This 2001 edition of OECD s periodic economic review of Austria examines recent economic developments policies and prospects and includes a special feature on encouraging environmentally sustainable growth *Contemporary Greece and Europe* Achilleas Mitsos,Elias Mossialos,2019-07-17 This title was first published in 2000 Contemporary Greek society is characterized by an all embracing trend for reform This task however is constrained by problems of Greek polity rooted in the historical and political culture This text explores the important facets of divergence between Greece and the EU examining the process through which they affect the relative performance of the country in the economic social political and international relations fronts together with significant attempts to modernize and rationalize internal and external policies

and structures The book is in five parts In the first introductory section Greece's Alternate Minister of Foreign Affairs the late Yannis Karamanlis analyzes the fundamental objectives of Greek foreign policy whilst the editors explore the challenges of EU membership for Greek domestic and foreign politics and Greece's participation in the process of European integration The second part deals with Greece and the EMU the third analyzes the issues related to state modernization and adjustment A fourth section examines the welfare state and related policies and the final part analyzes Greece's foreign policy and external relations with particular emphasis on the Balkans and Greek Turkish relations *The Faltering Transition* Mark Gilbert, Gianfranco Pasquino, 2000 In 1999 Italy experienced another year of political uncertainty The centre left coalition government was weakened by infighting throughout the year and paid a high electoral price for its failure to present a common front to the electorate In June Silvio Berlusconi's Liberty Pole coalition won substantial victories in local elections including a symbolic triumph in Bologna a stronghold of the Italian left In December bickering inside his parliamentary majority forced Massimo D'Alema the prime minister to reshuffle his cabinet This was the first government crisis to be handled by Carlo Azeglio Ciampi who became the tenth President of the Republic in May 1999 In the autumn Giulio Andreotti a seven times prime minister was acquitted of having colluded with the Sicilian Mafia and with having ordered the murder

OECD Economic Survey Organisation for Economic Co-operation and Development Staff, 2000 The OECD produces highly sought after annual reviews of Member countries economies and selected non member countries Approximately eighteen surveys are issued during a calendar year Each issue provides a solid analysis of developments in the OECD Economic Surveys: Germany 1998 OECD, 1998-09-17 This 1998 edition of OECD's periodic review of Germany's economy examines recent economic developments policies and prospects It also includes special features on reforming the federal fiscal system and on policies to promote growth and employment **PAIS International in Print** Gwen Sloan, 1997-04

Continuity and Change in Contemporary Capitalism Herbert Kitschelt, 1999-01-13 In the early 1980s many observers argued that powerful organized economic interests and social democratic parties created successful mixed economies promoting economic growth full employment and a modicum of social equality The present book assembles scholars with formidable expertise in the study of advanced capitalist politics and political economy to reexamine this account from the vantage point of the second half of the 1990s The authors find that the conventional wisdom no longer adequately reflects the political and economic realities Advanced democracies have responded in path dependent fashion to such novel challenges as technological change intensifying international competition new social conflict and the erosion of established patterns of political mobilization The book rejects however the currently widespread expectation that internationalization makes all democracies converge on similar political and economic institutions and power relations Diversity among capitalist democracies persists though in a different fashion than in the Golden Age of rapid economic growth after World War II

OECD Economic Surveys: Greece 1998 OECD, 1999-02-05 This 1998 edition of OECD's periodic review of Greece's

economy examines recent economic developments policies and prospects It includes special features on structural reform and public enterprise reform Public Policy Disasters in Europe Paul 't Hart,Pat Gray,2005-06-27 This book considers some recent and spectacular failures in policy making and asks what is meant by policy disaster the different forms that they can take and why they have occurred These issues are explored in nine contrasting cases drawn from both the European Union and its member states These include the devastating crisis in the Belgium political system following the exposure of a paedophile ring the crisis in the Dutch fight against drugs Mad Cows the Arms to Iraq affair in the UK monetary union between West and East Germany the Swedish monetary crisis of 1992 and the EU s common fisheries policy and policies towards civil war in Yugoslavia This book is an excellent study of how and why policies can go wrong and highlights the limits of what governments can achieve in Western Europe
