A Life of Psalms in Jewish Late Antiquity A. J. Berkovitz, 2023-06-20 The Bible shaped nearly every aspect of Jewish life in the ancient world from activities as obvious as attending synagogue to those which have lost their scriptural resonance in modernity such as drinking water and uttering one's last words And within a scriptural universe no work exerted more force than the Psalter the most cherished text among all the books of the Hebrew Bible *A Life of Psalms in Jewish Late Antiquity* clarifies the world of late ancient Judaism through the versatile and powerful lens of the Psalter It asks a simple set of questions Where did late ancient Jews encounter the Psalms How did they engage with the work And what meanings did they produce A J Berkovitz answers these queries by reconstructing and contextualizing a diverse set of religious practices performed with and on the Psalter such as handling a physical copy reading from it interpreting it exegetically singing it as

liturgy invoking it as magic and reciting it as an act of piety His book draws from and contributes to the fields of ancient Judaism biblical reception book history and the history of reading

Ahn, 2014-06-16 This book investigates the narrative function of the Old Testament characters in the Gospel of John The intriguing thesis is that the Hebrew characters in John s narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John s indebtedness for its formation of his Christology A compelling argument ensues that informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel

Revelations of

Ideology: Apocalyptic Class Politics in Early Roman Palestine Anthony Keddie, 2018-09-11 In *Revelations of Ideology* G Anthony Keddie proposes a new theory of the social function of Judaeo-apocalyptic texts produced in Early Roman Palestine 63 BCE 70 CE In contrast to evaluations of Jewish and early Christian apocalyptic texts as literature of the oppressed or literature of resistance against empire Keddie demonstrates that scribes produced apocalyptic texts to advance ideologies aimed at self-legitimation By revealing that their opponents constituted an exploitative class scribes generated apocalyptic ideologies that situated them in the same exploited class as their constituents Through careful historical and ideological criticism of the Psalms of Solomon Parables of Enoch Testament of Moses and Q source Keddie identifies an internally diverse tradition of apocalyptic class rhetoric in late Second Temple Judaism

Embodiment of Divine Knowledge in Early Judaism Andrei A. Orlov, 2021-11-11 This book explores the early Jewish understanding of divine knowledge as divine presence which is embodied in major biblical exemplars such as Adam Enoch Jacob and Moses The study treats the concept of divine knowledge as the embodied divine presence in its full historical and interpretive complexity by tracing the theme through a broad variety of ancient Near Eastern and Jewish sources including Mesopotamian traditions of cultic statues creational narratives of the Hebrew Bible and later Jewish mystical testimonies Orlov demonstrates that some biblical and pseudepigraphical accounts postulate that the theophany expresses the unique corporeal nature of the deity that cannot be fully grasped or conveyed in some other non-corporeal symbolism medium or language The divine presence requires another presence in order to be transmitted To be communicated properly and in its full measure the divine iconic knowledge must be written on a new living body which can hold the ineffable presence of God through a newly acquired ontology Embodiment of Divine Knowledge in Early Judaism will provide an invaluable research to students and scholars in a wide range of areas within Jewish Near Eastern and Biblical Studies as well as those studying religious elements of anthropology philosophy sociology psychology and gender studies Through the study of Jewish mediatorial figures this book also elucidates the roots of early Christological developments making it attractive to Christian audiences

Genesis Abraham Kuruvilla, 2014-02-17 Genesis A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the narrative units of the book to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Genesis is thus divided into thirty five narrative units and the theological focus of each is delineated The overall theological trajectory theme of the book divine blessing creating for blessing Gen 1 11 moving towards blessing Gen 12 24 experiencing the blessing Gen 25 36 and being a blessing Gen 37 50 is thus progressively developed The specificity of these theological ideas for their respective texts makes possible a sequential homiletical movement through each pericope of the book enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the thirty five units of Genesis The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Genesis with an emphasis on application
