**Physical Ambush** R. C. Jette, 2019-05-10 God s soldiers are under attack by Satan through sickness and disease Many sit like Job with the mentality that God has forsaken them Due to a lack of knowledge of what is included in the Atonement some believe that their sickness and disease is the will of God Why is there so little difficulty believing that we have freedom from sin s power in the Atonement and so much controversy believing that it includes freedom from the power of sickness and disease God has impressed my heart that his soldiers are settling for less than what he has promised in his word Many are deficient in a knowledge of Scripture Others have been taught wrong doctrine and are ignorant of God s promises which belong to his children This book is meant to give the understanding that it is God s will for us to recognize what the devil is doing and overcome his lies by faith The Holy Spirit has been trying to set the captive free from sickness and disease but wrong doctrine misunderstanding of Scripture and medical science have God s soldiers tormented by Satan s lies This book addresses the devil s lies and is meant to once and for all set the captive free *The Christian in Complete Armour: or, A Treatise on the Saints' War with the Devil, Wherein a Discovery is Made of the Policy, Power, Wickedness, and Stratagems Made Use of by that Enemy of God and his People* William Gurnall, 2024-04-27 Reprint of the original first published in 1845

*Satan's Diary* Леонид Андреев, Herman Bernstein, 1920 *The Satanic Epic* Neil Forsyth, 2003 The Satan of Paradise Lost has fascinated generations of readers This book attempts to explain how and why Milton s Satan is so seductive It reasserts the importance of Satan against those who would minimize the poem s sympathy for the devil and thereby make Milton orthodox Neil Forsyth argues that William Blake got it right when he called Milton a true poet because he was of the

Devils party even though he set out to justify the ways of God to men In seeking to learn why Satan is so alluring Forsyth ranges over diverse topics from the origins of evil and the relevance of witchcraft to the status of the poetic narrator the epic tradition the nature of love between the sexes and seventeenth century astronomy He considers each of these as Milton introduces them as Satanic subjects Satan emerges as the main challenge to Christian belief It is Satan who questions and wonders and denounces He is the great doubter who gives voice to many of the arguments that Christianity has provoked from within and without And by rooting his Satanic reading of Paradise Lost in Biblical and other sources Forsyth retrieves not only an attractive and heroic Satan but a Milton whose heretical energies are embodied in a Satanic character with a life of his own **Daemonologia Sacra** Richard Gilpin,1867 The Christian in Complete Armour William Gurnall,1865

Bible representing the darker sides of the divine governing of affairs Job 1 2 Zech 3 1 Chr 21 1 Num 22 22 32 to the full blown enemy of God of the post biblical era However Gulaker posits that texts referring to Satan in between these two poles are not uniform and diverge considerably This book argues for a new way of perceiving Satan in Revelation that provides a more probable reading as it creates less narrative dissonance than the alternative of the ancient combat myth cosmic conflict between Satan and God From this reading emerges a subdued Satan more akin to its Hebrew Bible hypotexts and Second Temple Judaism parallels one that fits seamlessly with the theology cosmology and the overarching plot of the narrative itself Gulaker explores the functions of Satan in a text written relatively late compared to the rest of the New Testament but with strong affinities to the Hebrew Bible concluding that Satan is characterized more as the leash rod and sifting device in the hand of God than as his enemy
