God Off-Broadway Matthew Powell (O.P.), 1998 The Blackfriars Theatre founded in 1940 was one of New York's first Off Broadway playhouses It was unique in another way it was the only professional level theatre in the United States under Roman Catholic auspices This book examines the efforts of the Blackfriars staff to meld theatre and religion between 1940 and 1972 **Off-Off-Broadway Explosion** David Allison Crespy, 2003 Foreword by Edward Albee The off off Broadway movement of the 1960s remains one of the most dynamic periods in the history of American theater Filled with one on one interviews and entertaining anecdotes Off Off Broadway Explosion explores the backstage stories and captivating history of the unusual venues and legendary personalities of the era Readers will discover intimate accounts of the innovative Beat Generation playwrights who transformed the New York stage such as Edward Albee Sam Shepard Lanford Wilson Amiri Baraka Jean Claude van Itallie and many other artists whose legacy is still felt within theater halls today They'll learn about the Greenwich Village visionaries who allowed emerging playwrights to showcase experimental works not welcome on the traditional stage such as Joseph Cino the wildly eccentric papa who sired Caffe Cino and Al Carmines the radical minister of Judson Memorial Church whose Judson Poets Theater was known for the avant garde musicals conceived by the pastor himself Finally a special chapter Your Own Off Off Broadway advises today's playwrights and theater artists how give voice to their own work and find progressive audiences to appreciate it Playwrights Discussed Edward Albee Sam Shepard Amiri Baraka Landford Wilson Maria Irene Fornes Jean Claude van Itallie Robert Patrick Megan Terry Rochelle Owens Doric Wilson and many others Documents the origins of innovative off off Broadway plays and their writers Includes archival rarely seen photos Personal interviews with leading playwrights Applicable advice for theater groups in any city **Playing Underground** Stephen James Bottoms, 2004-06-30 The first comprehensive history of Off Off Broadway [Off Broadway Musicals, 1910-2007](#) Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of

Playing Underground ,2009 Scrupulously researched critically acute and written with care *Playing Underground* will become a classic account of an era of hard won free expression William Coco At last a book documenting the beginnings of Off Off Broadway theater *Playing Underground* is an insightful illuminating and honest appraisal of this important period in American theater Rosalyn Drexler author of *Art Does Not Exist* and *Occupational Hazard* An epic movie of an epic movement *Playing Underground* is a book the world has waited for without knowing it How precisely it captures the evolution of our revolution I am amazed by the book s scope and scale and I bless its author especially for giving two greats Paul Foster and H M Koutoukas their proper polar places and for memorializing such unjustly forgotten masterpieces as Irene Fornes s *Molly s Dream* and Jeff Weiss s *A Funny Walk Home* Stephen Bottoms s vivid evocation of the grand adventure of Off Off Broadway has woken and broken my heart It is difficult to believe that he was not there alongside me to breathe the caffeine nicotine alkaloid steeped air Robert Patrick author of *Kennedy s Children* and *Temple Slave* Few books address the legendary age of 1960s off off Broadway theater Fortunately Stephen Bottoms fills that gap with *Playing Underground* the first comprehensive history of the roots of off off Broadway This is a theater whose legacy is still felt today it was the launching pad for many leading contemporary theater artists including Sam Shepard Maria Irene Fornes and others and it was a pivotal influence on improv comedy and shows like *Saturday Night Live* Off off Broadway groups such as the Living Theatre La Mama and Caffe Cino captured the spirit of nontraditional theater with their edgy unscripted boundary crossing subjects Yet as Bottoms discovers there is no one set of truths about off off Broadway to uncover the entire scene was always more a matter of competing perceptions than a singular concrete reality No other author has managed to illuminate this shifting tableau as Bottoms does Through interviews with dozens of the era s leading playwrights performers directors and critics he unearths a countercultural theater movement that was both influential and transforming yet ephemeral and quintessentially of its moment *Playing Underground* will be a definitive work on the subject offering a complete picture of an important but little studied period in American theater
