**New Stories from the South** Shannon Ravenel, 1997-01-01 Stories by writers with Southern backgrounds deal with the modern problems of life in the South **The Good War** Studs Terkel, 1997-01-01 Personal narratives of 121 persons involved in World War II *The Pitmen's Requiem* Peter Crookston, 2014-01-05 Peter Crookston s book offers a beautifully written journalist s account of a Durham mining village and the Great Northern Coalfield woven around the life of Robert Saint the composer of *Gresford* a brass band composition commemorating an earlier mining disaster in which 256 workers died Crookston brings his formidable observational qualities and writing skills as a journalist to produce a gripping narrative with utterly compelling characters and a heart rending culmination in the demise of the mining industry under assault by Thatcher The story is told in a gentle unpretentious way frequently giving voice to the characters themselves many of whom the author knew personally or got to know in preparing the book Apart from capturing a critical moment in a disappearing world the book offers a vantage point from which to reflect on our own culture and what we have lost in post industrial Britain the loss of community which did so much to sustain and nurture those miners in their desperate plights This is as much a history of culture and place as much as it is biography a book that is at once an elegy and a tribute

*Dead Souls* Nikolai Gogol, 1996-02-21 Gogol s 1842 novel *Dead Souls* a comic masterpiece about a mysterious con man and his grotesque victims is one of the major works of Russian literature It was translated into English in 1942 by Bernard Guilbert Guerney the translation was hailed by Vladimir Nabokov as an extraordinarily fine piece of work and is still considered the best translation of *Dead Souls* ever published Long out of print the Guerney translation of *Dead Souls* is now reissued The text has been made more faithful to Gogol s original by removing passages that Guerney inserted from earlier drafts of *Dead Souls* The text is accompanied by Susanne Fusso s introduction and by appendices that present excerpts from Guerney s translations of other drafts of Gogol s work and letters Gogol wrote around the time of the writing and publication

of *Dead Souls* I am delighted that Guernsey's translation of *Dead Souls* is available again. It is head and shoulders above all the others for Guernsey understands that to translate Gogol is necessarily to undertake a poetic recreation and he does so brilliantly. Robert A. Maguire, Columbia University. The Guernsey translation of *Dead Souls* is the only translation I know of that makes any serious attempt to approximate the qualities of Gogol's style: exuberant, erratic, Baroque, bizarre. Hugh McLean, University of California, Berkeley. A splendidly revised and edited edition of Bernard Guernsey's classic English translation of Gogol's *Dead Souls*. The distinguished Gogol scholar Susanne Fusso may have brought us as close as the English reader may ever expect to come to Gogol's masterpiece. No student, scholar, or general reader will want to miss this updated, refined version of one of the most delightful and sublime works of Russian literature. Robert Jackson, Yale University. **The Day of rest**, 1875 *Half & Half - Plays & Prose* Irving A. Leitner, 2010-02-17 Irving Leitner's *Half & Half* adds up to a fascinating whole. It is a wonderful reading trip. Leitner's short stories are succinct, taut, and startling. I'd add his name to Poe, O. Henry, and Dahl. His plays are skillfully wrought and dramatically alive. All in all, *Half & Half* is a cornucopia of riches. Eli Wallach, Distinguished stage, screen, and TV actor. What a remarkable piece of work. The plays and prose are stunning in their impact. Irving Leitner has a magical eye for capturing significant detail in both dramatic and narrative form. *Half & Half* is a truly gripping achievement. I cannot recall a more compelling reading experience. Fritz Weaver, Distinguished stage, screen, and TV actor. **Island of Glass** Nora Roberts, 2018-09-04 The final *Guardians Trilogy* novel from the #1 New York Times bestselling author of *Bay of Sighs* and *Stars of Fortune*. As the hunt for the Star of Ice leads the six guardians to Ireland, Doyle, the immortal, must face his tragic past. Three centuries ago, he closed off his heart, yet his warrior spirit is still drawn to the wild. And there's no one more familiar with the wild than Riley, and the wolf within her. An archaeologist, Riley is no stranger to the coast of Clare, but now she finds herself on unsure footing, targeted by the dark goddess who wants more than the stars, more than the blood of the guardians. While searching through Irish history for clues that will lead them to the final star and the mysterious Island of Glass, Riley must fight her practical nature and admit her sudden attraction to Doyle is more than just a fling. For it is his strength that will sustain her and give her the power to run towards love and save them all. Don't miss the other books in the *Guardians Trilogy*: *Stars of Fortune*, *Bay of Sighs*. **The Uncivilized Races of Men in All Countries of the World** John George Wood, 1879 *The Bull Rider* Helen DePrima, 2016-06-01 This could be her toughest assignment yet. Having witnessed her father's death in a race car crash, Joanna Dace can't imagine getting close to anyone who risks his life for sport. But she can write about them. Keeping her professional distance lets her get inside anyone's head without letting that person into her heart. Until she meets her latest subject, professional bull rider Tom Cameron. Tom has a quiet cowboy charm and a darkness beneath his rugged surface. It's difficult to remember all the reasons she should keep her distance, but Jo has to try unless it's already too late. *The Hellraiser of the Hollywood Hills* Jennifer Colt, 2010 While following a philandering husband, the McAfee twins are mistaken for paparazzi, get accused of kidnapping, and get a glorified babysitting

gig watching over an erratic singing phenom which soon dissolves into a high stakes game of stolen identity and blackmail

