and by the History degree she had begun Jean began to stitch a tapestry which looked back at her life and the changing world around her It took sixteen months to complete The tapestry consists of over 70 intersecting circles each telling some aspect of her life Some represent extraordinary events such as the moon landings or world historical news stories like the Cuban Missile Crisis some circles comment on famous people and places she remembers others about the music she loves Pink Floyd and the games she played as a child and growing up during the second world war with her brothers Each chapter of *The Girl on the Wall* features a circle from the tapestry and Jean's accompanying narrative exploring the circle and the memories it evokes It reveals an ordinary life in extraordinary detail The result is a truly unique touching portrait of a seemingly average British woman's life To stand back and look at the tapestry is to be struck by the richness of one human journey from 1940 to the present day The girl on the wall would be proud The book includes a full colour pull out of Jean's tapestry inside the back cover
