Women's Voices from the Margins Elizabeth Swart,2017-05-01 Women s Voices from the Margins explores the coping strategies agency and resilience of women living in Kibera Kenya one of Africa s largest slums Based on a multi year research project in which the author analyzed the diaries of 20 young women from Kibera this thought provoking book describes the women s lives the realities of gender based violence and their responses and coping strategies Drawing on both qualitative journal accounts and quantitative surveys Elizabeth Swart reveals the agency and strength of these women who create opportunities for themselves and their children despite the violence and extreme poverty that are a daily actuality of life in Kibera Taking a global feminist perspective the author

considers the women's lives in the larger context of urbanization globalization and neo liberal social policies By presenting the voices of the young women alongside rich scholarly analysis this engaging text will be a valuable resource to students and scholars of gender and women's studies sociology international social work and global studies **The Student**

Warriors: Diaries of Japanese Student Soldiers in World War II Pasquale De Marco, 2025-05-18 In the annals of warfare few chapters are as poignant and thought provoking as the story of the kamikaze pilots of World War II These young men barely old enough to grasp the full weight of their actions were thrust into the maw of a conflict that seemed poised to devour them whole This book delves into the lives of these student soldiers exploring the motivations fears and aspirations that fueled their fateful missions As the specter of war cast its ominous shadow across the globe Japan found itself embroiled in a struggle that threatened to engulf the world in flames In the face of seemingly insurmountable odds the government issued a desperate call to arms seeking young men willing to make the ultimate sacrifice for their emperor and their homeland Among those who answered the call were university students bright and promising minds plucked from the halls of academia and thrust into the unforgiving crucible of combat Leaving behind their families friends and dreams of a future beyond the battlefield they embarked on a path that would forever alter the course of their lives These student soldiers hailing from diverse backgrounds and walks of life shared a common bond a profound love for their country and a willingness to lay down their lives for what they believed in They left behind letters and diaries that offer a glimpse into their inner worlds revealing their hopes dreams and the emotional turmoil that tormented them Their stories both heartrending and awe inspiring serve as a stark reminder of the human cost of war As we delve into the lives of these young men we gain a deeper understanding of the sacrifices made by those who fought and died in the name of their nation This book is a tribute to the kamikaze pilots whose courage and sacrifice will never be forgotten It is a powerful reminder of the horrors of war and the importance of peace If you like this book write a review on google books **Feminist Rhetorical Practices** Jacqueline

Jones Royster, Gesa E Kirsch, 2012-02-10 From two leading scholars in the field comes this landmark assessment of the shifting terrain of feminist rhetorical practices in recent decades Jacqueline Jones Royster and Gesa E Kirsch contend the field of rhetorical studies is being transformed through the work of feminist rhetoricians who have brought about notable changes in who the subjects of rhetorical study can be how their practices can be critiqued and how the effectiveness and value of the inquiry frameworks can be articulated To contextualize a new and changed landscape for narratives in the history of rhetoric Royster and Kirsch present four critical terms of engagement critical imagination strategic contemplation social circulation and globalization as the foundation for a new analytical model for understanding interpreting and evaluating feminist rhetorical inquiry and the study and teaching of rhetoric in general This model draws directly on the wealth of knowledge and understanding gained from feminist rhetorical practices especially sensitivity toward meaningfully and respectfully rendering the work lives cultures and traditions of historical and contemporary women in rhetorical

scholarship Proposing ambitious new standards for viewing and valuing excellence in feminist rhetorical practice Royster and Kirsch advocate an ethos of respect and humility in the analysis of communities and specific rhetorical performances neglected in rhetorical history recasting rhetorical studies as a global phenomenon rather than a western one They also reflect on their own personal and professional development as researchers as they highlight innovative feminist research over the past thirty years to articulate how feminist work is changing the field and pointing to the active participation of women in various discourse arenas and to the practices and genres they use Valuable to new and established scholars of rhetoric Feminist Rhetorical Practice New Horizons for Rhetoric Composition and Literacy Studies is essential for understanding the theoretical methodological and ethical impacts of feminist rhetorical studies on the wider field Winner 2014 Winifred Bryan Horner Outstanding Book Award **The Diary of Anaïs Nin, 1955-1966** Anaïs Nin, 2012-11-09 The sixth volume of the diary of one of the most extraordinary and unconventional writers of the twentieth century The New York Times Book Review Anaïs Nin continues one of the most remarkable diaries in the history of letters with this volume covering more than a decade of her midcentury life Los Angeles Times She debates the use of drugs versus the artist's imagination portrays many famous people in the arts and recounts her visits to Sweden the Brussels World's Fair Paris and Venice Nin looks at life love and art with a blend of gentility and acuity that is rare in contemporary writing John Barkham Reviews Edited and with a preface by Gunther Stuhlmann **Good Writing!** Mary Jordan Meiser, 1995 Vanlife Diaries Kathleen Morton, Jonny Dustow, Jared Melrose, 2019-04-09 A photography book celebrating the nomadic lifestyle and community of vanlife through interviews essential advice for living on the road and more than 200 photos of tiny rolling homes Inspired by the blog and Instagram account Vanlife Diaries is an inspiring and detailed look into the world of the rolling homes built and occupied by a new generation of modern nomads a range of professionals and creatives who have ditched conventional houses for the freedom of the road and the beauty of the outdoors More than 200 photographs feature the vanlifers their pets and their converted vans and buses VWs Sprinters Toyotas and more with the interiors uniquely customized and decorated for their work and hobbies as well as the stunning natural locations that are the movement's inspiration Interviews and narrative captions share the stories of these nomads and how they decided to pursue vanlife and provide practical tips and inspiration for downsizing finding and converting your vehicle and working and living on the road **Diaries of the Emperor Frederick During the Campaigns of 1866 and 1870-71** Frederick III (German Emperor), 1902 **You Shall Tell Your Children** Liora Gubkin, 2007-11-05 Passover is among the most widely observed holidays for American Jews During this festival of redemption Jewish families retell the biblical story of Exodus using a ritual book known as a haggadah often weaving modern tales of oppression through the biblical narrative References to the Holocaust are some of the most common additions to contemporary haggadot However the parallel between ancient and modern oppression which seems obvious to some raises troubling questions for many others Is it possible to find any redemptive meaning in the Nazi genocide

Are we adding value to this unforgivable moment in history Liora Gubkin critiques commemorations that violate memory by erasing the value of everyday life that was lost and collapse the diversity of responses both during the Shoah and afterward She recounts oral testimonies from Holocaust survivors cites references to the holiday in popular American culture and analyzes examples of actual haggadot Ultimately Gubkin concludes that it is possible and important to make a space for Holocaust commemoration all the time recognizing that haggadot must be constantly revisited and performed
