## Off Limits Little Saigon:

**Vietnam War Slang** Tom Dalzell, 2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang

**Ecology of Fear** Mike Davis, 2022-02-15 A witty and engrossing look at Los Angeles urban ecology and the city's place in America's cultural fantasies Earthquakes Wildfires Floods Drought Tornadoes Snakes in the sea mountain lions and a plague of bees In this controversial tour de force of scholarship unsparing vision and inspired writing Mike Davis the author of City of Quartz revisits Los Angeles as a Book of the Apocalypse theme park By brilliantly juxtaposing L.A.'s fragile natural ecology with its disastrous environmental and social history he compellingly shows a city deliberately put in harm's way by land developers builders and politicians even as the incalculable toll of inevitable future catastrophe continues to accumulate Counterpointing L.A.'s central role in America's fantasy life the city has been destroyed no less than 138 times in novels and films since 1909 with its wanton denial of its own real history Davis creates a revelatory kaleidoscope of American fact imagery and sensibility Drawing upon a vast array of sources Ecology of Fear meticulously captures the nation's violent malaise and desperate social unease at the millennial end of the American century With savagely entertaining wit and compassionate rage this book conducts a devastating reconnaissance of our all too likely urban future

**The Collector** Cameron Cruise, 2007-01-01 She lies in a pool of her own blood More blood decorates one wall in macabre finger paintings The victim is a fortune teller from the Little Saigon community of Westminster California a seemingly random murder Detective Seven Bushard wonders cynically if she saw it coming When local artist Gia Moon shows

up at the precinct claiming to have had visions of another murder yet to happen Seven doesn't buy it Some say Gia's paintings give a glimpse into the next world but all Seven knows is cold hard evidence But when her prediction comes true his investigation becomes a hunt for a serial killer But Gia is not all that she seems A link to her past points to a lunatic whose desire to complete a bizarre collection has become an obsession Now Seven is locked in a game of greed and murder with a woman he can't entirely trust and a killer who will silence anyone who gets in the way *Little Saigons* Karin Aguilar-San Juan, 2009 Karin Aguilar San Juan examines the contradictions of Vietnamese American community and identity in two emblematic yet different locales Little Saigon in suburban Orange County California widely described as the capital of Vietnamese America and the urban Vietnamese town of Fields Corner in Boston Massachusetts Their distinctive qualities challenge assumptions about identity and space growth amid globalization and processes of Americanization With a comparative and race cognizant approach Aguilar San Juan shows how places like Little Saigon and Fields Corner are sites for the simultaneous preservation and redefinition of Vietnamese identity Intervening in debates about race ethnicity multiculturalism and suburbanization as a form of assimilation this work elaborates on the significance of place as an integral element of community building and its role in defining Vietnamese American-ness Staying Vietnamese according to Aguilar San Juan is not about replicating life in Viet Nam Rather it involves moving toward a state of equilibrium that though always in flux allows refugees immigrants and their U S born offspring to recalibrate their sense of self in order to become Vietnamese anew in places far from their presumed geographic home New York Magazine, 1988-03-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea New York Magazine, 1988-03-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1988-03-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Dragon Lady* Gary Alexander, 2011-04-02 In 1965 Saigon Joe a young draftee becomes obsessed with a Vietnam girl named Mai his own Dragon Lady from his beloved Terry and the Pirates cartoon strips that his mother still sends him As he

