## **Oedipus In Nottingham D H Lawrence:**

**Oedipus in Nottingham: D.H. Lawrence** Daniel Weiss,1962      **The Oedipus Complex in D. H. Lawrence's Sons and Lovers** Louise Hathaway, I've been a big fan of D H Lawrence since my first year of college I loved his novels Lady Chatterley's Lover Women in Love and The Rainbow The novel that I couldn't quite get my arms around was Sons and Lovers the strange story about a mother who smothered her son with her possessive love and treated him like a substitute for her abusive husband When I was reading it I kept thinking Is it just me or does this really seem like The Oedipus Complex going on in this relationship I wanted to see what the critics said and what Lawrence himself thought Were his parents like the ones depicted in Sons and Lovers That is what this critical essay is all about At the end of the essay I've included some of my photos of Lawrence's house in Eastwood England where he was born and in New Mexico where his ashes are interred The painting on the book cover is by Dominique Van Rentergem      D. H. Lawrence Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence's travels and his development over time      **D.H. Lawrence's Final Fictions** Ben Stoltzfus,2024-04-08 D H Lawrence's Final Fictions A Lacanian Perspective explores how literature thinks more specifically how the reading of fiction influences behavior Lawrence writes passionately about our alienation from ourselves from other people and from the cosmos He believes that we need to heed the voices of our unconscious and he shows us how to meld body and mind so that psychoanalytically speaking Id and Ego can come together In this endeavor there is a salient convergence between Lawrence's writings and those of Jacques Lacan the French psychoanalyst In this book Stoltzfus examines the poetics of seven major fictions that Lawrence wrote between 1925 and 1930 five productive years that are referred to as his fabulation period In each of the book's seven chapters in tandem with Lacan's writings Stoltzfus analyzes seven major characters four of whom move from alienation to the renewal of self and the cosmos He argues that Lawrence's fiction is simultaneously descriptive and prescriptive by showing us how to circumvent dysfunction Stoltzfus brings literature

and psychoanalysis together in readings that are both aesthetic and epistemological They are recipes for curing the Anthropocene

**D. H. Lawrence and Ambivalence in the Age of Modernity** Gaku Iwai, 2024-05-01 D H Lawrence is renowned for his scathing criticism of the ruling class industrialisation of the country and wartime patriotism However his texts bear the imprint of contemporary dominant ideologies and discourses of the period Comparing Lawrence s texts to various major and minor contemporary novels journal articles political pamphlets and history books this book aims to demonstrate that Lawrence s texts are ambivalent his texts harbour the dynamism of conflicting power struggles between the subversive and the reactionary For example in some apparently apolitical texts such as *The White Peacock* and *Movements in European History* reactionary ideologies and wartime propaganda are embedded Some texts like *Lady Chatterley s Lover* are intended to be a radical critique of the period wherein it was composed but they also bear discernible traces of the contemporary frame of reference that they intend to subvert Focusing on Lawrence s stories and novels set in the mining countryside and the works composed under the impact of the First World War this book establishes that Lawrence s texts in fact consist of multiple layers that are often in conflict with each other serving as a testimony to the age of modernity

**D.H. Lawrence** Keith Cushman, Earl G. Ingersoll, 2003 In addition the collection demonstrates that although Lawrence has been misread as sexist Lawrence studies has continued to attract women scholars

**BOOK JACKET** *The Consciousness of D.H. Lawrence* Daniel J. Schneider, 1986 This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence s thought and feeling over the course of his lifetime The author blends intellectual biography and psychology to focus on Lawrence s religious nature as a shaping force in his life

**D. H. Lawrence and Psychoanalysis** John Turner, 2020-03-03 This book opens out a wholly new field of enquiry within a familiar subject it offers a detailed yet eminently readable historical investigation of a kind never yet undertaken of the impact of psychoanalysis at a crucial moment of its history on the thinking and writing of D H Lawrence It considers the impact on his writing through his relationship with Frieda Weekley of the maverick Austrian analyst Otto Gross it situates the great works of 1911 20 in relation to the controversial issues at stake in the Freud Jung quarrel about which his good friend the English psychoanalyst David Eder kept him informed and it explores his sympathy with the maverick

