Of Good Laws And Good Men:

Of "good Laws" and "good Men" William McEnery Offutt, 1995 *Of Good Laws and Good Men* reveals how a Quaker minority in the Delaware Valley used the law to its own advantage yet maintained the legitimacy of its rule William Offutt Jr places legal processes at the center of this region's social history The new societies established there in the late 1600s did not rely on religious conformity culture or a simple majority to develop successfully Offutt maintains Rather they succeeded because of the implementation of reforms that gave the expanding population faith in the legitimacy of legal processes introduced by a Quaker elite Offutt's painstaking investigation of the records of more than 2 000 civil and 1 100 criminal cases in four county courts over a thirty year period shows that Quakers the Good Men were disproportionately represented as justices officers and jurors in this system of Good Laws they had established and that they fared better than did the rest of the population in dealing with it *A Hand-book of Proverbs* Henry George Bohn, 1860 *The Inner Ocean* George Kateb, 1992 What is the meaning of individualism in a modern democracy In this rich and penetrating book a major political theorist examines the nature of individualism the concept of self it implies the ethic it sustains the personal connectedness it supports and the politics it requires and provides a challenging answer George Kateb argues that democracy is founded on respect for the dignity of individuals as individuals and that this respect transforms all human relations He uses the term democratic individuality to name some of the psychological cultural and spiritual effects of government's guarantee of rights Democratic individuality in his view is a way in which individuals whose rights are protected may dare to live the private lives and to conceive their roles as citizens *Free the Dumb* William Wallace, 2011-01-25 *Free the Dumb* is about how Americans have lost their freedom by giving up their God given rights for privileges The government should serve the people the people should not serve the government Will Rogers said Its not what you dont know that hurts you Its what you know that aint so Benjamin Franklin said Anyone giving up rights for security deserves to lose both Orville Wright said If we were to accept truth as everything we were told to be true there would be little hope for the human race Here are just a few questions that you will find the answers to in this book What was bulletproof George Washington's vision for the United States Why did it take two years after the Revolutionary War to sign the Treaty of Paris giving the American people the rights of a King People of a State are entitled to all rights which formerly belong to the King by his prerogative Lansing vs Smith 1892 Wend 9 20 How after hundreds of years of prayer in school did the government supporting communism make it unconstitutional Why lawyers are not citizens of the United States and why every law made after the 1840s is an illegal law How you volunteered to be a subject citizen by not stating that you didnt volunteer even though you didnt know that you have to state that you didnt volunteer which resulted in losing all the rights of a King trading rights for privileges and illegally transferring non transferable rights How Americans support the ten planks of communism How can you pledge allegiance to a Republic and live in a democracy when democracy is mentioned zero times in the United States Constitution the Supreme Law of the Land

How indentured servitude was changed to slavery How many people in the 20th century were killed because their countries did not have a 2nd Amendment Why is gay marriage illegal How the American people since March 9 1933 became the enemy of the government Why is Social Security under Treaty Law and should never run out of money What is the difference between living in the United States vs living in the United States of America Comrade Lenin said Confuse the meaning of words and you confuse the mind Why the only legal tax form is 2555 and why wages are not income How the Federal Reserve creates money out of thin air and charges the American people interest What is the truth about ID cards road blocks and searches What is the difference between driving and traveling How can you own land without any government interference including property taxes What are the rights of a jury and how to challenge jurisdiction Why oil wells don't dry up Why was lead taken out of paint How the government made hippies What is the truth about mammograms and how to increase breast size when going through puberty What is the cure for cancer which was discovered in 1931 What are the natural cures and preventions for diseases including autism What is an easy painless procedure to kill parasites How a dental chart will show which organs in your body are connected to your teeth What are the effects of electricity on your body and soul How to tell who gives you energy who you give energy to whose energy controls you and whose energy you control What are the best foods to eat for your energy How to look at faces and determine what organs are damaged How King James changed the Bible How to get spiritual help Why the created can never be greater than the one that created it Are your public servants serving you or are you serving them
