A BOY'S REMARKABLE JOURNEY

FROM A REFUGEE CAMP

MAWI ASGEDOM

TO HARVARD

Nancy Dean

Of Beetles and Angels Mawi Asgedom, 2008-10-23 Read the remarkable true story of a young boy s journey from civil war in east Africa to a refugee camp in Sudan to a childhood on welfare in an affluent American suburb and eventually to a full tuition scholarship at Harvard University Following his father's advice to treat all people even the most unsightly beetles as though they were angels sent from heaven Mawi overcomes the challenges of language barriers cultural differences racial prejudice and financial disadvantage to build a fulfilling successful life for himself in his new home Of Beetles and Angels is at once a harrowing survival story and a compelling examination of the refugee experience With hundreds of thousands of copies sold since its initial publication and as a frequent selection as one book one school one community reads this unforgettable memoir continues to touch and inspire readers This special expanded fifteenth anniversary edition includes a new introduction and afterword from the author a discussion guide and more Of Beetles & Angels Mawi Asgedom, Mawi, 2014-05-21 An autobiography of a boy who at the age of three fled civil war in Ethiopia by walking with his mother and brother to a Sudanese refugee camp and later moved to Chicago and earned a scholarship to Harvard University Includes recipes and discussion questions Of Beetles & Angels Mawi Asgedom, 2004 An autobiography of a boy who at the age of three fled civil war in Ethiopia by walking with his mother and brother to a Sudanese refugee camp and later moved to Chicago and earned a scholarship to Harvard University Includes recipes and discussion questions and Angels Mawi Asgedom, Mawi, 2002-09-01 An autobiography of a boy who at the age of three fled civil war in Ethiopia by walking with his mother and brother to a Sudanese refugee camp and later moved to Chicago and earned a scholarship to Harvard University Includes recipes and discussion qu Supporting the Journey of English Learners after Trauma Brenda Custodio, Judith B. O'Loughlin, 2021-01-08 One of the hottest topics in education today is trauma informed pedagogy Much of what has been written in this area comes from counselors therapists and other experts in this field but there is very little written specifically about the effects of trauma on English learners This book has been written to address this need The authors have sifted through the literature on trauma and social emotional learning SEL to provide the material that applies directly to English learners This book was written mainly for teachers of students with immigrant backgrounds and for the building administrators who support them including counselors paraprofessionals and social workers This book is designed to provide a practical resource to help educators better understand the possible traumatic backgrounds of their students and how that could be affecting their academic social and emotional lives It also focuses on how school personnel can create a safe environment in schools and classrooms to help students recognize nurture and expand the internal resilience that has enabled them to weather past situations and that will allow them to continue the healing process One chapter is devoted to the topic of self care for educators who are working so hard to help students be resilient An appendix features a list of recommended books on the topics of personal migration and resilience Students With Interrupted Formal Education

Brenda Custodio, Judith B. O'Loughlin, 2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah I Short Under the best of circumstances the academic demands of today s classrooms can be daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress often at a remarkable speed But it s up to us their educators to provide the time attention and a specific focus Consider this book your first step forward Children's Book-a-Day Almanac Anita Silvey, 2012-10-30 An expert on children's literature provides a worthwhile resource for teachers librarians and parents Booklist The Children's Book a Day Almanac is a new way to discover a great children's book every day of the year This fresh inventive reference book is a dynamic way to showcase the gems both new and old of children's literature Each page features an event of the day a children's book that relates to that event and a list of other events that took place on that day Always informative and often surprising celebrate a year of literature for children with The Children's Book a Day Almanac This has solid possibilities as a springboard for daily reading and writing activities in the classroom or as simply a book focused way to start the day Bulletin of the Center for Children's Books Language and Learning in Multilingual Classrooms Elizabeth Coelho, 2012-06-25 This book is a research based practical guide for educators who work with students whose linguistic and cultural background is different from their own Illustrated with many practical examples of classroom activities projects and teaching strategies the book is also an introduction to immigrant education for school administrators and educational planners in communities or regions that are in the process of developing plans and programs for newcomer students Although the focus is on first generation immigrant children many of the recommended approaches and instructional strategies described in this book can be used or adapted for use with second generation children and historical linguistic and cultural minorities such as children from Aboriginal communities in North America or children of Roma background in Europe **Overcoming Personal Challenges** Vic Parker, Victoria Parker, 2012-07 Real life stories of how young people from around the world have overcome personal challenges World Poverty Sylvia Whitman, 2008 Examine the situations in the United States India Syria the Democratic Republic of the Congo Guatemala and the Ukraine and investigate the

