Thanks to the pioneering efforts of the Public Record Office of Northern Ireland, the National Archives of Ireland, organizations such as FindmyPast, Ireland Ancestry.co.uk, and RootsIreland, and the volunteer genealogical community, an ever-increasing range of Ireland's historical resources are accessible from afar. As well as exploring the various categories of records that the family historian can turn to, Chris Paton illustrates their use with fascinating case studies. He fully explores the online records available from both the north and the south from the earliest times to the present day. Many overseas collections are also included, and he looks at social networking in an Irish context where many exciting projects are currently underway. Paton's book is an essential introduction and reference for anyone who is keen to trace their Irish roots.      *Rural Ireland*, 1961
