Matthew Continetti

Odyssey Of A Friend Letters To William F Buckley Jr:

Odyssey of a Friend Whittaker Chambers, 1969 **Odyssey of a Friend** Whittaker Chambers, 1970 In this series of letters Whittaker Chambers and William F Buckley Jr discuss the Alger Hiss case in detail Dust jacket **Odyssey of a Friend** Whittaker Chambers, 1969 **Odyssey of a Friend Whittaker Chambers Letters to William F. Buckley** Whittaker Chambers, 1969 The Claims of Experience Nolan Bennett, 2019-08-21 Why have so many figures throughout American history proclaimed their life stories when confronted by great political problems The Claims of Experience provides a new theory for what makes autobiography political throughout the history of the United States and today Across five chapters Nolan Bennett examines the democratic challenges that encouraged a diverse cast of figures to bear their stories Benjamin Franklin amid the revolutionary era Frederick Douglass in the antebellum and abolitionist movements Henry Adams in the Gilded Age and its anxieties of industrial change Emma Goldman among the first Red Scare and state opposition to radical speech and Whittaker Chambers amid the second Red Scare that initiated the anticommunist turn of modern conservatism These historical figures made what Bennett calls a claim of experience By proclaiming their life stories these authors took back authority over their experiences from prevailing political powers and called to new community among their audiences Their claims sought to restore to readers the power to remake and make meaning of their own lives Whereas political theorists and activists have often seen autobiography to be too individualist or a mere documentary source of evidence this theory reveals the democratic power that life narratives have offered those on the margins and in the mainstream If they are successful claims of experience summon new popular authority to surpass what their authors see as the injustices of prevailing American institutions and identity Bennett shows through historical study and theorization how this renewed appreciation for the politics of life writing elevates these authors distinct democratic visions while drawing common themes across them This book offers both a method for understanding the politics of life narrative and a call to anticipate claims of experience as they appear today **Conversations with William F. Buckley Jr** William F. Buckley (Jr.), William F. Meehan, 2009 The fifteen interviews in this collection are reprinted as they appeared originally Introduction **William F. Buckley** Jeremy Lott, 2010-08-16 Christian Encounters a series of biographies from Thomas Nelson Publishers highlights important lives from all ages and areas of the Church Some are familiar faces Others are unexpected guests But all through their relationships struggles prayers and desires uniquely illuminate our shared experience William F Buckley Jr 1925 2008 was a voice to millions hosting the long running Firing Line TV show writing more than 50 books and launching National Review magazine in 1955 to fix the newly cast conservative cannons on the enemies of collectivism liberalism and Communism Jeremy Lott makes a nuanced case for the profound influence of Buckley s faith he was a Catholic with Irish Protestant roots on his emergence as a modern day Jonah warning of the doom to come if America didn t change course quickly Buckley viewed the challenges of his era as ultimately religious in nature Like the other members of his

colorful family he believed that God family and country in that order demanded our unswerving loyalty Lott traces the thread of faith that ran through Buckley's public life from his call for a return to orthodoxy at Yale University to his doomed but entertaining run for mayor of New York from his jaw dropping verbal joust with Gore Vidal to his surprisingly fresh final thoughts on the end of the Cold War *The Conservative Turn* Michael Kimmage, 2009-07-31 The Conservative Turn tells the story of postwar America's political evolution through two fascinating figures Lionel Trilling and Whittaker Chambers who went on to intellectual prominence sharing the questions crises and challenges of their generation Kimmage argues that the divergent careers of these two men exemplify important developments in postwar American politics the emergence of modern conservatism and the rise of moderate liberalism Reporting from Washington Donald A. Ritchie, 2005-03-15 Donald Ritchie offers a vibrant chronicle of news coverage in our nation's capital from the early days of radio and print reporting and the heyday of the wire services to the brave new world of the Internet Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists including Walter Lippmann Joseph Alsop and Drew Pearson as well as the great investigative reporters from Paul Y Anderson to the two green Washington Post reporters who launched the political story of the decade Woodward and Bernstein We read of the rise of radio news fought tooth and nail by the print barons and of such pioneers as Edward R Murrow H V Kaltenborn and Elmer Davis Ritchie also offers a vivid history of TV news from the early days of Meet the Press to Huntley and Brinkley and Walter Cronkite to the cable revolution led by C SPAN and CNN In addition he compares political news on the Internet to the alternative press of the 60s and 70s describes how black reporters slowly broke into the white press corps helped mightily by FDR's White House discusses path breaking woman reporters such as Sarah McClendon and Helen Thomas and much more From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in American journalism in the twentieth century