**Starbright & The Dream Eater** Joy Cowley, 2008-05-05 File note the advent of sickness is always accompanied by the arrival of a possible cure There will be born of human beauty a child without fear known as the Bright Star Dr Jacob Tietz People all over Claircomb are succumbing to a strange illness thought to be a deadly new virus But this is no virus it is a life form so advanced that its intelligence makes a computer look like counting beads It knows the prophecy too and it is hunting down the Bright Star to destroy her forever Can Starbright Connor the town s tomboy and giggly dare devil be the chosen one who will save her beloved family A thriller from the award winning author of *The Silent One* the Shadrach trilogy and *Ticket to the Sky Dance*

The Big Wind Beatrice Coogan, 2017-06-01 It all began on the night of the Big Wind A wild and savage night in January 1839 when a storm struck Ireland leaving such suffering and devastation in its path that a mark remained on the minds and hearts of Irishmen and the land itself ever after It was the night Sterrin O Carroll blossom of the storm was born in Kilsheelin Castle Growing up during Ireland s darkest hours Sterrin forms a bond with a household servant called Young Thomas that deepens over the years into a forbidden love a love as fierce and relentless as the storm that ushered her into the world But their paths are divided by devastating events that change the course of Ireland s history After the bitterness and the sorrow finally wane Sterrin s indomitable spirit never weakens because Thomas like her beloved land will return to her

Kiwi Wars Garry Douglas Kilworth, 2013-03-21 This is a thrilling new military adventure for Captain Jack Crossman Captain Fancy Jack Crossman has been sent to New Zealand where the Maori Wars are in progress His remit is to map the bush country and to set up a network of spies During conflict he finds that the Maori are an honourable and formidable enemy However nefarious Europeans are at work enriching themselves as land agents Jack becomes entangled with one of these agents the brother of his lifetime burden Private Harry Wynter and is in danger of being sucked down into a morass of evil affairs When the final revelation comes Jack realises just how heinous these crimes are and he must hunt down and destroy these monstrous elements

*The House of the Dead* Fyodor Dostoyevsky, 2012-03-05 The harrowing fictional memoir of a condemned murderer this haunting and remarkable novel recounts in part the years Dostoyevsky spent in prison for suspected subversive activities

**Warlock** Oakley Hall, 2014-08-05 Oakley Hall s legendary Warlock revisits and reworks the traditional conventions of the Western to present a raw funny hypnotic ultimately devastating picture of American unreality First published in the 1950s at the height of the McCarthy era Warlock is not only one of the most original and entertaining of modern American novels but a lasting contribution to American fiction Tombstone Arizona during the 1880 s is in ways our national Camelot a never never land where American virtues are embodied in the Earps and the opposite evils in the Clanton gang where the confrontation at the OK Corral takes on some of the dry purity of the Arthurian joust Oakley Hall in his very fine novel Warlock has restored to the myth of Tombstone its full mortal blooded humanity Wyatt Earp is transmogrified into a gunfighter named Blaisdell who is summoned to the embattled town of Warlock by a committee

of nervous citizens expressly to be a hero but finds that he cannot at last live up to his image that there is a flaw not only in him but also we feel in the entire set of assumptions that have allowed the image to exist Before the agonized epic of Warlock is over with the rebellion of the proto Wobblies working in the mines the struggling for political control of the area the gunfighting mob violence the personal crises of those in power the collective awareness that is Warlock must face its own inescapable Horror that what is called society with its law and order is as frail as precarious as flesh and can be snuffed out and assimilated back into the desert as easily as a corpse can It is the deep sensitivity to abysses that makes Warlock one of our best American novels For we are a nation that can many of us toss with all aplomb our candy wrapper into the Grand Canyon itself snap a color shot and drive away and we need voices like Oakley Hall's to remind us how far that piece of paper still fluttering brightly behind us has to fall Thomas Pynchon After Many Days; a Tale of Social Reform Seneca Smith, 1860 **October Light** John Gardner, 2010-09-21 New York Times Bestseller and National Book Critics Circle Award Winner A dazzling novel about the tumultuous relationship of two elderly siblings Los Angeles Times James is a cantankerous and conservative seventy-two year old who has spent his life caring for the animals on his farm His widowed older sister Sally has strong liberal ideals and a propensity for debate When Sally's bankruptcy forces her to move in with her brother their lifelong feud quickly escalates and Sally becomes a prisoner in her own room with nothing to survive on but apples and a trashy novel about marijuana smugglers As Sally becomes immersed in the book the story envelops the narrative of the siblings dysfunctional relationship and Gardner explores a wide array of themes from human autonomy to self definition to political extremism The result is a tour de force of Gardner's unique literary style at the height of his protean creative powers This ebook features a new illustrated biography of John Gardner including original letters rare photos and never before seen documents from the Gardner family and the University of Rochester Archives **Iraq + 100** Hassan Blasim, 2017-09-12 One of NPR's Best Books of 2017 A groundbreaking anthology of science fiction from Iraq that will challenge your perception of what it means to be The Other History is a hostage but it will bite through the gag you tie around its mouth bite through and still be heard Operation Daniel In a calm and serene world one has the luxury of imagining what the future might look like Now try to imagine that future when your way of life has been devastated by forces beyond your control Iraq 100 poses a question to Iraqi writers those who still live in that nation and those who have joined the worldwide diaspora What might your home country look like in the year 2103 a century after a disastrous foreign invasion Using science fiction allegory and magical realism to challenge the perception of what it means to be The Other this groundbreaking anthology edited by Hassan Blasim contains stories that are heartbreakingly surreal and yet utterly recognizable to the human experience Though born out of exhaustion fear and despair these stories are also fueled by themes of love family and endurance and woven through with a delicate thread of hope for the future At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Wonders of the Tropics; Or, Explorations and Adventures of Henry M.**

**Stanley and Other World-renowned Travelers** Henry Davenport Northrop, 1889