pursues a relationship with her Saigon chums with intrigue and rumors will the U S become more involved with the Vietnamese struggle What is going on with a special unit that is bringing in all sorts of for the time high tech equipment Will the U S make Vietnam the 51st state and bomb aggressors to oblivion But for Joe the big question is does Mai love him or will she betray more than just his heart Gary Alexanders intelligent voice filled with dry wit and his own experiences give this story a sharp sense of truth recounting the horror and absurdity of war Reminiscent of books such as Catch 22 Dragon Lady serves up equal measures of outrageous humor and poignant remembrance *Listen, Slowly* Thanhha Lai,2015-02-17 This remarkable and bestselling novel from Thanhha Lai author of the National Book Award winning and Newbery Honor Book Inside Out Back Again follows a young girl as she learns the true meaning of family Listen Slowly is a New York Times Book Review Notable Book and a Publishers Weekly Best Book of the Year A California girl born and raised Mai can't wait to spend her vacation at the beach Instead she has to travel to Vietnam with her grandmother who is going back to find out what really happened to her husband during the Vietnam War Mai's parents think this trip will be a great opportunity for their out of touch daughter to learn more about her culture But to Mai those are their roots not her own Vietnam is hot smelly and the last place she wants to be Besides barely speaking the language she doesn't know the geography the local customs or even her distant relatives To survive her trip Mai must find a balance between her two completely different worlds Perfect for fans of Rita Williams Garcia and Linda Sue Park Listen Slowly is an irresistibly charming and emotionally poignant tale about a girl who discovers that home and culture family and friends can all mean different things *The Films of the Eighties* William J. Palmer,1995 In this remarkable sequel to his Films of the Seventies A Social History William J Palmer examines more than three hundred films as texts that represent revise parody comment upon and generate discussion about major events issues and social trends of the eighties Palmer defines the dialectic between film art and social history taking as his theoretical model the holograph of history that originated from the New Historicist theories of Hayden White and Dominick LaCapra Combining the interests and methodologies of social history and film criticism Palmer contends that film is a socially conscious interpreter and commentator upon the issues of contemporary social history In the eighties such issues included the war in Vietnam the preservation of the American farm terrorism nuclear holocaust changes in Soviet American relations neoconservative feminism and yuppies Among the films Palmer examines are Platoon The Killing Fields The River Out of Africa Little Drummer Girl Kiss of the Spiderwoman Silkwood The Day After Red Dawn Moscow on the Hudson Troop Beverly Hills and Fatal Attraction Utilizing the principles of New Historicism Palmer demonstrates that film can analyze and critique history as well as present it [Motion Pictures from the Fabulous 1980's](#) Terry Rowan,2015-06-27 The decade of the 1980s and its movies and events that shape this Comeback decade The Reagan Years Michael Jackson Whitney Houston Cher and Madonna The Berlin Wall coming down **Don't Thank Me For My Service** S. Brian Willson,2018-11-15 Viet Nam veteran S Brian Willson was so shocked by the diabolical nature of the US war against Viet Nam irreversible knowledge as he

describes it and his own appalling ignorance from his cultural conditioning that it sparked a lifetime of anti war activism This toxic jolt awakened him to the extent to which he and generations of American citizens had thoughtlessly succumbed to the relentless barrage of lies and propaganda that infest US American culture from the military and political parties to religious institutions academic and educational institutions sports fraternal and professional associations the scientific community the economic system and all our entertainment that seek to rationalize its otherwise inexplicable and morally repulsive behavior globally and at home US American history reveals a unifying theme prosperity for a few through expansion at any cost to preserve the exceptional American Way of Life AWOL This has been structurally guided and facilitated by our nation s founding documents including the US Constitution From the beginning the US was envisaged as a White male supremacist state serving to protect and advance the interests of private and commercial property The US waged war in Viet Nam was not an aberration but one of hundreds in a long pattern of brutal exploitation A quick review of the empirical record reveals close to 600 overt military interventions by the US into dozens of countries since 1798 almost 400 since the end of World War II alone and thousands of covert interventions since 1947 This history overwhelms any rhetoric about the United States as a beacon of freedom and democracy committed to promoting domestic and global equal justice under law These interventions have assured de facto subsidies for US American interests regulated global markets on our terms and provided us with access to cheap or free labor and to raw materials Millions of people around the globe have been murdered with virtual impunity as a result of our interventions in a pattern that illustrates what Noam Chomsky calls the Fifth Freedom the freedom to rob and exploit This freedom is ultimately protected with use of force when a country or movement seeks to protect or advance the domestic needs and desires of its members or citizens for political freedom or economic wellbeing This book provides an invaluable tool for today s activists however they may be similarly shocked into wakefulness

Congressional Record United States. Congress,1968      *Special Effects Artists* Rolf Giesen,2014-04-24 Throughout the course of film history artists have used matte painting stop motion animation model photography process cinematography in camera effects travelling mattes optical printing and physical and floor effects to entertain audiences These are the special effects artists in this book The biographical entries provide career synopses and movie credits spanning the early years of cinematography through the end of the mechanical age of filmmaking marked by Steven Spielberg s Jurassic Park and its combination of conventional effects and computer generated images An extensive filmography numerous stills a glossary a bibliography and index are presented      **Vietnam A Memoir** David S Holland,2006 Vietnam A Memoir Mekong Mud Soldier is the third work of a trilogy on one young Army officer s service in the Vietnam War The first volume Saigon Cop covers his year as a Military Police platoon leader in Saigon In the second volume Airborne Trooper he is a semi trained infantry platoon leader trying to quickly climb a steep learning curve in one of the Vietnam War s legendary units the 173rd Airborne Brigade Together the three books tell a tale of war stripped of glory high purpose inspiration and superficial

patriotism The focus is on five Bs booze babes boredom bureaucracy and occasionally battle This third volume Mekong Mud Soldier begins with bureaucracy the author s experience as a staff officer or more irreverently as a rear echelon flunky The action heats up after he is sent as an advisor to a Vietnamese unit in the wet Mekong Delta The advisory business is frustrating and sometimes dangerous Ideally it should be limited to volunteers but in the rush to Vietnamize the war in the late 1960s many U S officers and NCOs unhappily found themselves in duties they were only minimally prepared for **A**
