Toni Tennille Toni Tennille, 2016-04-01 Since bursting onto the scene in the mid 70s the pop duo Captain and Tennille have long defined the sparkling optimistic idea of everlasting love both in their music and through their image as a happy and seemingly unbreakable couple They were an irresistible pair to millions of fans all over the world further underscored by the rousing yes we can gospel of their biggest hit Love Will Keep Us Together But underneath the image was an entirely different story that the fans never saw a woman who fought a lonely struggle against the controlling and often bizarre behavior of her emotionally inaccessible husband Toni Tennille A Memoir is a visceral account of Toni Tennille s life from her childhood in the segregated South to her thrilling rise to fame in the world of pop music to where she is now no longer one half of a famed couple but a stronger woman for all she has experienced both the good and the bad Toni hopes that her story will help anyone who feels trapped in a toxic relationship realize that it is never too late to break away from it

A. Sell,2021-07-29 Winner of the AEDEAN Enrique Garc a D ez Literature Research Award 2023 Shakespeare s Sublime Pathos Person Audience Language breaks new ground in providing a sustained demystifying treatment of its subject and looking for answers to basic questions regarding the creation experience aesthetics and philosophy of Shakespearean sublimity More specifically it explores how Shakespeare generates experiences of sublime pathos for which audiences have been prepared by the sublime ethos described in the companion volume Shakespeare s Sublime Ethos To do so it examines Shakespeare s

model of mutualistic character in which entangled language brokers a psychic communion between fictive persons and real life audiences and readers In the process Sublime Critical platitudes regarding Shakespeare s liberating ambiguity and invention of the human are challenged while the sympathetic imagination is reinstated as the linchpin of the playwright s sublime effects As the argument develops the Shakespearean sublime emerges as an emotional state of vulnerable exhilaration leading to an ethically uplifting openness towards others and an epistemologically bracing awareness of human unknowability Taken together Shakespeare s Sublime Pathos and Shakespeare s Sublime Ethos show how Shakespearean drama integrates matter and spirit on hierarchical planes of cognition and argue that ultimately his is an immanent sublimity of the here and now enfolding a transcendence which may be imagined simulated or evoked but never achieved
