including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming degendered and gender is becoming demilitarized *Tragic Souls of Love and War* Jacquelyn Howes, 2019-09-08 The Bellamy Mansion in Wilmington North Carolina is the setting of *Tragic Souls of Love and War* in the pre Civil War era during the Civil War and after the war The story is heavily based on facts of four strong women Sarah Sampson the Bellamy family's slave cook Belle Bellamy the oldest Bellamy daughter Mrs Eliza Bellamy the wife of Dr John Bellamy and Harriet Foote Hawley the wife of Union general Joseph Roswell Hawley She was an abolitionist and a first cousin of Harriet Beecher Stowe The mix of these four women and the fictional and extraordinarily charismatic Braxton Scott twist into a story that captures the loves and sorrows of a tragic time in our history that resembles the classic *Gone with the Wind* and reminds us of the sad reality of inequality that still exists today **The Fall of Fort Sumter, Or, Love and War in 1860-61** John Ballou Newbrough, 1867 *A Hero of Love and War* Thomas Morrow, 2015-11-06 Inspired by true events *A Hero of Love and War* is a story of World War II bravery and heroism and the enduring power of love The story begins in 1942 when Patricia Faust and her mother move into the upstairs apartment of the home owned by Will Bardon As the relationship between Will and Patricia develops Will and his widowed mother are devastated by the news that Will's brother Robert has been killed in France Will resolves that he can no longer sit idly by while others sacrifice their lives to defend their country Over Patricia's protests he enlists in the army air force On December 30 1943 returning from a bombing run Will's plane is shot down over German occupied France Gravely wounded Will spends nine days in the frigid Ardennes forest before he is found by French Resistance fighters With his legs badly gangrened the French fighters realize they have no alternative but to turn Will over to the Germans for medical treatment Before they do the French remove Will's dog tags which identify him as Jewish Without his dog tags Will's identity remains unknown and he is reported missing in action Believing the love of her life to have been killed in action Patricia enters a relationship with a young man who is launching a career with US clandestine services Patricia's world is abruptly turned upside down when Will is discovered in a POW camp in Poland As he is repatriated Patricia is suddenly confronted with the reality that Will is now a double amputee Facing years of rehabilitation Will insists that Patricia move on with her life without him Patricia marries the other man in her life and the reader is introduced to the excitement of life in Havana and Mexico City in the 1950s Nevertheless Patricia finds herself