strategies that these national governments have adopted to fight poverty Welcoming the Stranger Matthew Soerens, Jenny Yang, Leith Anderson, 2018-07-03 World Relief staffers Matthew Soerens and Jenny Yang move beyond the rhetoric to offer a Christian response to immigration With careful historical understanding and thoughtful policy analysis they debunk myths about immigration show the limits of the current immigration system and offer concrete ways for you to welcome and minister to your immigrant neighbors Multicultural America Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits Shakespeare and Immigration Ruben Espinosa, 2016-04-01 Shakespeare and Immigration critically examines the vital role of immigrants and aliens in Shakespeare s drama and culture On the one hand the essays in this collection interrogate how the massive influx of immigrants during the reign of Queen Elizabeth I influenced perceptions of English identity and gave rise to anxieties about homeland security in early modern England On the other they shed light on how our current concerns surrounding immigration shape our perception of the role of the alien in Shakespeare's work and expand the texts in new and relevant directions for a contemporary audience The essays consider the immigrant experience strangers and strangeness values of hospitality in relationship to the foreigner the idea of a host society religious refuge and refugees legal views of inclusion and exclusion structures of xenophobia and early modern homeland security In doing so this volume offers a variety of perspectives on the immigrant experience in Shakespearean drama and how the influential nature of the foreigner affects perceptions of community and identity and collection questions what is at stake in staging the anxieties and opportunities associated with foreigners Ultimately Shakespeare and Immigration offers the first sustained study of the significance of the immigrant and alien experience to our understanding of Shakespeare's work By presenting a compilation of views that address Shakespeare s attention to the role of the foreigner the volume constitutes a timely and relevant addition to studies of race ethics and identity in Shakespeare **Seeking Salaam** Sandra M. Chait, 2011-12-01 Prolonged violence in the Horn of Africa the northeastern corner of the continent has led growing numbers of Ethiopians Eritreans and Somalis to flee to the United

States Despite the enmity created by centuries of conflict they often find themselves living as neighbors in their adopted cities with their children as class mates in school In many ways they are successfully navigating life in their new home however they continue to struggle to bridge old ethnic divisions and find salaam or peace with one another News from home fuels historical grievances and perpetuates tensions within their communities delaying acculturation undermining attempts at reconciliation and sabotaging the opportunity to reach the American Dream In conversations with forty East African immigrants living in Seattle Washington and Portland Oregon Sandra Chait captures the immigrants struggle for identity in the face of competing stories and documents how some individuals have been able to transcend the ghosts from the past and extend a tentative hand to their former enemies Ebony ,2004-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Sanctifying Suburbia Brian Jonathan Miller, 2025 The suburbs are home to the majority of Americans including millions of evangelical Christians and thousands of evangelical congregations and organizations And while American evangelicals are a potent force in society and politics their connection to and embrace of the suburbs are rarely examined How did white evangelicals come to see the suburbs as a promised land home to the evangelical good life and to dense concentrations and networks of evangelical residents churches big and small and nonprofit organizations This book systematically assesses how evangelicals became intertwined with the suburbs and what this means for evangelical life Brian Miller shows how evangelical views of race and ethnicity social class and gender led to anti urban sentiment white flight and the pursuit of racial exclusivity all of which has led evangelicals to make the suburbs their physical and spiritual home At the same time clusters of evangelical organizations were planting themselves in the suburbs drawing evangelicals out of the cities Through sociological analysis case studies of multiple communities with clusters of evangelical residents and examinations of evangelical culture Miller shows that in order to fully understand American evangelicals we must take a deeper look at how evangelicals embraced suburbs and how the suburbs shaped them **Exploring People and Cultures** Mary Ellen Sweeney, Brooke Walker, 2021-09-03 Exploring People and Cultures Authentic Ethnographic Research in the Classroom provides teachers with tools and activities for conducting a classroom study of ethnic groups and cultures Through the more than 30 ready to use differentiated lessons teachers will help students learn how to recognize the elements of culture think critically apply real world research techniques in field experiences identify behavioral patterns in modern day cultures and create plan and share their products in a student led ethnography fair Grades 5 8 African & American Marilyn Halter, Violet Showers Johnson, 2014-08-29 Examines what it means to be African and American through the stories of recent West African immigrants African American tells the story of the much overlooked experience of first and second generation West African immigrants and refugees in the United States during the last forty years Interrogating the complex role of post colonialism in the recent history of black America Marilyn Halter and Violet Showers Johnson highlight the intricate patterns

of emigrant work and family adaptation the evolving global ties with Africa and Europe and the translocal connections among the West African enclaves in the United States Drawing on a rich variety of sources including original interviews personal narratives cultural and historical analysis and documentary and demographic evidence African American explores issues of cultural identity formation and socioeconomic incorporation among this new West African diaspora Bringing the experiences of those of recent African ancestry from the periphery to the center of current debates in the fields of immigration ethnic and African American studies Halter and Johnson examine the impact this community has had on the changing meaning of African Americanness and address the provocative question of whether West African immigrants are indeed becoming the newest African Americans Discovering Voice Nancy Dean, 2013 Lessons on diction detail figurative language imagery syntax and tone help middle and early high school students understand the concept of voice in what they read and develop a strong personal voice in their own writing Each voice lesson takes only 10 20 minutes to complete and includes a quotation selected from a wide range of literature two discussion questions and an exercise that encourages students to practice what they have learned about the elements of voice Discovering Voice also offers a collection of quotations students can use to create their own voice lessons Discussion suggestions for each voice lesson and additional activities for teaching voice further promote critical analysis Each of the seven packs on the elements of voice diction detail figurative language 1 metaphors similes and personification figurative language 2 hyperboles symbols and irony imagery syntax and tone include an introduction lessons with discussion questions and an exercise write your own voice lessons a list of additional activities for teaching voice and discussion suggestions Africans in America Richard Worth, Robert Asher, 2009 Unlike other immigrant groups the story of African immigration is unique because the majority of Africans did not choose to come to North America but were brought here against their will Africans in America treats all the comings of African Ameri
