ulysses slay these suitors for he will most certainly come back. But now I will tell you all that I know. In my travels I went to the land of Egypt and when I wished to sail homeward I could not for the winds were against me. There is

an island opposite the mouth of the Nile which is the great river of Egypt There I stayed not of my own choice for twenty days till all our food was eaten up Truly we had all perished I and my men but that one of the goddesses of the sea had pity on us She was the daughter of a sea god and one day as I sat alone for my men were wandering about fishing with hooks for anything that they might catch she stood by me and said Surely this is a foolish thing that you do sitting here till you and your men die of hunger I answered I know not who you are but I will tell you the truth It is not of my own choice that I stay the winds are against me and I cannot go Tell me now whether I have offended the gods and tell me also how I can return to my home Then she said I cannot tell you these
