Of The True Cornerstone:

1 & 2 Peter and Jude Catherine Gunsalus González, 2011-03-01 Long recognized as significant theological document and one from which the Christian church gains life and direction the book of Ephesians focuses on Jesus Christ's amazing work in redemption and reconciliation. It invites and requires our participation in it. Jointly written by a theological seminary professor and an active pastor, this commentary emerges from an adult Sunday school class on Ephesians they taught together as well as their own studies and experiences. The result is a fascinating work that focuses on the gospel of Jesus Christ and the ways it is to be lived out in the church and by Christians in their own lives. **Consider Him** Catherine Campbell, 2023-10-19

Jesus knows you. Do you want to know Him? In this 365-day devotional, Catherine Campbell invites you to spend a year focusing daily on the life, teachings, and ministry of Jesus Christ. Warmly written and firmly rooted in Scripture, *Consider Him* offers personal stories, anecdotes, and narrative biblical retellings to draw our minds and hearts closer to Him. Catherine also seeks to spur our reflection into action with entries that feature opportunities not just to be listeners of the Word but doers of it as well. Whether you are beginning, renewing, or deepening your relationship with Jesus, let *Consider Him* guide you towards the author and perfecter of our faith. *Always* Melody Carlson, 2010-10 You are part of the miracle God is looking for to help change the world. Right now, in the midst of your busy daily life, God stands ready to help you find your purpose. His hand is stretched out to you from across the water. All you need to do is be willing to take that first step out of the boat. In *Willing to Walk on Water*, Caroline Barnett reveals that God created us to be happiest when we are doing the things we care about most when we're using our innate talents and passions to make the lives of those around us better. Drawing on her experiences at the Dream Center, a ministry full of unlikely miracles in inner-city Los Angeles, Caroline helps you find your trigger, the specific need in your world you can't stand to see unmet any longer. She'll show you how to act with your eyes and heart open to God's leading and to balance your dreams of making a difference with your everyday responsibilities. Give God your willingness, and He will give you a reignited passion for life. Take that first step toward Him; you'll find the water beneath your feet is as firm as solid ground. *Canon, Covenant and Christology* Matthew Barrett, 2020-02-20 All Scripture is breathed out by God. 2 Timothy 3:16. From Paul's epistles, the divine inspiration of Scripture may be confidently affirmed as well as its corollary attributes. However, on turning to Jesus and the Gospels, it is hard to find an explicit approach like Paul's. Matthew Barrett argues that Jesus and the apostles have just as convictional a doctrine of Scripture as Paul or Peter, but it will only be discovered if the Gospels are read within their own canonical horizon and covenantal context. The nature of Scripture presupposed by Jesus and the Gospel writers may not be addressed directly, but it manifests itself powerfully when their words are read within the Old Testament's promise-fulfilment pattern. Nothing demonstrates Scripture's divine origin, divine authorial intent, and trustworthiness more than the gospel of Jesus Christ. In the advent of the Son of God, the Word has become flesh, announcing to Jew and Gentile alike that the covenant promises Yahweh made through the Law and the

Seeing from Heaven Randy Finlay,2010-12-06 Having heavens perspective while walking on the earth seems like the impossible dream to most of us But by understanding the life of Jesus Christ and His finished work we can learn how to see all things from heavens viewpoint Seeing from Heaven focuses on understanding heavens perspective by seeing through the eyes of God our Father who is in heaven We being seated with Him provides us the opportunity to see as He sees being in Christ and seeing through His eyes How does seeing from heaven affect everyday circumstances and everyday life Though in the world Jesus was not of this world Our citizenship is in heaven even while we dwell on the earth Taking a closer look at

Jesus will always open a heavenly view to us Our beliefs should only draw us closer to God and see Him more clearly so we might freely partake of His life Then it is with that impression of His life in us that we live and move and have our being Seeing from Heaven presents a detailed biblical examination of this way of living and encourages us all to live through Gods eyes

The Dark Triad Steve Madison, The world is not ruled by wise and benevolent people The opposite is true Humanity is ruled by the psychopathic the narcissistic and the Machiavellian the malevolent Dark Triad For humanity to progress it needs to learn how to beat these people how to identify them early and stop them getting to the top The Dark Triad types are always entropic and extreme individualists they are all consumingly selfish and care exclusively about themselves We need to get the Light Triad to the top the Compassionate and Empathic the opposite of psychopaths the Altruistic those who care about others hence aren t self obsessed like the narcissists and the Philosopher Kings and Queens the opposite of the Machiavellians who are Sophists who only ever calculate what is personally advantageous to them Plato in the Republic set out how to avoid the Dark Triad from ever reaching power In his system only the wisest were allowed to lead No nation in history has ever implemented Plato s supremely enlightened and progressive ideas Funny that Trust Responsibly Jakob Ohlhorst,2023-10-02 This book offers a defence of Wrightean epistemic entitlement one of the most prominent approaches to hinge epistemology It also systematically explores the connections between virtue epistemology and hinge epistemology According to hinge epistemology any human belief set is built within and upon a framework of pre evidential propositions hinges that cannot be justified Epistemic entitlement argues that we are entitled to trust our hinges But there remains a problem Entitlement is inherently unconstrained and arbitrary We can be entitled to any hinge proposition under the right circumstances In this book the author argues that we need a non arbitrariness clause that protects entitlement from defeat This clause he argues is to require epistemic virtue Virtuous cognitive dispositions provide the non arbitrariness clause that protects entitlement from defeat The epistemic character of the agent who holds a particular set of hinges tells us something about the hinges epistemic status Conversely epistemic virtues are cognitive dispositions and capacities that rely on hinge propositions without trusting in some hinges we would be unable to exercise our virtues Trust Responsibly will appeal to scholars and advanced students working on epistemology Wittgenstein and virtues The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
