*The Concepts of Time in Anglo-Saxon England* Kaifan Yang, 2020-04-02 The book examines the diachronic change of time perception throughout Anglo Saxon England with the conversion as a turning point It draws evidence from a variety of sources in particular from a close reading of Bede s historical writings and his treatises on time from Old English poetry especially *The Dream of the Rood* *The Phoenix* *The Wanderer* *Beowulf* *The Ruin* *Deor* from the literature of the Alfredian period and from the lexical and statistical analysis of Old English time words It offers insights into the complexity of time in the Anglo Saxon context and shows how the change of time can help to understand the conceptual system of the Anglo Saxons

*Suffering Time: Philosophical, Kabbalistic, and Hasidic Reflections on Temporality* Elliot R. Wolfson, 2021-05-25 No one theory of time is pursued in these essays but a major theme that threads them together is Wolfson s signature idea of the timeswerve as a linear circularity or a circular linearity expressions that are meant to avoid the conventional split between the two temporal modalities of the line and the circle The conception of time elicited by Wolfson from a host of philosophical and mystical sources both Jewish and non Jewish buttresses the contention that it is precisely structural invariability that engenders interpretive variation This hermeneutical axiom is justified in turn by the presumption regarding the cadence of time as the constant return of what has always been what is yet to be The telling of time wells forth from the time of telling One cannot speak of the being of time consequently except from the standpoint of the time of being nor of the time of being except from the standpoint of the being of time **This transitory life, 7 lectures** William Hudson, 1870

Greef, 2021-08-09 This is the first work to examine Calvin s understanding of the relationship between Jews and Christians at such a fundamental level After an overview of the status of Jews in Europe during the late Middle Ages and the interest at

that time in the knowledge of Hebrew and Judaism the author turns specifically to Calvin and his interpretation of the Bible Several important questions are addressed How did Calvin understand the relationship between Jews and Christians Have Christians taken the place of the Jews or do they belong to the Jews because they are included in the relationship between God and Israel What does Calvin have to say about the future of the Jews The author concludes that Calvin s view of the relationship between Jews and Christians is closely tied to his view of the unity of the Old and New Testaments

Eschatology The World is from the Trinity Earth moves Heavenward The Final Act A Trinitarian Drama      **Time, Eternity, and the Trinity** Eunsoo Kim, 2010-03-01 One of the vital issues in contemporary Christian theology is the problem of a renewed understanding of God's eternity and its relation to time This is not merely a peripheral doctrinal issue but lies at the heart of our understanding of God and humanity and contributes to our entire worldview This study focuses on a long standing debate between two competing views on God's eternity one focused on God's absolute timelessness in classical theism and the other on God's temporal everlastingness in contemporary panentheism In contrast to both of these well worn options this book presents an alternative Trinitarian analogical understanding of God's eternity and its relation to time especially through a critical reflection on Karl Barth's and Hans Urs von Balthasar's engagement of the issue This analogical approach based on the dynamic and dramatic concepts of God's being in relation and of the Triune God's communicative action in eternity and time has the potential to resolve the debate between absolute timeless eternity and temporal everlasting duration      **The Transient and the Permanent in Christianity** Rudolf Eucken, 1914      *The Flaming Sword*, 1909      *The transient and permanent in Christianity* Theodore Parker, 1908