The Age of Reagan: The Fall of the Old Liberal Order Steven F. Hayward, 2009-06-09 The Age of Reagan brings to life the tumultuous decade and a half that preceded Ronald Reagan's ascent to the White House Drawing on scores of interviews and years of research Steven F Hayward takes us on an engrossing journey through the most politically divisive years the United States has had to endure since the decade before the Civil War Hayward captures an America at war with itself and an era whose reverberations we feel to this very day He brings new insight into the profound failure of Lyndon Johnson's Great Society the oddly liberal nature of Richard Nixon's administration the significance of Reagan's years as California's governor the sudden death drama of his near defeat of Gerald Ford in the 1976 Republican primary the listlessness of Jimmy Carter's leadership and the political earthquake that was Reagan's victorious presidential campaign in 1980 Provocative authoritative and majestic in scope The Age of Reagan is an unforgettable account of the rebirth and triumph of the American spirit

The Contender Irwin F. Gellman, 2017-05-02 The definitive account of Richard Nixon's congressional career back in print with a new preface Unsurpassed in the fifteen years since its original publication Irwin F. Gellman's exhaustively researched work is the definitive account of Richard Nixon's rise from political unknown to the verge of achieving the vice presidency To document Nixon's congressional career Gellman combed the files of Nixon's 1946 1948 and 1950 campaigns papers from the executive sessions of the House Un American Activities Committee HUAC and every document dated through 1952 at the Richard Nixon Library This singular volume corrects many earlier written accounts For example there was no secret funding of Nixon's senate campaign in 1950 and Nixon won universal praise for his evenhandedness as a member of HUAC The first book of a projected five volume examination of this complex man's entire career this work stands as the definitive political portrait of Nixon as a fast rising young political star

The Right Matthew Continetti, 2022-04-19 A magisterial intellectual history of the last century of American conservatism When most people think of the history of modern conservatism they think of Ronald Reagan Yet this narrow view leaves many to question How did Donald Trump win the presidency And what is the future of the Republican Party In *The Right* Matthew Continetti gives a sweeping account of movement conservatism's evolution from the Progressive Era through the present He tells the story of how conservatism began as networks of intellectuals developing and institutionalizing a vision that grew over time until they began to buckle under new pressures resembling national populist movements Drawing out the tensions between the desire for mainstream acceptance and the pull of extremism Continetti argues that the more one studies conservatism's past the more one becomes convinced of its future Deeply researched and brilliantly told *The Right* is essential reading for anyone looking to understand American conservatism

The Eisenhower Years Michael S. Mayer, 2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of *Brown v Board of Education* to the National Defense Education Act *The Eisenhower Years* provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration

Cadres for Conservatism Gregory L. Schneider, 1999 In this history of the other Sixties Gregory L. Schneider traces the influence of Young Americans for Freedom a conservative political group that locked horns with the New Left and spawned many of the major players in the contemporary conservative movement from the Goldwater campaign in 1964 to Reagan's revolution in the 1980s *Cadres for Conservatism* reveals how young political conservatives unlike their leftist counterparts avoided fracture in the wake of the Sixties Rather YAF

