China's Agricultural Trade: Competitive Conditions and Effects on U.S. Exports , America's Priorities Charles Konigsberg,2008 Charles Konigsberg has done a great service for American taxpayers giving all of us a clear direct and meaningful guide to the 3 trillion of our money that goes to the government to fund programs that shape our daily lives for better or worse For one used to wading through gobbledygook or impenetrable jargon the plainspoken straightforward actual English in this book is especially refreshing Every American concerned about federal taxing and spending Democrat Republican or other budget analyst or average citizen should have this book Norman Ornstein Resident Scholar American Enterprise Institute This is an extremely useful book both for those seeking a comprehensible introduction to the complexities of the federal budget and to practitioners needing a quick refresher course Alice M Rivlin former Director Office of Management and Budget and Congressional Budget Office Charles Konigsberg who advised my good friend Pat Moynihan on fiscal policy explains in clear and concise language why the United States is on a dangerous fiscal path with entitlement programs particularly the health care entitlements growing at an unsustainable rate due to rapidly rising health care costs Bob Kerrey former Senator from Nebraska and current President of the New School

America s Priorities explains in clear concise nonpartisan

language how the U S government raises and spends 3 trillion per year The book provides plain English explanations of the budget process major Federal spending programs Federal taxes and the reasons for the major swing from deficits in the 1980s to surpluses in the late 1990s and back to rapidly increasing debt in the current decade A broad spectrum of readers will find the book useful journalists political and financial commentators the government and financial sectors the academic community and voters looking for a nonpartisan explanation of how our elected officials are prioritizing public resources Charles S Konigsberg has over two decades of bipartisan experience in the White House and U S Senate having served as General Counsel at the Senate Finance Committee Minority Chief Counsel at the Senate Rules Committee Staff Attorney at the Senate Budget Committee and 4 years as an Assistant Director at the Office of Management and Budget *OECD Public Governance Reviews Towards More Effective and Dynamic Public Management in Mexico* OECD,2011-06-30 This public governance review of Mexico examines the regulatory framework in Mexico explains how e government could be used to find new approaches to old challenges and looks at the challenge of professionalising public servants in Mexico **Monthly Labor Review** United States. Bureau of Labor Statistics,2005-06 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews International Encyclopedia of Political Science Bertrand Badie,Dirk Berg-Schlosser,Leonardo Morlino,2011-09-07 Developed in partnership with the International Political Science Association this must have authoritative political science resource in eight volumes provides a definitive picture of all aspects of political life OECD Economic Surveys: United States 2016 OECD,2016-06-16 This 2016 OECD Economic Survey of the United States examines recent economic developments policies and prospects The special chapters cover Private sector productivity and Making growth more inclusive **The Economics of Crime** Rafael Di Tella,Sebastian Edwards,Ernesto Schargrodsky,2010 This title presents a survey of the crime problem in Latin America which takes a very broad and appropriately reductionist approach to analyse the determinants of the high crime levels focusing on the negative social conditions in the region including inequality and poverty and poor policy design such as relatively low police presence The chapters illustrate three channels through which crime might generate poverty that is by reducing investment by introducing assets losses and by reducing the value of assets remaining in the control of households Innovation in Social Services Tomáš Sirovátka,Bent Greve,2016-05-23 EU member states have seen high levels of unemployment in recent years especially amongst young people At the same time the fiscal crisis of welfare states has made it difficult for them to invest in new jobs and new economic growth The EU at least since the enactment of the Amsterdam treaty has had a focus on how to support member states development of an employment policy which aims for higher levels of participation lower levels of unemployment and more gender equal approaches Through exploring patterns in the recent development of financing and governance of social services and developments of social services and employment in the Czech Republic Denmark Germany and the UK this volume provides readers with new knowledge and evidence of the options regarding social innovation in

social services Furthermore it provides a comparative European perspective on how the interplay between a public and private mix of social service on the one hand might help in creating jobs and on the other be a way of coping with the needs and expectations of higher level of services in the core areas of the welfare state

Democratic Militarism Jonathan D. Caverley, 2014-05-01 Why are democracies pursuing more military conflicts but achieving worse results Democratic Militarism shows that a combination of economic inequality and military technical change enables an average voter to pay very little of the costs of large militaries and armed conflict in terms of both death and taxes Jonathan Caverley provides an original statistical analysis of public opinion and international aggression combined with historical evidence from the late Victorian British Empire the US Vietnam War effort and Israel's Second Lebanon War This book undermines conventional wisdom regarding democracy's exceptional foreign policy characteristics and challenges elite centered explanations for poor foreign policy This accessible and wide ranging book offers a new account of democratic warfare and will help readers to understand the implications of the revolution in military affairs

Europe - Space for Transcultural Existence? Martin Tamcke, Janny de Jong, Lars Klein, Margriet van der Waal, 2013 Europe Space for Transcultural Existence is the first volume of the new series Studies in Euroculture published by Göttingen University Press The series derives its name from the Erasmus Mundus Master of Excellence Euroculture Europe in the Wider World a two year programme offered by a consortium of eight European universities in collaboration with four partner universities outside Europe This master highlights regional national and supranational dimensions of the European democratic development mobility migration and inter multi and transculturality The impact of culture is understood as an element of political and social development within Europe The articles published here explore the field of Euroculture in its different elements it includes topics such as cosmopolitanism cultural memory and traumatic past's colonial heritage democratization and Europeanization as well as the concept of European identity in various disciplinary contexts such as law and the social sciences In which way have Europeanization and Globalization influenced life in Europe more specifically To what extent have people in Europe turned transcultural The trans is understood as indicator of an overlapping mix of cultures that does not allow for the construction of sharp differentiations It is explored in topics such as immigration and integration as well as cultural products and lifestyle The present economic crisis and debt crisis have led as side result to a public attack on the open cosmopolitan outlook of Europe The values of the multicultural and civil society and the idea of a people's Europe have become debatable This volume offers food for thought and critical reflection
