Of Minutemen Mollys:

The Consequences of Molly's Choice M. Egram, 2012-04-12 Molly Wagner is a radiant blonde and a rumored former party girl Her charismatic joyful personality seems to reveal a shallow core and she may have a couple of rather large skeletons in her closet In spite of these skeletons however she has just been elected President of the United States After a lengthy personally painful campaign Molly has come out victorious the leader of America having disposed of her competition chiefly the Republican governor of Ohio in a tense election Not only did she choose a woman as her running mate but she chose a Latino woman Eva Parker As Molly struggled to move forward after the death of her husband she drew strength and comfort from her friend Wall Street financier Jenny Crowley Now ready for the White House Mollys difficulties have only begun The decisions she made during the election will have serious consequences Beneath the hot microscope of public office Mollys quirks may not measure up The press can be cruel and so can other politicians Now only time will tell if the most powerful woman in the world will crumble under the pressure or become the leader America has been waiting for This political novel explores age old questions such as whether the ends justify the means whether politics is inherently susceptible to dishonest if not illegal behavior by otherwise good people and whether a politicians personal life has a place in public discourse

Molly Pitcher Rachel A. Koestler-Grack, 2013 Mary Ludwig later dubbed Molly Pitcher left the farm she was born on in New Jersey only to find herself loading cannons for George Washington's troops at the battle of Monmouth

The Peacemaker Brenda Duffey, 2009-06-27 Blessed are the peacemakers for they shall be called the children of God. Matthew 5:9

There's More to New Jersey Than the Sopranos Marc Mappen, 2009 An American tourist in Europe stopped at a restaurant in Gdansk, Poland, and struck up a conversation with a local. Where do you come from, he asked. New Jersey, she said. He smiled and replied, Ah, Sopranos. Even fans of that popular show, one that held viewers captive, may be a bit disheartened to discover that the first thing that pops into minds around the world about New Jersey is a dysfunctional crime family just an exit or two off the infamous N.J. Turnpike. But there's no need to live in fear that the only culture and history that the state is known for is well, let's say, a bit of bada-bing. Actually, the echo of the Big Bang, the cosmic event that marked the birth of our universe some 13.7 billion years ago, was first identified by scientists from Bell Labs in Murray Hill, New Jersey. In this lively romp through history from the primitive past to the present day, Marc Mappen's message resonates: There's more to New Jersey than the Sopranos. Real tales, wise tales, tall tales abound throughout the pages of Mappen's collection, filled with zest, humor, scandal, and occasionally tragedy. Annie Oakley, Ulysses S. Grant, Benedict Arnold, Ezra Pound, Shoeless Joe Jackson. These luminaries and many others share a common bond with the state that witnessed prehistoric elephants roaming its pastures, the explosion on the USS Princeton, a Martian invasion, famous firsts like the phonograph, electric light, and movies, and well, step aside, Tony Soprano, mobster Al Capone strolling along the Atlantic City boardwalk. Providing a lens into American history through lively prose and more than twenty-five illustrations, *There's More to New Jersey than the Sopranos* is as much fun as a trip to the Jersey Shore and definitely more rewarding than a night home watching television. Simply stated, this book is one you can't refuse to read.

The Men From Miami Christopher Othen, 2022-05-12 An exhilarating real-life Cold War thriller about the Americans who fought for Fidel Castro in the Cuban Revolution, then

switched sides to try to bring him down Back in 1957 Castro was a hero to many in the USA for taking up arms against Cuba's dictatorial regime Two dozen American adventurers joined his rebel band in the mountains including fervent idealists a trio of teens from the Guantanamo Bay naval base a sleazy ex con who liked underage girls and at least two future murderers Castro's eventual victory delighted the world but then he ran up the red flag and some started wondering if they'd supported the wrong side A gang of disillusioned American volunteers including future Watergate burglar Frank Fiorini and journalist Alex Rorke whose 1963 disappearance remains unsolved changed allegiances and joined the Cuban exiles CIA agents and soldiers of fortune who had washed up in Miami ready to fight Castro's regime by any means necessary These larger than life characters wreaked havoc across the Caribbean and went on to be implicated in President Kennedy's assassination a failed invasion of Papa Doc Duvalier's Haiti and the downfall of Richard Nixon The Cold War had arrived in Miami and things would never be the same again