continued to serve as a seedbed for future conservative leaders many of whom drew on the contacts and counter activism of their youth to consolidate conservative power Schneider s talent for trenchant archival research is supplemented by a plethora of detailed interviews with virtually every past national chairman and executive director of the YAF as well as important sponsors such as William F Buckley William Rusher and M Stanton Evans How Great the Triumph Kevin J. Smant,1992 James Burnham began his intellectual career in the 1930s as a Trotskyist However world events and his personal experiences within the Trotskyist movement convinced him that all forms of Marxism must be totalitarian and he left the world of Marxism in 1940 This book focuses especially upon Mr Burnham s career as a senior editor with William F Buckley Jr s National Review putting him within the context of the conservative intellectual movement as a whole Burnham despite what he called his hard anticommunist public stance served as a moderating pragmatic force within National Review and American conservatism He urged fellow conservatives to accept a minimum welfare state to work within the established two party system and to adopt a tough but realistic foreign policy Contents From Left to Lenin s Heir and Beyond Burning His Bridges Whither Conservatism The Ideology of Western Suicide Sectarian and Doctrinaire Clannishness Mr Burnham Epilogue Selected Bibliography **Witness** Whittaker Chambers,2014-12-09 1 New York Times bestseller for 13 consecutive weeks As long as humanity speaks of virtue and dreams of freedom the life and writings of Whittaker Chambers will ennoble and inspire PRESIDENT RONALD REAGAN One of the dozen or so indispensable books of the century GEORGE F WILL Witness changed my worldview my philosophical perceptions and without exaggeration my life ROBERT D NOVAK from his Foreward Chambers has written one of the really significant American autobiographies When some future Plutarch writes his American Live he will find in Chambers penetrating and terrible insights into America in the early twentieth century ARTHUR SCHLESINGER JR Chambers had a gift for language to call Chambers an activist or Witness a political event is to say Dostoevsky was a criminologist or Crime and Punishment a morality tract WASHINGTON POST Chambers was not just the witness against Alger Hiss but was also one of th articulators of the modern conservative philosophy a philosophy that has something to do with restoring the spiritual values of politics SAM TANENHAUS author of Whittaker Chambers One of the few indispensable autobiographies ever written by an American and one of the best written too HILTON KRAMER The New Criterion First published in 1952 Witness is the true story of Soviet spies in America and the trial that captivated a nation Part literary effort part philosophical treatise this intriguing autobiography recounts the famous Alger Hiss case and reveals much more Chambers worldview and his belief that man without mysticism is a monster went on to help make political conservatism a national force Regnery History s Cold War Classics edition is the most comprehensive version of Witness ever published featuring forewords collected from all previous editions including discussions from luminaries William F Buckley Jr Robert D Novak Milton Hindus and Alfred S Regnery *British and American Anti-communism Before the Cold War* Markku Ruotsila,2023-05-09 This work examines in a comparative historical way the socialist liberal and

conservative strands of Anglo American anticommunist thought before the Cold War In so doing this book provides us with an intellectual pre history of Cold War attitudes and policy positions **Exit Right** Daniel Oppenheimer,2016-02-02 Takes a look at the lives of six political figures who started their political journey on the Left and moved increasingly to the Right

The Conservative Intellectual Movement in America Since 1945 George H. Nash,2023-03-28 First published in 1976 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This new edition published in commemoration of the book s thirtieth anniversary includes a new preface and conclusion by the author and will continue to instruct anyone interested in how today s conservative movement was born

Beautiful Losers Samuel Francis,1994-08-01 The 1992 presidential election campaign showed just how deep were the divisions within the Republican party In Beautiful Losers Samuel Francis argues that the victory of the Democratic party marks not only the end of the Reagan Bush era but the failure of the American conservatism

Odyssey Of A Friend Letters To William F Buckley Jr Introduction

In the digital age, access to information has become easier than ever before. The ability to download Odyssey Of A Friend Letters To William F Buckley Jr has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Odyssey Of A Friend Letters To William F Buckley Jr has opened up a world of possibilities. Downloading Odyssey Of A Friend Letters To William F Buckley Jr provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Odyssey Of A Friend Letters To William F Buckley Jr has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Odyssey Of A Friend Letters To William F Buckley Jr. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Odyssey Of A Friend Letters To William F Buckley Jr. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Odyssey Of A Friend Letters To William F Buckley Jr, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Odyssey Of A Friend Letters To William F Buckley Jr has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Odyssey Of A Friend Letters To William F Buckley Jr Books
