Of Fire Wind And Spirit:

The World's Sixteen Crucified Saviors; Or Christianity Before Christ. Containing ... Revelations ... which Disclose the Oriental Origin ... of the Christian New Testament. ... Second Edition, Revised and Enlarged Kersey GRAVES,1875 **The World's Sixteen Crucified Saviors, Or, Christianity Before Christ** Kersey Graves,1876 **Extreme Walking** Tom de Bruin,2018-03-23 Treat yourself to a bold adventure through the Bible You will start off in familiar territory but will soon find yourself exploring ancient texts from the time of Jesus and beyond These new viewpoints will bring different answers than you may be used to hearing and reading It will take courage to start such an extreme walk but once you get out there nothing can beat the view Extreme Walking is an advanced course in Bible reading Through a series of topics that will shed new light on well known passages in the canon the reader is taken on an enriching voyage of discovery where they will always remain just a step away from the safe well worn paths of understanding Why does the Bible talk about heavens rather than heaven What kind of Messiah were the Jews really expecting Who is this Melchizedek guy Extreme Walking will help you tackle these questions and more Of Fire Wind and Spirit James G. Littlepage,2003-11-01 **Creation and Contemplation** Julien Decharneux,2023-06-06 In Creation and Contemplation Julien Decharneux explores the connections between the cosmology of the Qur n and various cosmological traditions of Late Antiquity with a focus on Syriac Christianity The first part of the book studies how in exhorting its audience to contemplate the world the Qur n carries on a tradition of natural contemplation that had developed throughout Late Antiquity in the Christian world In this regard the analysis suggests particularly striking connections with the mystical and ascetic literature of the Church of the East which was in effervescence at the time of the emergence of Islam The second part argues that the Qur nic cosmological discourse is built so as to serve the overarching theological message of the text namely God s absolute unity Despite the allusive and sometimes obscure way in which the Qur n talks about the world s coming into being and its maintenance in existence the text betrays its authors acquaintance with cosmological debates of Late Antiquity In studying the Qur n through the prism of Late Antiquity this book contributes to our understanding of the emergence of Islam and its relationship with other religious traditions of the time Winner of the 2022 Marie Antoinette Van Huele Prize and the 2023 Richard Kreglinger Prize both Faculty of Philosophy and Social Sciences Free University of Brussels *From Pentecost to the Triune God* Steven M. Studebaker,2012-12-19 In From Pentecost to the Triune God Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to

Trinitarian theology From Pentecost to the Triune God also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation Beginning from Jerusalem James D.G. Dunn,2009-03-16 Beginning from Jerusalem covers the early formation of the Christian faith from 30 to 70 C E After outlining the quest for the historical church parallel to the quest for the historical Jesus and reviewing the sources James Dunn follows the course of the movement stemming from Jesus beginning from Jerusalem He opens with a close analysis of what can be said of the earliest Jerusalem community the Hellenists the mission of Peter and the emergence of Paul Then Dunn focuses solely on Paul the chronology of his life and mission his understanding of his call as apostle and the character of the churches that he founded The third part traces the final days and literary legacies of the three principal figures of first generation Christianity Paul Peter and James the brother of Jesus Each section includes detailed interaction with the vast wealth of secondary literature on the many subjects covered **The World's Sixteen Crucified Saviors** Kersey Graves,1875 **Magnificent Celestial Journeys** Cecelia Frances Page,2007-03 Magnificent Celestial Journeys is about celestial journeys in space and spectacular journeys on Earth In Part One entitled Celestial Missions on Earth Lavena Emerson from the Earth met celestial beings from Celestia in The Pleiades when they came to Earth Lavena must fulfill her mission on Earth Lavena and Palasio influence the President of the U S A and world leaders to find ways to stop terrorism and world crises After terrorism world wars and other world crises are resolved Lavena went to Celestia to live Celestia is a peaceful beautiful planet where spiritually advanced Celestians live Lavena experienced peace and enlightenment on Celestia Part Two is entitled Spectacular Journeys Spectacular journeys are vividly described about many places on Earth Spiritual journeys describe wonderlands and inner planes There are many dimensions in God s kingdoms for us to explore Astral visions unusual dreams fairies angelic realms higher planes and tourist havens are vividly described Spirit Lake Katie Gailey,2007-12-05 What if early man had come into the alpine valleys of the Rocky Mountains 8 000 years ago and settled Mensa the Headman leads a small group of followers out of the High Plains where their ancestors had lived since time forgotten Join Sachi the Headman s daughter as her destiny is forged by the fierceness and beauty of the environment as well as the tempestuous upheaval of her Clan struggling to survive **John Through Old Testament Eyes** Karen H.