American analyst Trigan Burrow It is a study to interest a literary audience by its close reading of Lawrence s texts and a psychoanalytic audience by its detailed consideration of the contribution made to contemporary debate by three comparatively neglected analytic thinkers D. H. Lawrence and the Child Carol Sklenicka,1991 In the first major work that considers the importance of childhood representations in shaping the modern writer Sklenicka unearths the richness of possibility D H Lawrence found in his depiction of children and the complexities of family life Publishers website *D.H. Lawrence and the Paradoxes of Psychic Life* Barbara A. Schapiro,1999-07-29 Contributing to the debate about D H Lawrence s relationship with and fictional portrayal of women this book discusses how the dynamic tensions of his art dramatically reenact the competing forces of psychic and relational life In her examination of *Sons and Lovers* *The Rainbow* *Women in Love* and various short stories Schapiro discusses how Lawrence s best works reveal a continual struggle to recognize and be recognized by the other as an independent subject Drawing on Jessica Benjamin s psychoanalytic theory of intersubjectivity she also demonstrates how a breakdown of balanced subject subject relations in his texts gives rise to defensive polarities of gender and of domination and submission *D. H. Lawrence's Language of Sacred Experience* C. Burack,2005-11-20 This book demonstrates how D H Lawrence s prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers Charles Burack argues that Lawrence s major novels beginning with *The Rainbow* are structured as religious initiation rites that attempt to break down the reader s normative mindset and to evoke new numinous experiences of self and world Through careful analysis of narrative structure literary technique and sacred discourses Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism Unlike most initiations that conclude with powerful affirmations Lawrence s novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred erotic exploration A D.H. Lawrence Handbook Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography D.H. Lawrence Fiona Becket, Annotation This guide moves beyond the controversy surrounding *Lady Chatterley s Lover* to examine the prolific output of poetry novels and non fiction that made Lawrence a central figure in the Modernist movement The Fiction of D.H. Lawrence Sujata Gurudev,2006 A Great Modernist Novelist Short Story Writer Poet Critic Playwright And Essayist D H Lawrence Gave To The World His Own Brand Of Creativity As Also His Critical Insights Lawrence S Life Art Criticism Poetry And Teaching Were All So Closely Related That It Is Unusually Difficult To Distinguish One Aspect Of His Achievement From All The Others The Present Book The Fiction Of D H Lawrence Attempts To Render In A Simple And Lucid Manner An In Depth Analysis Of Lawrentian Fiction Aiming At Acquainting Readers With The Passionate Beliefs Of Lawrence As Manifested In His Fictional Material Like His Novels Novellas And Short Stories The Book Analyses Some Of Lawrence S Major Fictional Works Ranging From The Outrageous *Lady Chatterley S Lover* To Little Known Works Like *The Man Who*

Died The Selection Of Novels Novellas And Short Stories Analysed In The Book Has Been Done Keeping In Mind Key Issues Like The Man Woman Relationship The Mystical Religion Of The Blood Or The Dark Gods Of Mexico Etc It Traces The Development Of Lawrentian Thought In Terms Of Assumptions Common To His Essays As Well As Presenting Him Through A Plethora Of Contemporary Critics While The Present Work Offers To The Student Community An Accessible And Exciting Study Material Which Would Prove Useful To Them It Is A Valuable Source Of Reference For The Teachers **D.H.**

**D.H. Lawrence and Attachment** Ronald Granofsky,2022-06-15 Though we all face a tug of war between dependency and autonomy while growing up British author D H Lawrence 1885 1930 experienced the struggle with particular intensity Later in life his acute observational skills high emotional intelligence and expressive abilities would allow him to articulate this conflict in his works as few other writers have Applying concepts from attachment theory D H Lawrence and Attachment presents innovative readings of a broad swath of Lawrence s fiction Ronald Granofsky teases out hidden patterns in Lawrence s work deepening our understanding of his fictional characters and revealing new significance to key thematic concerns like gender identification marriage and class Lawrence s too close relationship with his own mother in particular was the foundation for his lifelong interest in attachment as well as the impetus for his literary exploration of the delicate balance between the desire for closeness and the need for separation While the theories of Margaret S Mahler D W Winnicott John Bowlby and others were developed after Lawrence s death his writing about relationships and how they are influenced by early childhood experiences bears a striking resemblance to the concepts of attachment theory The Lawrence who emerges from D H Lawrence and Attachment is a psychological writer of great power whose intuitive insights into the vagaries of attachment resulted in rich complex fiction *D.H. Lawrence's The Rainbow and Women in Love* Doo-Sun Ryu,2005 Focusing on D H Lawrence s concept of essential criticism which was introduced in his posthumously published Study of Thomas Hardy and his statement that every work of art adheres to some system of morality But it must contain the essential criticism on the morality to which it adheres this book examines the ways in which Lawrence presents his ideas in his major novels The Rainbow and Women in Love It explores how this concept plays a crucial role in his fiction as an other to the implied author s messages functioning differently as equivocation and creative strife respectively in The Rainbow and Women in Love the concept helps to make these novels more dynamic than commonly realized D.
