Of Love Remembered:

Messages of Love Remembered Pauli Rose Libsohn, 2019-06-26 This creative work compiled solely of Mitzi and David Libsohn's original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story. Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them. Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love. With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non-verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper. The art of love's expression is practically non-existent in today's world. Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love's written word.

Love, Remember Malcolm Guite, 2017-11-30 The bestselling poet Malcolm Guite chooses forty poems from across the centuries that express the universal experience of loss and reflects on them in order to draw out the comfort, understanding and hope they offer. Some of the poems will be familiar, many will be new but together they provide a sure companion for the journey across difficult terrain. Some of Malcolm's own poetry is included written out of his work as a priest with the dying and the bereaved and giving to the volume a powerful authenticity. The choice of forty poems is significant and reflects an ancient practice still observed in some European and Middle Eastern societies of taking extra special care of a bereaved person in the forty days following a death. Our word quarantine comes from this. They explore the nature and the risk of love, the pain of letting go and look toward glimpses of resurrection.

The Reconstruction of Resurrection Belief Peter Carnley,2019-06-24 In the companion volume to this *The Resurrection in Retrospect* Peter Carnley focuses on the inadequacies for faith in Jesus Christ of an approach to his resurrection purely as an event of past historical time *The Reconstruction of Resurrection Belief* articulates an alternative understanding of resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today This book seeks to articulate an understanding of the nature of resurrection faith in the language of today with as much logical coherence as possible in the hope that it may have some traction in the increasingly secular world of contemporary scientific materialism It faces the key challenge of seeking to explain how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as the Spirit of life in Christ Jesus Rom 8:2 may be justifiably identified in faith today as the living presence of Jesus of Nazareth
