Of Love And Slaughter:

Of Love and Slaughter Hb Book Clb Angela Huth, 2002-06-01 **The Politics of Love** Carla Christina Hustak, 2024-01-23 The Politics of Love explores the entanglement of emotions social movements and science in reconfiguring human and nonhuman relations As Darwin s evolutionary theory informed the development of sexual science and the sex reform movement between the 1890s and the 1920s sex reformers emerged as a group of diverse and culturally influential professionals doctors psychologists artists political activists novelists and academics who shared a profound commitment to changing the world by changing the practice of sex Sex reformers reinvented love as a scientific practice of sex that brought humans and nonhumans into the fold of early twentieth century racial gender and sexual politics Carla Christina Hustak illuminates how sex reformers insistence that love can shift human and nonhuman relations is more than just a historical narrative it is a moment in time interconnected with urgent contemporary concerns over the global implications of our emotional relationships to other humans animals the earth and atmospheric and technological forces

Of Love and Slaughter Angela Huth, 2011-09-28 George Elkin has loyally trained as a solicitor in order to follow in his father s footsteps and run the family firm But when his father dies George resolves to follow his heart instead looking after the West Country farm he grew up on With the help of neighbours his childhood friends Prodge and Nell George is sure he can adapt to a rural lifestyle Nell holds feelings for George she has kept hidden since their childhood and has long had the hope that their friendship would develop into something stronger But then Lily a woman George knew in his Oxford days comes to stay and changes all of their lives and it seems that Nell s hopes will forever remain unfulfilled Meanwhile the rural community is facing a threat to its very existence BSE foot and mouth government proposals on hunting each crisis straining farmers and their livelihoods to breaking point And George and Prodge are faced with the awful knowledge that their future is out of their hands **Of Love and Slaughter B Pbp** Angela Huth, 2003-10 *He Thinks He's Down* Katharine

Bausch, 2020-06-01 The end of the Second World War saw a crisis of white masculinity brought on by social political and economic change He Thinks He s Down explores the specific phenomenon of white men appropriating Black masculinities to benefit from what they believed were powerful Black masculinities It reveals the intricate relationships between racialized gender identities appropriation and popular culture during the Civil Rights Era Drawing on case studies from three genres of popular culture the literature of Mailer and Kerouac fashion in Playboy magazine and action narratives in Blaxploitation films Katharine Bausch untangles the ways in which white male artists took on imagined Black masculinities in their work in order to negotiate what it meant to be a man in America at this time In so doing Bausch argues white men s use of Black masculinities drained Black men of their political and racial agency and reduced them once more to little more than stereotypes *Byron* Jane Stabler, 2014-06-11 Often seen as the exception to generalisations about Romanticism Byron s poetry and its intricate relationship with a brilliant scandalous life has remained a source of controversy throughout the

twentieth century This book brings together recent work on Byron by leading British and American scholars and critics guiding undergraduate students and sixth form pupils through the different ways in which new literary theory has enriched readings of Byron's work and showing how his poetry offers a rewarding focus for questions about the relationship between historical contexts and literary form in the Romantic period Diverse and fresh perspectives on canonical texts such as Don Juan Childe Harold's Pilgrimage and Manfred are included together with stimulating analyses of less well known narrative poems lyrics and dramas A clearly structured introduction traces key developments in Byron criticism and locates the essays within wider debates in Romantic studies Detailed headnotes to each essay and a guide to further reading help to orientate the reader and offer pointers for further discussion The collection will enable students of English literature Romantic studies and nineteenth century cultural studies to assess the contribution that different critical methodologies have made to our understanding of individual poems by Byron as well as concepts like the Byronic hero and evolving definitions of Romanticism

Slaughter's Cove Marc Neuffer, 2024-04-09 Marine Patrol Adventure When the sky is falling do you save your friends or the world Newly promoted Lieutenant Jennifer Slaughter takes her ship and six crew on their maiden voyage off the coast of Maine as part of the Marine Fisheries Patrol When they pull away from the dock her primary concern is the last minute addition of a rookie to the crew Patrica Lambert's file is thin with unexplained gaps Will Lambert make the grade Jennifer soon learns her vessel has been bought and paid for by the Department of Homeland Security and has no recourse when federal agencies want a hand in her operations She and her crew are called to action when terrorist plans threaten U S cities from the sea

Emblems Of Love Lascelles Abercrombie, 2019-12-09 In Emblems of Love Lascelles Abercrombie crafts a poignant exploration of love through a series of lyrical and philosophical reflections The collection is characterized by its vivid imagery and soft evocative language reflecting the influence of the early modernist movement while maintaining a deep connection to Romantic ideals Abercrombie's imagery captures the complexities and nuances of love portraying it as both a transcendent force and a source of profound vulnerability Layered with symbolism and rich in emotional depth the poetry invites readers to engage with the multifaceted nature of human relationships and desire Abercrombie a pivotal figure in the Georgian poetry movement was heavily influenced by his fervent studies of classic literature and his own experiences in the tumultuous landscape of early 20th century England His teaching and literary pursuits nurtured a profound understanding of the poetic form culminating in a work that resonates with contemporary readers while also echoing the classic themes of love and loss This collection reflects not only Abercrombie's literary prowess but also his deep introspection regarding human emotion and connection Emblems of Love is essential reading for anyone seeking to delve into the intricacies of love through the lens of beautifully crafted verse Readers will find themselves captivated by Abercrombie's unique voice and the emotional truths he eloquently expresses making this collection not only a testament to his talent but also a mirror reflecting the tender and tumultuous nature of love itself

Pilgrims of Love Pnina Werbner, 2016-12-19 will

be of interest not only to those concerned with Pakistan and the new Muslim presence in Europe but also to those interested in an anthropological study of religion Barbara Metcalf University of California Davis Pnina Werbner traces the development of a Sufi Naqshbandi order founded by a living saint Zindapir whose cult originated in Pakistan and has extended globally to Britain Europe the Middle East and southern Africa Drawing on 12 years of fieldwork in Pakistan and Great Britain she elucidates the complex organization of Sufi orders as regional and transnational cults and examines how such cults are manifested through ritual action and embodied in sacred mythology and global diasporas A focus of the study is the key event in the order's annual ritual cycle a celebration in which tens of thousands of people gather at the saint's lodge in Pakistan and in the streets of Britain Werbner challenges accepted anthropological and sociological truths about Islam and modernity and reflects on her own role as ethnographic observer Pilgrims of Love is a major contribution to our understanding of diasporic Islamic practices highlighting the vitality of Sufi orders in the postcolonial world

Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices
