**Thoughts, Moments and Memories** Joseph Lange,2019-09-27 As the mist rises from the forest on the warming morning breeze so do the memories in an old man s mind Rising up from long forgotten places recessed deep within the mind the changes of the seasons mirror the changes of your own life Each separate and filled with wonder Each giving a life lesson if you will only notice Each day a gift Each flower a wonder The Thoughts Moments and Memories of fifty years observing the glory of God in his magical forests For those who can close their eyes and see only fading footprints of their journeys deep within the forest and woodlots of Wisconsin I invite you to come along with me To relieve the sights and sounds I have had in my fifty years in a tree stand God speaks in many places He has spoken to me as I sat in his wild places Spoken softly on the warm south wind as well as harsh lessons carried on the winds of winter May God grant you peace in this busy world Take time from it to walk the quiet land Sit by the small streams and listen You like I will hear him You need only to calm yourselves and seek it When you get to the end of your life s trail you will know that you have truly lived The Elderly Are Those Who Have Been Lucky Enough To Reach Old Age Luz María Londoño,2014-09-25 Reflections such as these are subtly collected in this book and placed in the light of her own reflections by Luz Mar a Londoño With secret fascinated delight she has journeyed through the vast garden of universal literature selecting the most memorable thoughts on life and death and that forcible interval called old age which have thrived from Seneca to the present day Those of us who have reached the threshold of seventy or eighty years of age cannot remain indifferent to all the memories stirred by these pages We all want to live to old age and we all deny that we have done so wrote Quevedo And centuries later Trotsky echoed these words in a similar reflection To age is the most unexpected of all the things that happen to man Very true Old age is similar to twilight it suddenly briefly and intensely lights up the high points of our lives like an announcement and a preamble to night The Autobiography of Robert Rantoul SC Robert Ramtoul,2018-05-24 Written by him as a memoir in 1848 Love Letters Juli Croy,2013 Love Letters is a book based on author Juli Croy s own experiences that shares some of the poignant and often difficult moments of trying to be a parent daughter wife and friend while balancing everyday life The stories in these pages are about real life and the real relationships and events that help us determine which direction to go even if it s sometimes

just a temporary detour Ultimately the purpose of the words captured inside these pages is not to lecture or to preach but to share the imperfections that have helped to lead to a new understanding for one parent and the impact the journey has had on her family as a whole Author Juli Croy has been writing since the age of 10 when she first published her poetry Love Letters is her first book She resides in Washington State with her husband and five of their children Publisher s website [http sbpra com JuliCroy](http://sbpra.com/JuliCroy)
