Deathly Deception Denis Smyth,2010-06-16 Operation Mincemeat retells the story of the classic World War Two intelligence plan to pass misleading strategic information to Hitler and his Generals that was immortalized in the 1956 Hollywood film *The Man Who Never Was* Drawing on a wealth of recently available documentation Denis Smyth shows how British deceptioneers solved a multitude of medical technical and logistical problems to implement their deceptive design The aim of their covert plan was to persuade the German High Command that the Allies were going to attack Greece rather than Sicily in the summer of 1943 To achieve this they equipped a dead body with a new military identity as a Royal Marine Major a new private personality as the fianc of an attractive young woman named Pam and a government briefcase containing deceptive documents They then planted the corpse in south western Spanish coastal waters via a stealthy submarine operation and carefully monitored through their codebreakers and spies how the Nazi

intelligence services and their warlords proceeded to swallow Mincemeat whole The result was a stunning success The German mis deployment of their forces to meet the notional Anglo American threat to Greece materially contributed to the Allied victory in Sicily which in its turn drove Mussolini from power in Italy and inflicted irreparable damage on the German war effort *The Halakhah* Jacob Neusner,2000 The Halakhah embodies the complete Jewish Law and contains commandments and guidelines for day to day living The original commandments given by God to the Jewish people were enhanced by rabbis to offer a detailed framework to guide the lives of all Jews In this complete all encompassing encyclopaedia of the Halakhah the various laws are classified in such a way that a systematic and coherent structure is obtained Each entry of the Halakhah is presented in a logical fashion Where applicable the original biblical wording is given extended with literal abstracts from the Torah Next problems and questions that may arise from that law are stated and any additional information given Finally each entry gives comprehensive explanations and recommendations as to how these laws are to be observed in daily life where to be and where not to be what to do and what not to do what to say and what not to say The Halakhah or standard Jewish Law combines the Mishnah about 200 CE the Tosefta about 300 CE and the two Talmuds about 400 600 CE for the Land of Israel and Babylon respectively Volumes I and II contain entries pertaining to the Jewish people in relationship to God Volume III explains how the Jewish people can restore and maintain their society in accordance with the Torah as it is explained by the rabbis In Volumes IV and V of this study we take up the life of the Jewish household in their encounter with God The Encyclopaedic account therefore moves from regulating relationships between Israel and God to establishing stable and equitable relationships among Israelites and finally to actually living the Halakhah
