Of Beetles Angels:

Of Beetles and Angels Mawi Asgedom, 2024-09-24 The remarkable true story of a young boy's journey from east African civil war to a full tuition scholarship at Harvard University A wonderful tribute to the unsung heroism of countless refugee families The most inspiring story I have read in recent years Hayelom Ayele Director Community Liaison City of Chicago Council on Immigrant and Refugee Affairs The desert I remember The shrieking hyenas I remember I remember playing soccer with rocks and a strange man telling me and my brother Tewolde that we had to go on a trip and Tewolde refusing to go The man took out a piece of a gum and Tewolde happily traded it for his homeland So begins this unforgettable true story of a young boy's remarkable journey from civil war in east Africa to a refugee camp in Sudan to a childhood on welfare in an Affluent American suburb and eventually to a full tuition scholarship at Harvard University Following his father's advice to treat all people even the most unsightly beetles as though they were angels sent from heaven Mawi overcomes the challenges of racial prejudice language barriers and financial disadvantage to build a fulfilling successful life for himself in his new home Of Beetles and Angels is at once a compelling survival story and an inspiring model for anyone hoping to experience the American dream This special expanded fifteenth anniversary edition includes a new introduction and afterword from the author a discussion guide and more Wry and tender What stays with you is the quiet honest drama of a family's heartrending journey Booklist Asgedom stands as an exemplar of the strength of the human spirit Harry Lewis Dean of the College Harvard University I am truly awed by Mawi's strength and conviction Charlie Trotter Chef Author

Fallen Angels Robin Lloyd-Jones,2012-08-30 From the outside most of us have caught brief but shocking glimpses of the street children of South America In this collection of short stories Robin Lloyd Jones shows us vividly and authentically the view from the inside looking out We feel what it is like to be only ten years old and yet to prefer life on the street to the miseries of violence abuse and poverty in the home Exploited by the police the drug pushers the makers of snuff movies and the dealers in human spare parts tidied away when they might be a political embarrassment these children have learnt to survive like the stray dogs on the garbage dump by obeying the law of the pack Reality is a dangerous substance says a character as he offers a joint to ten year old Angel It should be taken only in small doses by the young What Robin Lloyd Jones offers us is undoubtedly a very strong and disturbing dose of reality one which cannot fail to touch the humanity of his readers What reviewers thought of the book This is an extremely interesting collection of horrifying stories about Los Gamines the destitute and homeless children who roam and sleep in the streets of a great South American city The stories in *Fallen Angels* are terse and economical and well written A lot of would be short story writers could study them to their advantage Fred Urquhart Scottish Book Collector The importance and horror of these stories transcend art quite simply they question whether humanity has any right to enjoy this planet at all if the price for that enjoyment is the staggering amount of human suffering and death Lloyd Jones describes His commitment and empathy shows The stories are well paced well patterned too cutting from child view to adult from character to character yet interweaving a black tapestry Douglas Gifford Scottish Books e If you want to know what poverty and injustice are really like only fiction can give you the truth e says Robin Lloyd Jones In *Fallen Angels* he proves this with unsurpassed mastery A compassionate deeply moving rendition of some disturbing tales based upon reality Dr Maryanne Traylen *Resurgence Magazine*
